

Once upon a time there was a man
who was a slave in a household
of three

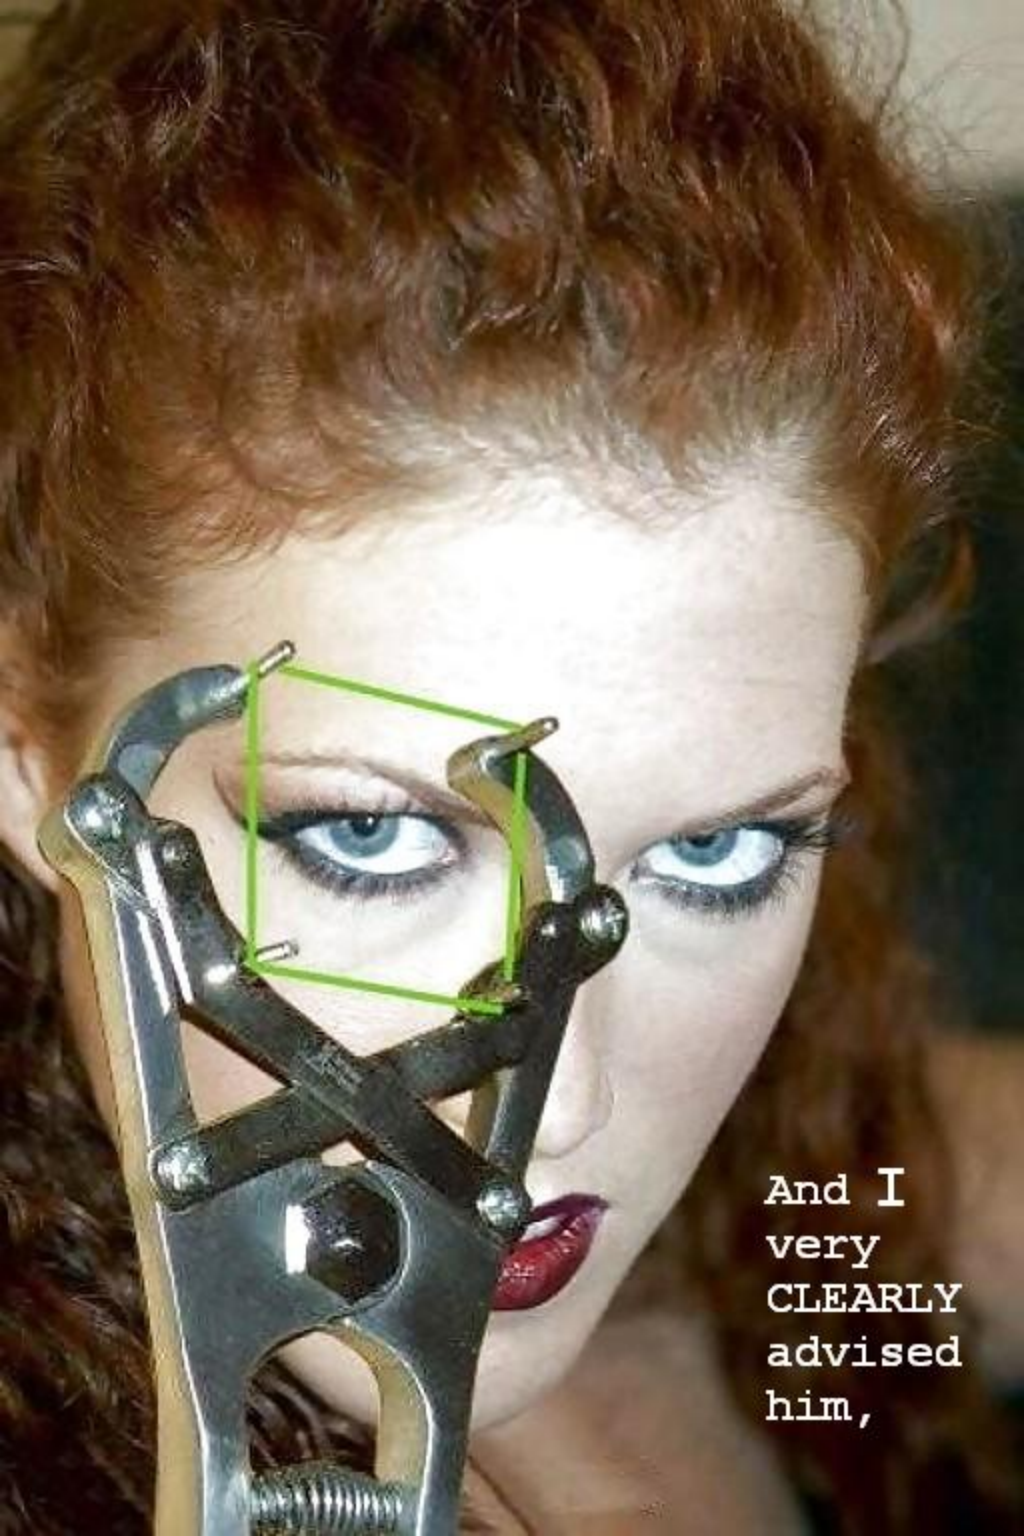

very strict dominant Women named Beth
Margaret and Marie who serving them
made him VERY VERY horny

