

Did it shock you speechless
and rattle your tree
the first time a Woman
told you how things would be?

Yeah, you
thought you'd
have dinner

and then hug
and kiss,

but you never
expected the
evening

would start
off like
THIS!

"DID You?"

Me ,

YOU!

A woman with long, vibrant red hair and dramatic dark eye makeup is seated at a table. She is looking directly at the camera with a neutral expression. In the foreground, two lit red candles in a silver holder are prominent, casting a warm glow. To her right, a tall, slender glass filled with red wine stands on the table. The table is covered with a red cloth, and various items like a plate and a fork are partially visible. The background features white curtains hanging from a wooden rod.

GOT
it?

GOOD !

Once
AGAIN!

Me ,

YOU!

OK?

GOOD !

Then that's
the end
of the
discussion
of how this
relationship
is going
to work!
