

For permission to come

Oh my God do we crave

but is it really the COMING

we NEED as her slave?

Is THAT
what he
needs?

To simply
squirt out
his seeds?

No, I think
there's
something
MORE
that this
submissive
male

"Needs!"

Has my
house
been
cleaned?

"Yes
Mistress
Theresa!"

Have my
clothes
been ironed
and put away?

"Yes
Mistress
Theresa!"

Good
BOY!

You
may jerk
off for
me now!

"Yes
Mistress
Theresa!"
"Thank You
Mistress
Theresa!"

You're
welcome
slave,

**And
REMEMBER,**

don't
COME
until I give
you PERMISSION
to come,

or you
WILL be
punished!

"Yes
Mistress
Theresa!"

"Mistress
Theresa?"

WHAT,
slave?

"May I come
for you now?"

"PLEASE Mistress
Theresa?"

"PLEASE?"

NO!
Now stop
jerking
off,

go wash
your
hands,

and
do my
nails!

**"Yes
Mistress
Theresa!"**

The End

Yeah, he wants
to come BADLY,
but deep in
his soul,

what he
REALLY
wants
is for
HER to
control

every
single
ONE
of his
sexual
releases

because
his come
isn't HIS,
it's
Mistress
Theresa's!

Isn't
it?
