

Every Girl knows and she knows VERY
well

that denying a mans cumming to HIM
is pure HELL

and we shouldn't get enjoyment from
that cause it aint very nice

cause we're kind and considerate made
of sugar and spice

but

ME?
Well,

I really shouldn't laugh but to a strict dominant Woman like me, this story in a sick twisted way really IS quite FUNNY!

Once upon a
time his
strict
Wife/Mistress
said

Honey?

it's been
almost a WEEK
without ANY
sexual
release!

Lay down
and I'll
get you
READY!

A woman with long, wavy blonde hair is wearing a light grey, short-sleeved turtleneck sweater dress with a side slit. She is posing with her right hand near her mouth, looking slightly to the side with a subtle smile. The background is a plain, light-colored wall.

and HE said

A photograph showing a person's legs and hands in a medical setting. The person is lying down, and their legs are bent at the knees. Their hands are clasped together, holding a metal medical device with a black handle and a yellowish, textured component. The background is a plain, light-colored wall.

OH MY
GOD
THANK
YOU!

"Thank You Mistress Denise!"

And then
SHE said,

and THIS is
the FUNNY
part,

You're WELCOME
for wanting ME
to be pleased!

And after
about twenty
six orgasms
and she was
TOTALLY
pleased

he BEGGED her

PLEASE UNLOCK ME
AND LET ME CUM?
PLEASE MISTRESS
DENISE?

but all SHE
did was LAUGH
as she told
him

Goddessesfootboy.com

and I have to
LAUGH at his
suffering!
REALLY!
Don't YOU?

Oh my God YES
Girls,
we most
certainly
DO!
