

She'll tell you that she's sorry
for doing SOME things to you
But being sorry won't stop her
from doing what SHE must do

But before you begged her to
make you her slave

you KNEW that, DIDN'T you?

"OH MY GOD
MISTRESS!"

"NO ! "

"I'M
BEGGING
YOU
MISTRESS!"

"OH DEAR
GOD ,
NOOOOOOOOOO
OOOOOOOOOOO
OOOOOOOOOOO
OOOOOOO ! "

"NOOOOOOO
OOOOOOOO
OOOOOOOO
OOOOOOOO
OOOOOOOO
OOOOOOO!"

SNIP!

"Guys,"

we're REALLY
sorry for
DOING that,
we're SURE
it wasn't fun,

and all the
"we're sorry's"
in the world,
won't help you
grow NEW ones!

And I don't speak
just for MYSELF
I want YOU
to understand,

that I speak
for ALL of us
dominant Gals
who have DONE
this to a man!

But although SOME
things should be
left alone,
it's more
preferable
by far,

that the proper
place for OTHER
things,
is on a
womans
dresser
inside
of a JAR!

Huh
Girls?

YES!
That's
EXACTLY

where the
damned things
SHOULD be!

A full-body photograph of a woman with long, wavy blonde hair and red lipstick. She is wearing a short-sleeved, knee-length purple dress with a gold belt and a cluster of gold buttons on the chest. She is also wearing patterned high-heeled shoes. She is standing in a minimalist setting with large, curved, metallic-looking pillars. The lighting is dramatic, with strong highlights and shadows.

And they
should
be PUT
there,

IMMEDIATELY !

YEAH!

YEAH!

YEAH!

YEAH!

YEAH!

YEAH!

So I'm sorry
I caused
the end
of the male
you USED
to be

but it
really makes
me HAPPY
that you belong
TOTALLY to ME!

Now clean
my fucking
KITCHEN!

"YES
MISTRESS!"
