

Why is your soul mate the Woman
who wields that strap you despise

but you worship and love her BECAUSE
of that, guys?

Because I disobeyed her
and back talked
and gave her sass

she'll tie me to my
bed, get her strap,
and then WHIP my ass!

HARD!

What IS it
about her
Female
dominant
way

that makes
you WANT
to be tied
to your
bed like
today

and be
whipped
really
HARD by
her strap
which yu
HATE

like the
guy in
this story
that I
call

"Soul Mate?"

The
string's
caught
in your
teeth
again,
Honey!

Be careful
you don't
pull it
out,

I'm kind
of heavy
today!

"YES
MISTRESS!"

"THANK
YOU FOR
TELLING ME
MISTRESS!"

You're
welcome,
Honey!

And now
here YOU
are with
ME sharing

ANOTHER
night of
bliss

on your
knees
for your
soul mate

saying

A photograph of a man kneeling on a light-colored wooden floor in front of a fireplace. He is shirtless and wearing a black collar with a silver ring. His hands are clasped behind his back. On the white marble mantel above the fireplace, there is a black book with the word 'FETISH' written vertically in white, a yellow book, and a red candle. A silver-framed mirror hangs on the wall above the mantel, reflecting a white door. To the right of the fireplace, there is a green plant with a red spiral decoration.

"I Love you,
Mistress!"

I love
you too,
Honey!

Now get
your ass
in your
bedroom

and get
READY
for me!

"YES
MISTRESS!"

AND DON'T
FORGET TO
BRING MY
STRAP IN
THERE
WITH YOU!
