

I think you'll agree
that true Fem Dom bliss
would definitely be
something like this

Girls,
look at him
kneeling
there

"NAKED For Me"

with a
throbbing
erection
because
he's OURS

to do
WITH
as we
PLEASE,

our SLAVE
who'll serve
and obey
us till
the END
of the
night!

Are you OK
with THAT,
Girls?

Would you
LIKE that
tonight?

YES!

YES!

YES!"

YES!

YES!

YES!

Then you'll
be THEIR
slave also,

insted of
just MINE,

and it sure
looks to ME
slave,

that you
like THAT
just fine!

DON'T you?

"Yes
Mistress!"

WOW!

WOW!

WOW!

WOW!

WOW!

WOW!

Yeah,
WOW!
