

This story is fiction, for ME it's
not true

but I've SURE fantasized that it
WASN'T fiction , oh my God, haven't
YOU?

I knew from the way
that I had been
raised,
my dominant Mother
and Sister had
already appraised

my future
Wife/Mistress Carol,
who they'd picked out
for me

and here's what
happened the FIRST
time she came over
and my Mother and
Sister

"Introduced Her To Me!"

The woman on the right is leaning over the man, possibly performing a massage or adjustment. The background is a plain, light-colored wall.

And she does this for
TWO minutes without
him cumming, once
EVERY hour of her
waking day,

And what
does THAT help
him DO Honey?

What EVER
I WANT,
WHEN ever
I SAY!

And what will
I do if you cum
before the two
minutes are
through?
