

He quickly forgets the pain of the  
flesh

and when that goes away he ALSO  
forgets

The REASON he was  
punished,  
for which he SHOULD  
have regrets,

so this story's  
about what a Girl  
should do NEXT!

You see Girls the  
whip, though it  
DOES hurt like  
Hell,

hurts only his  
FLESH and that's  
not so swell!

The pain of his  
punishment should  
be also INSIDE,  
deeply humiliating,  
destroying his  
pride!

I've whipped you and  
whipped you AGAIN and  
AGAIN but you STILL  
haven't learned  
despite all  
that PAIN!

So I won't be whipping  
your dumb ass tonight  
for once again not  
cleaning my  
damn kitchen  
right,

Oh NO, from now on when  
you put me in this  
situation I'll  
give you what  
the punishment  
you dread  
MOST,

total  
HUMILIATION!

No, I won't be  
whipping your ass  
anymore,  
thats what my  
Girlfriends  
came over  
here for!

And I hope your  
embarrassment makes  
you just want to die  
as they whip  
you without  
mercy while  
you BEG and  
you CRY!

Now get your  
ass in my  
kitchen

**"And Assume The Position!"**

And after they'd  
BOTH had their turn  
whipping his ass  
black and blue,  
what do you think  
they both told him  
to do?

**NOW CLEAN  
SHARONS  
KITCHEN  
CORRECTLY!**

LIKE SHE  
TOLD YOUR  
ASS TO!

A woman with short brown hair, wearing a grey patterned dress and black gloves, stands in a kitchen. She is holding a long-handled object, possibly a broom or a tool, and looking towards the right. In the background, a man is standing with his back to the camera, and another person is partially visible behind him. The kitchen has wooden cabinets and a window on the left.

**YES  
MISTRESS  
CAROL!  
YES  
MISTRESS  
SUE!**

Oooooooooh fucking  
YES Girls!  
THAT'S what  
you DO!

Huh guys?