So with his tongue he begged each of
them to let him cum at least TWICE

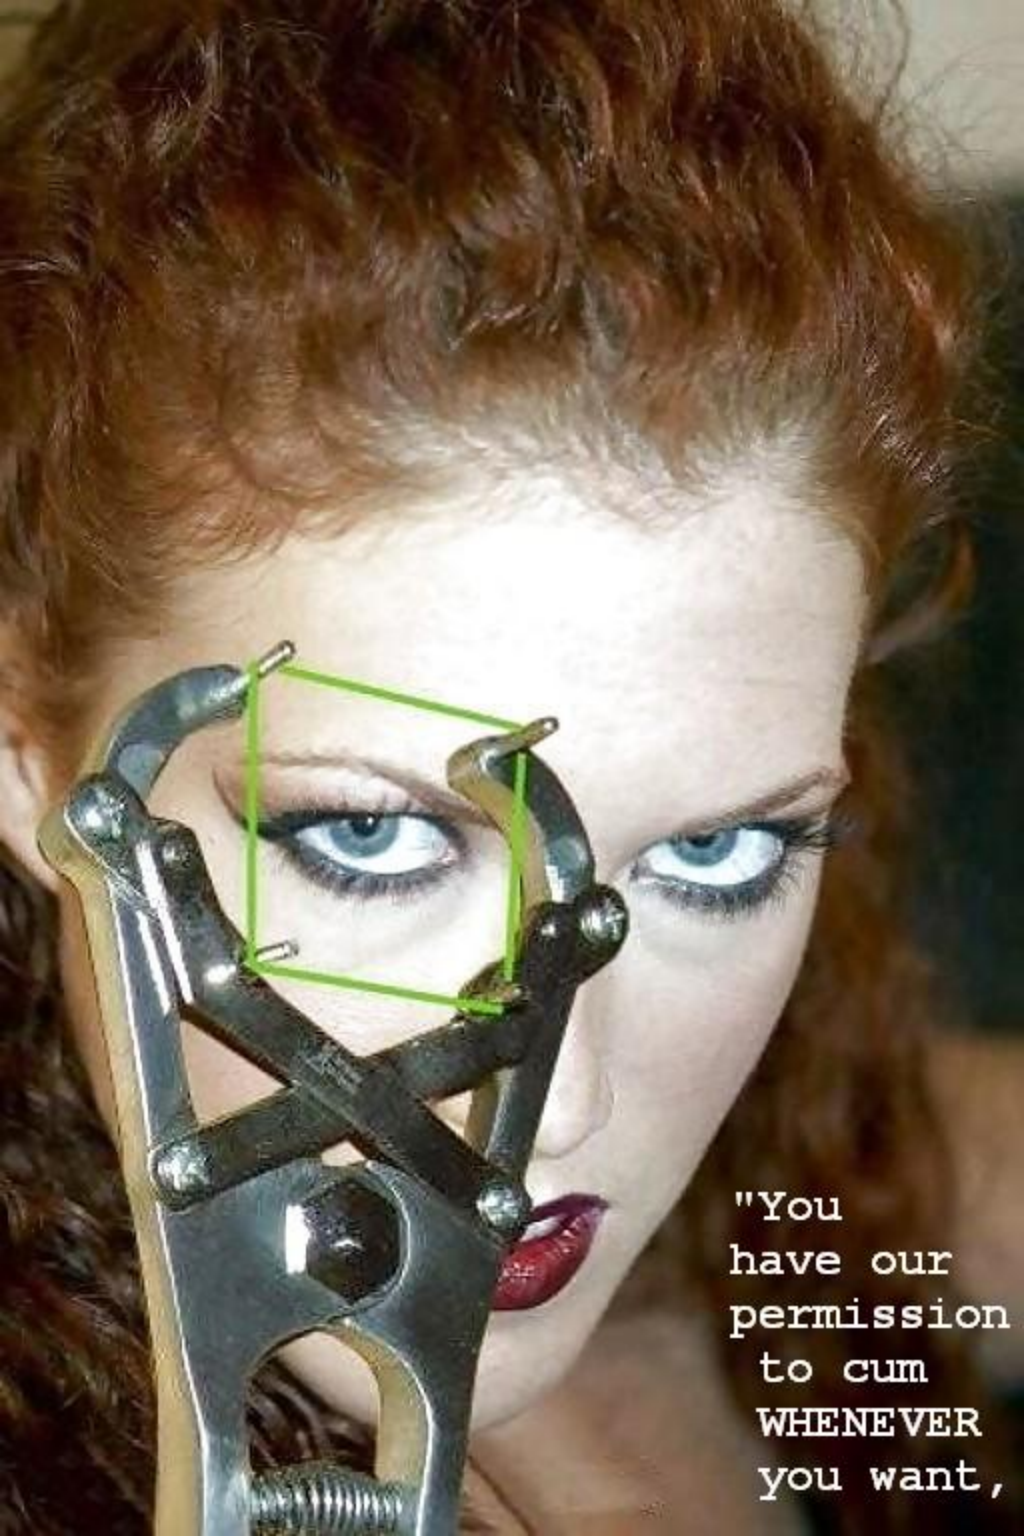

until Beth sternly told him

