

This is a story about one Womans NEED  
and the man who fulfils it for her  
and fufils it INDEED!

And he does it cause something very  
DEEP in his soul

is SCREAMING for her to take TOTAL  
control!

Once upon a time in  
a female ruled land,  
a Woman made her slave  
entertain her by  
using his hand!

And she only allowed  
him ONE ejaculation  
each week,  
because it kept him  
OBEDIENT, submissive  
and MEEK!

And she LOVED having that  
POWER,  
it made her so HORNY  
and WET,  
more than ANYTHING she  
had EVER experienced  
YET!

And he wanted to cum SO  
fucking badly after his  
daily denial,  
he'd beg her with his  
mouth between her legs  
EVERY night,  
and she'd fall asleep

**"With A Smile!"**

OH GOD MISTRESS!  
MAY I

CUM?

NO!  
You will  
HOLD my  
cum!

You've been  
jerking off  
for my  
amusement  
one hour  
EVERY day  
for the  
past WEEK  
without  
cumming

so  
AMUSING  
me for a  
few more  
minutes  
isn't  
gonna kill  
you!

Now keep  
jerking  
off for  
me!

YES MISTRESS!

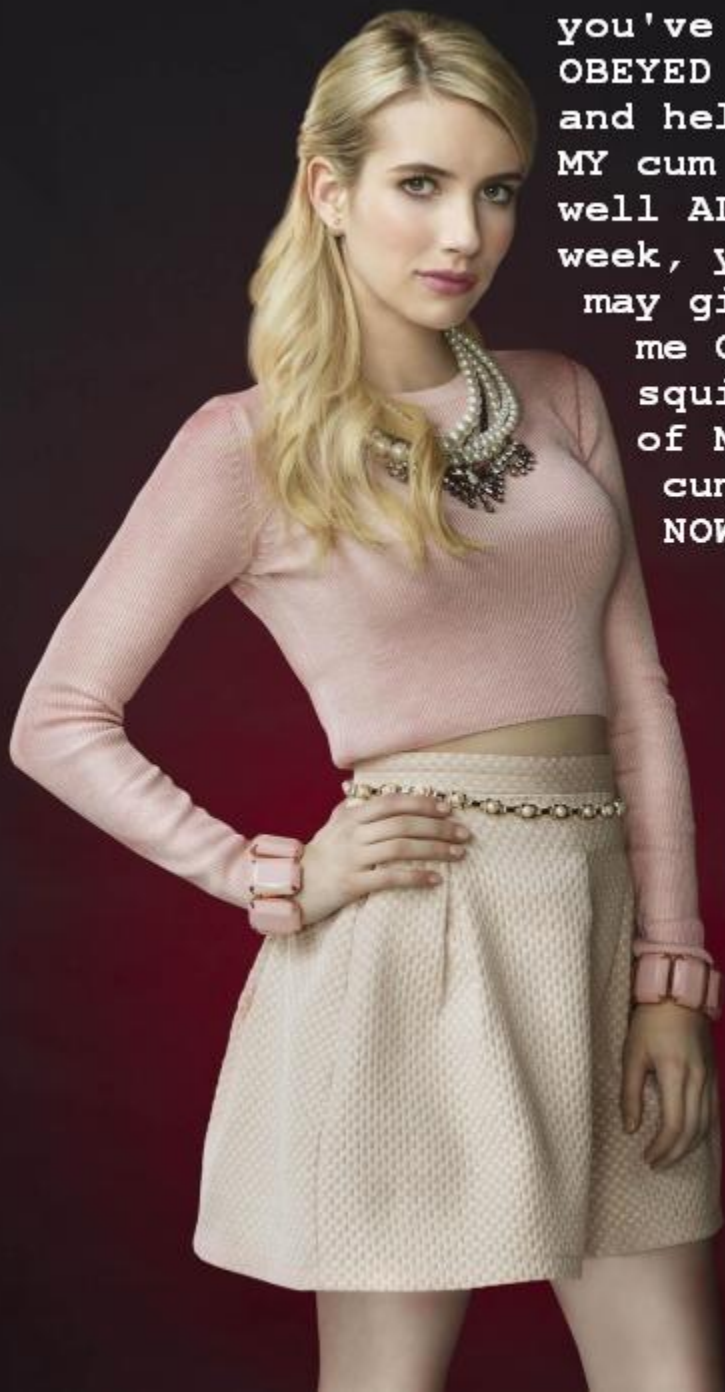

Fifteen VERY long  
minutes LATER,  
after he'd ALREADY  
jerked off for an  
HOUR,

Since  
you've  
OBEYED me  
and held  
MY cum so  
well ALL  
week, you  
may give  
me ONE  
squirt  
of MY  
cum  
NOW!

