

"Your Mistresses sent you to

Once upon a
time a slave
like YOU named
Ted
came home to
find THIS
little note
on his bed!

A photograph of a bed with a white sheet. A brown leather belt is lying on the sheet. Next to the belt is a small white sticky note with handwritten text. The belt is a dark brown color with a silver-toned buckle. The sticky note is rectangular and has the words "We need to talk!" written on it in black ink. The background is a plain white sheet with some wrinkles.

We need
to talk!

So he picked up
the belt and
without
complaining or
bitchin

met his
Mistress in her
"play" room
and assumed
the position

for leaving for
work in the
morning without

"Cleaning The Kitchen!"

And they
TALKED for
AWHILE
her belt and
his rear

discussing his
Mistresses
rules
and making
those rules
very CLEAR!

And her rules
should ALWAYS
be obeyed,
when her SLAVES
what your LIFE
is,

always ready to
serve her and
tell her "YES
MISTRESS!"

**CLASS
DISMISSED!**

NOT YOU!

Yes YOU!

YOU get your
naked ass
BACK on your
knees in
front of me!

**WE
need to
TALK!**