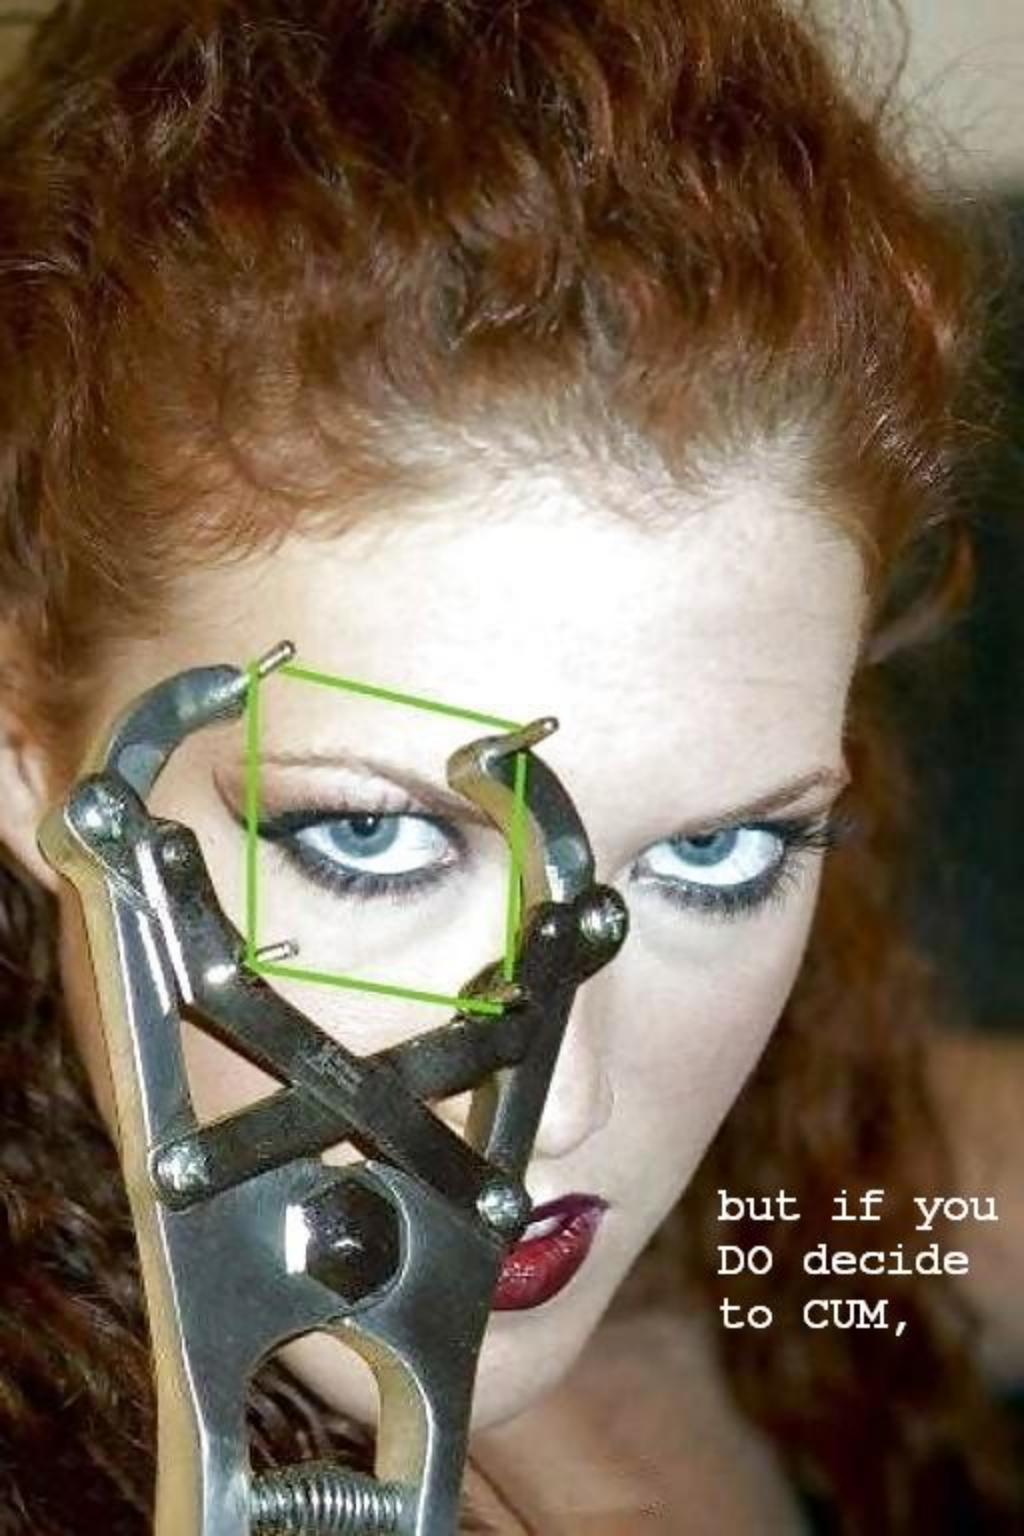

OK! Then lay
down and if you
WANT you may
cum for Marie
in a way you'll
think is SO
fucking NICE!

And I
very
CLEARLY
advised
him,

"You
have our
permission
to cum
WHENEVER
you want,

but if you
DO decide
to CUM,

"You WILL Pay A Price!"

