

This stories about a male whose  
submissive ways

were not quite what a dominant Woman  
would PRAISE

And she tried EVERYTHING but nothing  
would work

until she finally said "Fuck it!"  
and did THIS to the jerk

To break him  
from his lack  
of submissive  
behaviors

I gagged  
him so his  
screams  
wouldn't  
bother my  
neighbors!

But she didn't USE  
that thing in her  
HAND!

She did something  
DIFFERENT!  
Didn't you Pam?

NO! I did  
NOT use THIS  
thing to  
simply make  
his ass  
BLISTER,

I gave him a  
pillow to  
scream into  
and gave  
him to

**"My Twisted Sister!"**

Who  
fucked  
him  
without  
MERCY

OR  
LUBE,

with  
her new  
fifteen  
incher!

And I'll bet NOW  
he's submissive and  
obedient and as meek  
as a mouse,

especially when her  
Sister comes over  
the house!

Huh?