THANK YOU  
MISTRESS!

You may  
give me  
ANOTHER!

THANK YOU  
MISTRESS!

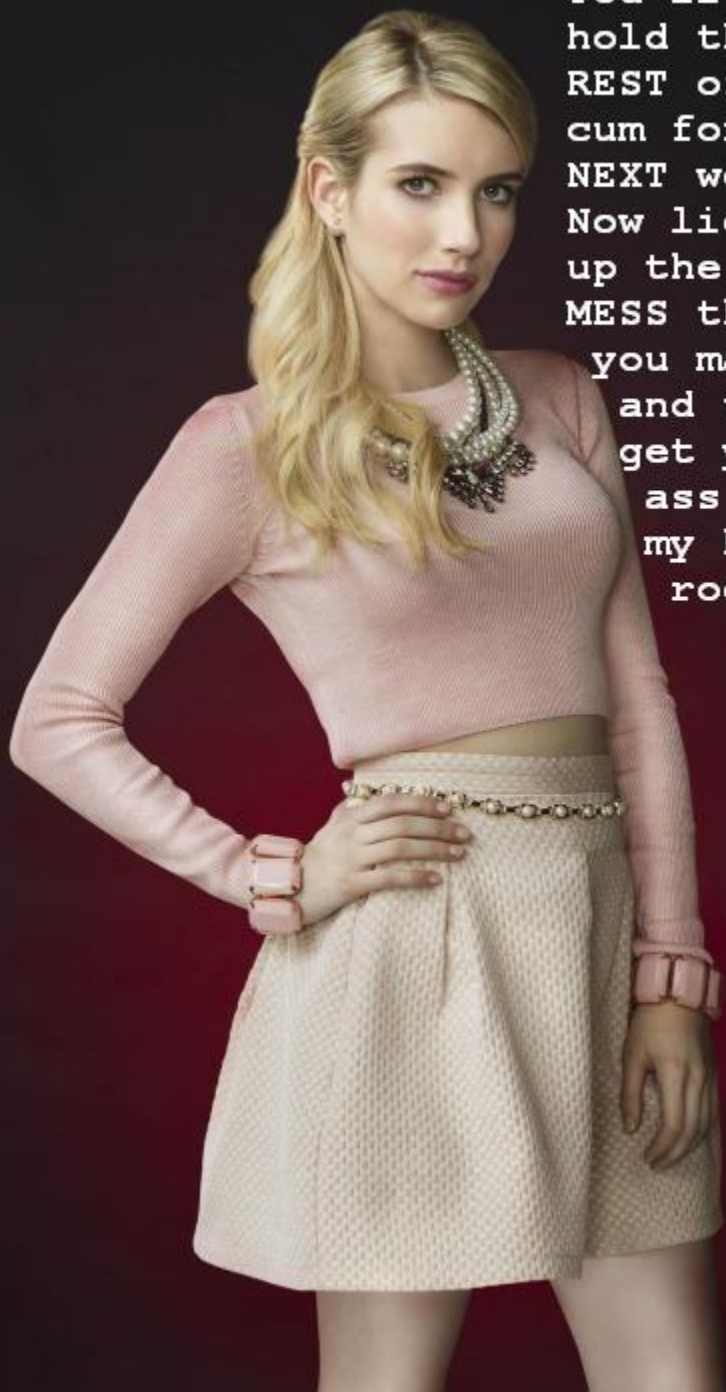

And ONE  
more!

THANK YOU  
MISTRESS!

You'll  
hold the  
REST of MY  
cum for  
NEXT week!  
Now lick  
up the  
MESS that  
you made  
and then  
get your  
ass in  
my bed  
room!

YES  
MISTRESS!

And NOW he'll say  
"THANK YOU!" in her  
bedroom for finally  
letting him cum today,  
just like like YOU'D  
like to thank ME!

OH GOD YES  
MISYTRESS FAYE!

Too BAD!  
Now keep jerking off  
for my PLEASURE,  
without CUMMING,  
like you do  
EVERY day  
so you do some  
very passionate  
BEGGING when  
you're finished  
Honey!

YES MISTRESS  
FAYE!

So now here I sit  
WITH him as he  
satisfies my deep  
darkest need,  
OBEYING me by not  
spilling one DROP  
of his seed!