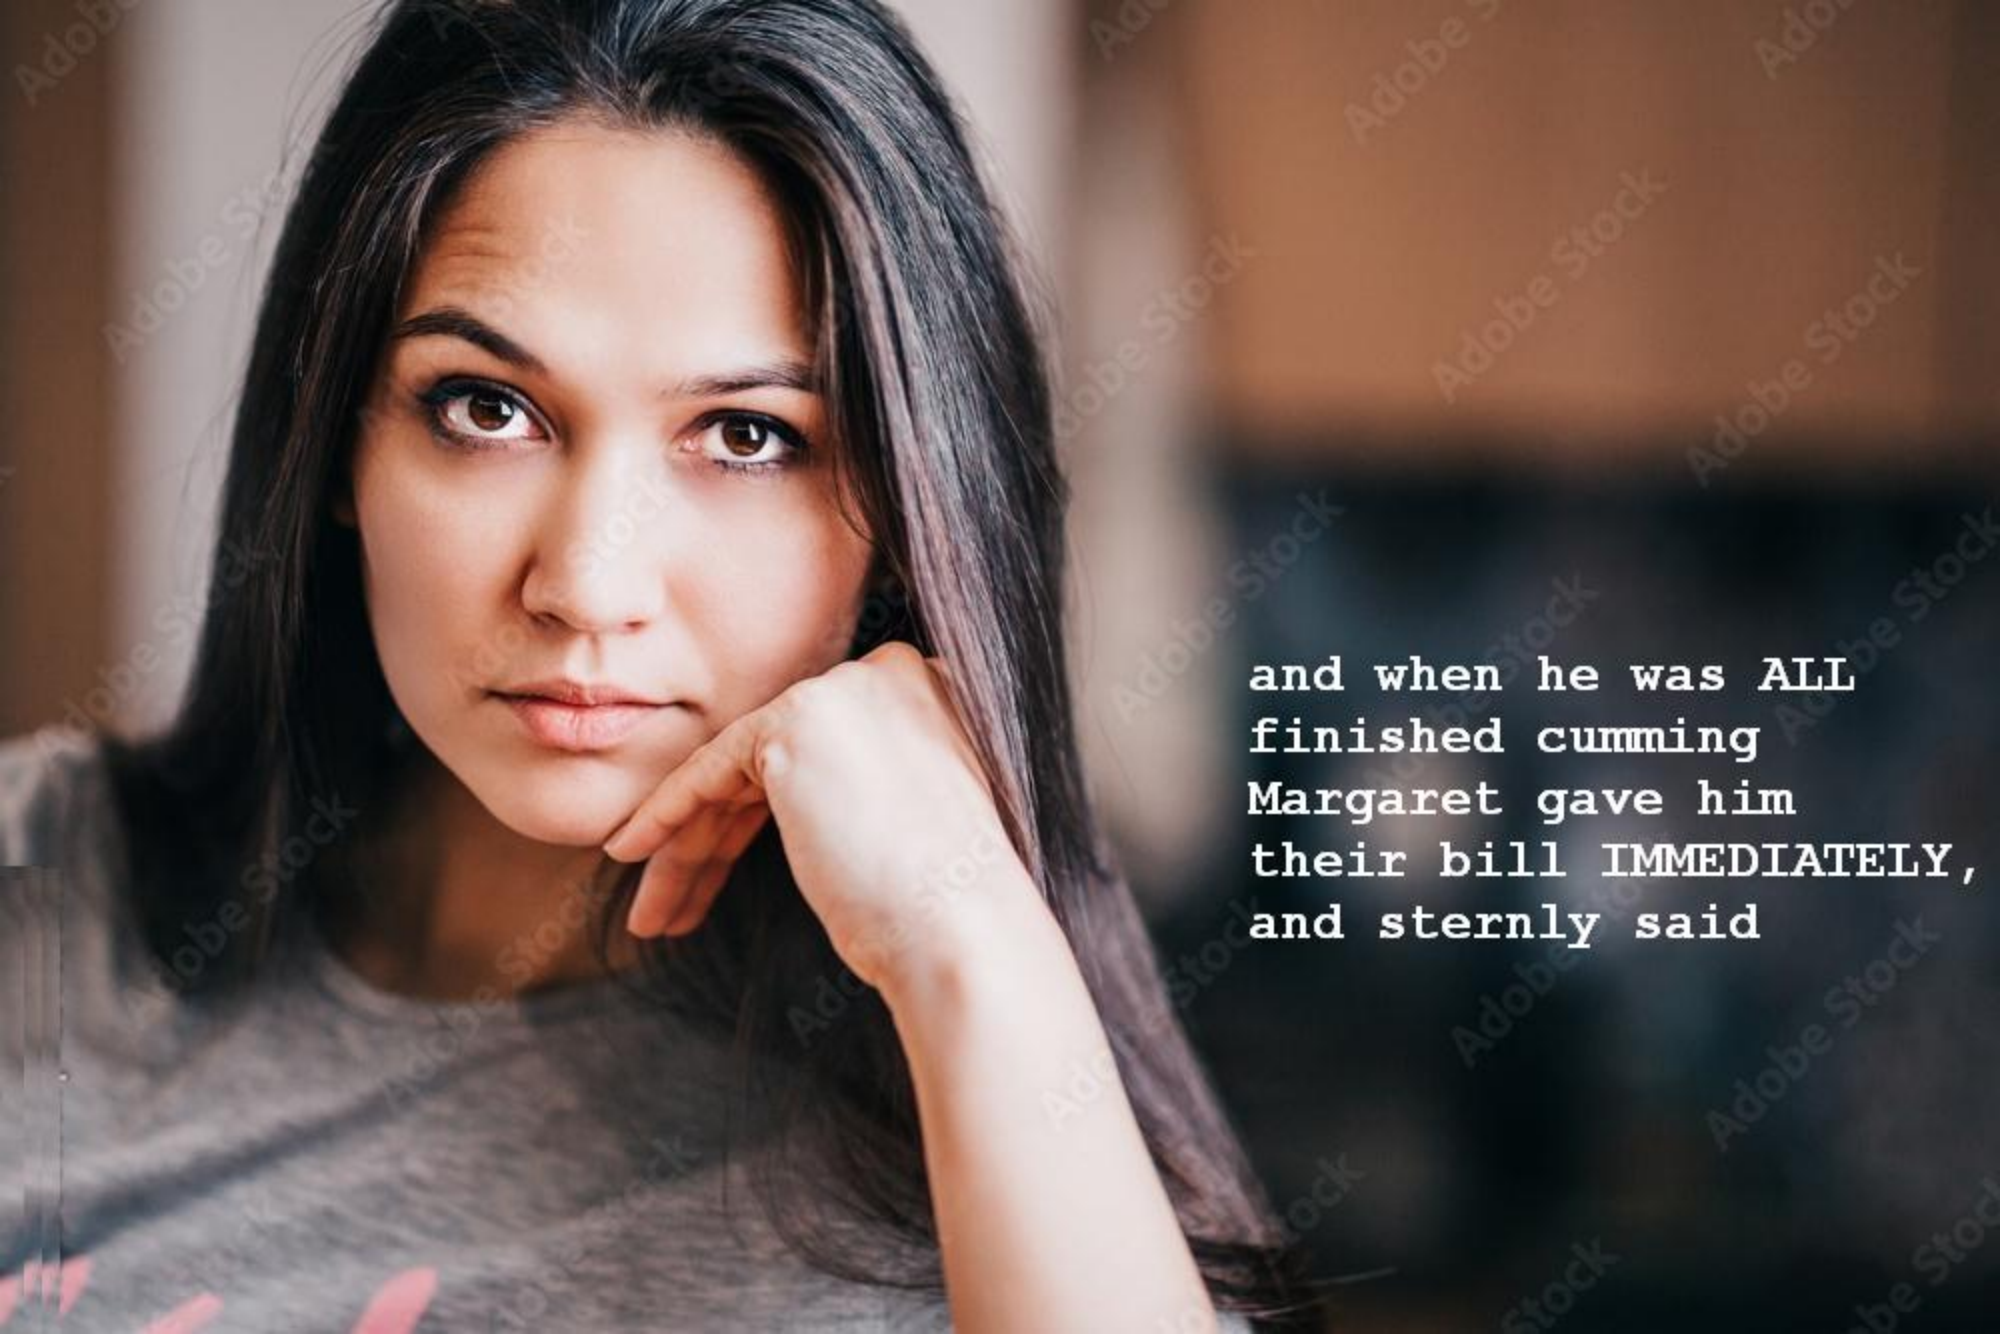

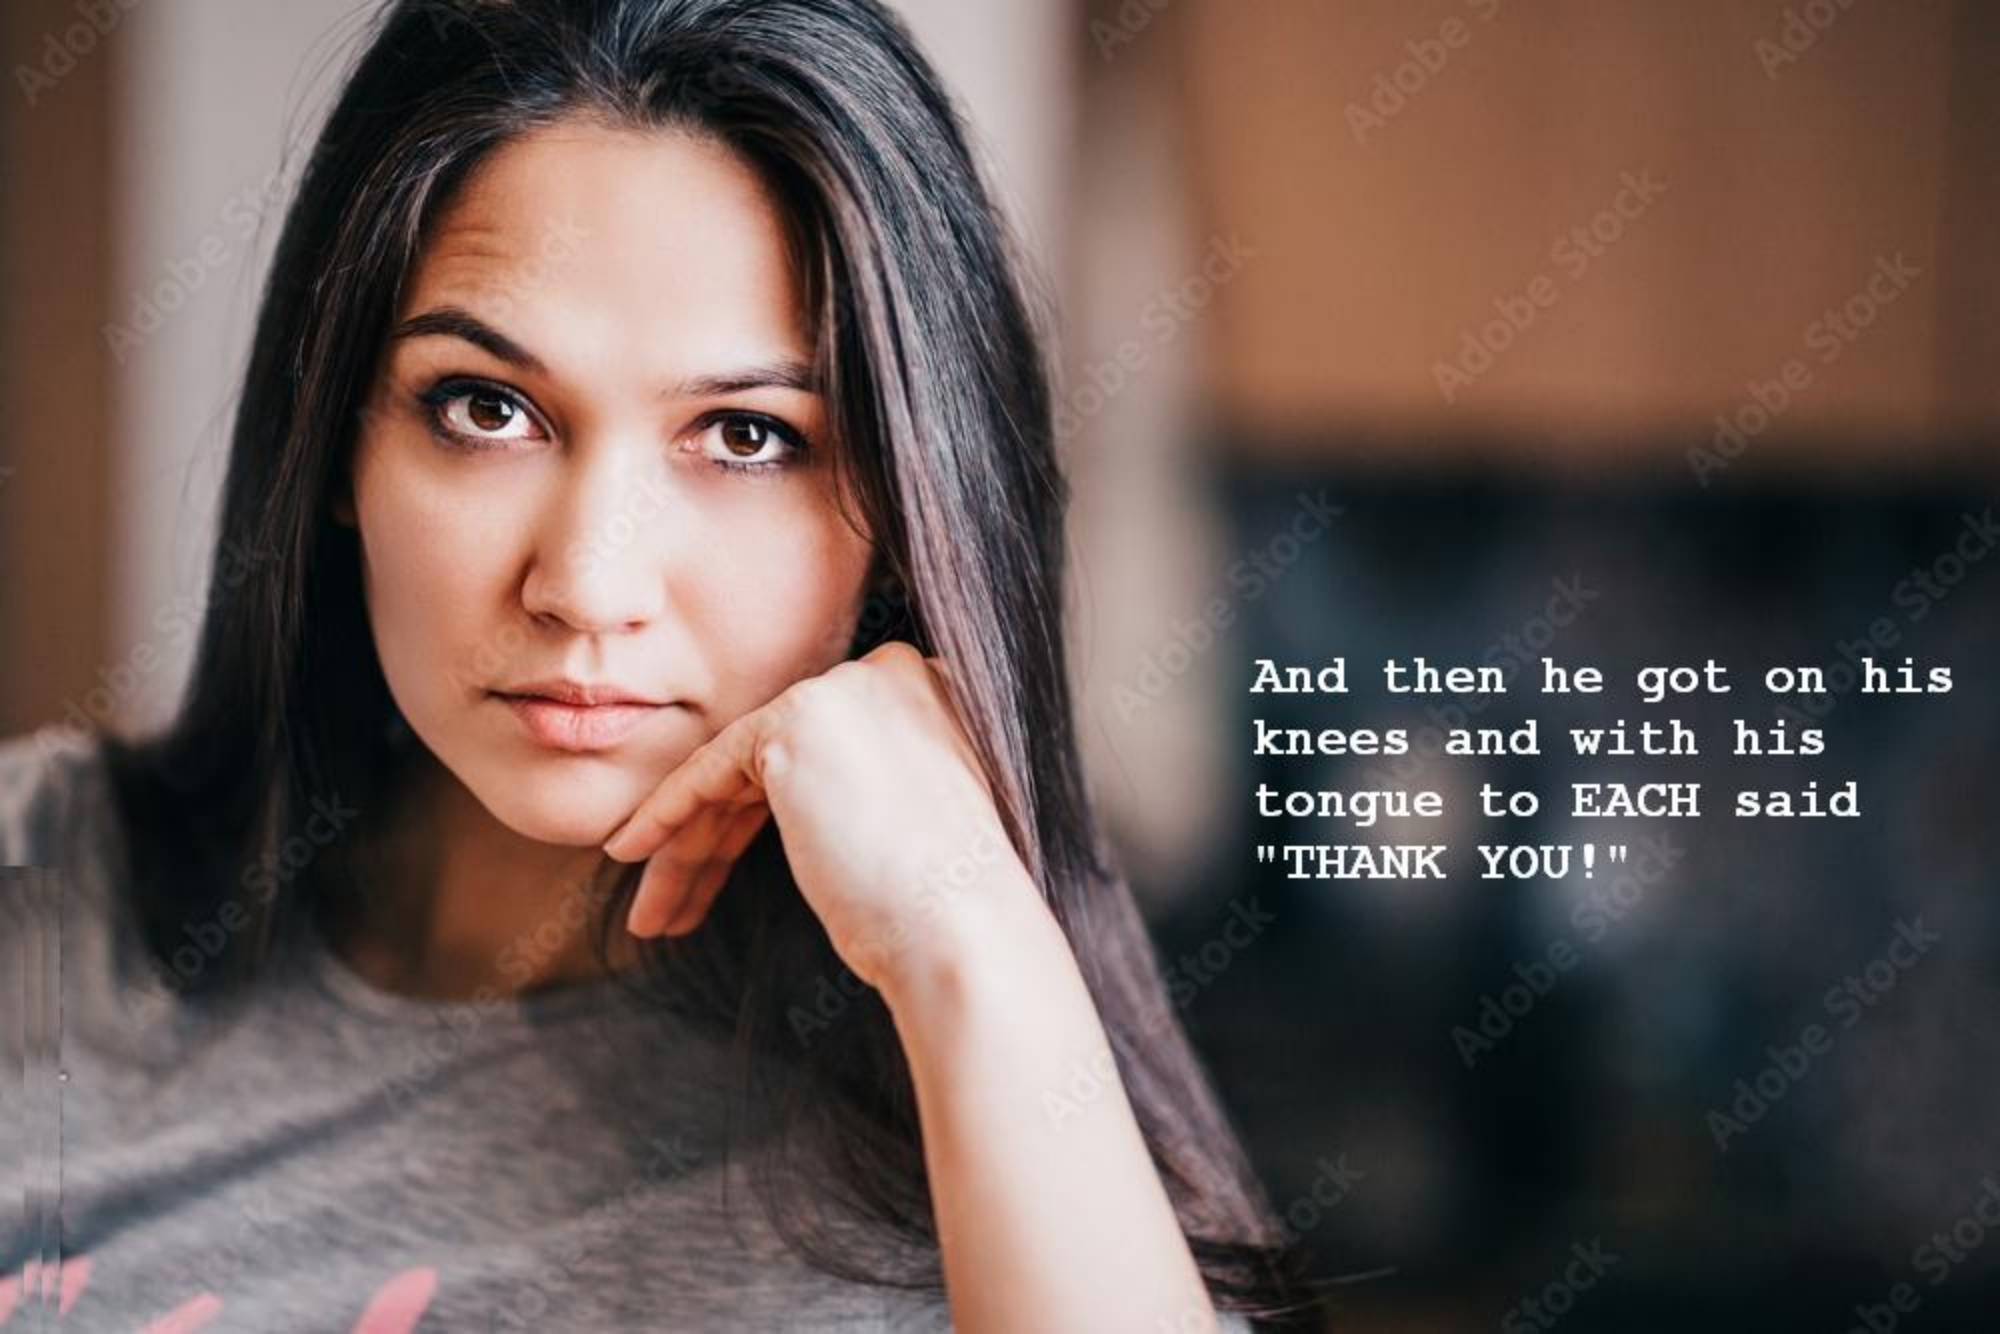

And within thirty
seconds he **SCREAMED**,
"OH GOD I'M CUMMING!
THANK YOU MISTRESS
MARIE!"

and when he was ALL
finished cumming
Margaret gave him
their bill IMMEDIATELY,
and sternly said

They'll stay like
THIS till tomorrow at
quarter past three as
payment for the
PRIVILEGE of cumming
THIS month for Marie,
for Beth, and for ME!

And then he got on his
knees and with his
tongue to EACH said
"THANK YOU!"

until ALL of their
orgasming was
FINALLY through

so his bill for cumming
for them THIS month had
NO balance due!

Now stop begging me to
let you cum tonight
and go do what I TOLD
you to do,
unless YOUR submissive
ass wants to pay for
it TOO!
