

I'm sure you've ALL done this
as a submissive male
so what would YOUR answer be
at the of this tale?

NO
slave,

you may
NOT
come!

And don't
you DARE
ask me
AGAIN!

God,
I wonder
what he's
THINKING

as he
stands
there
doing

THIS?

I haven't
let him
come for
a week

and it's
something
he REALLY
does MISS!

But he'll
DO this

"And He'll OBEY Me"

like
he does
EVERY
night

by not
coming ONE
fucking
DROP

unless I
SAY that
he might!

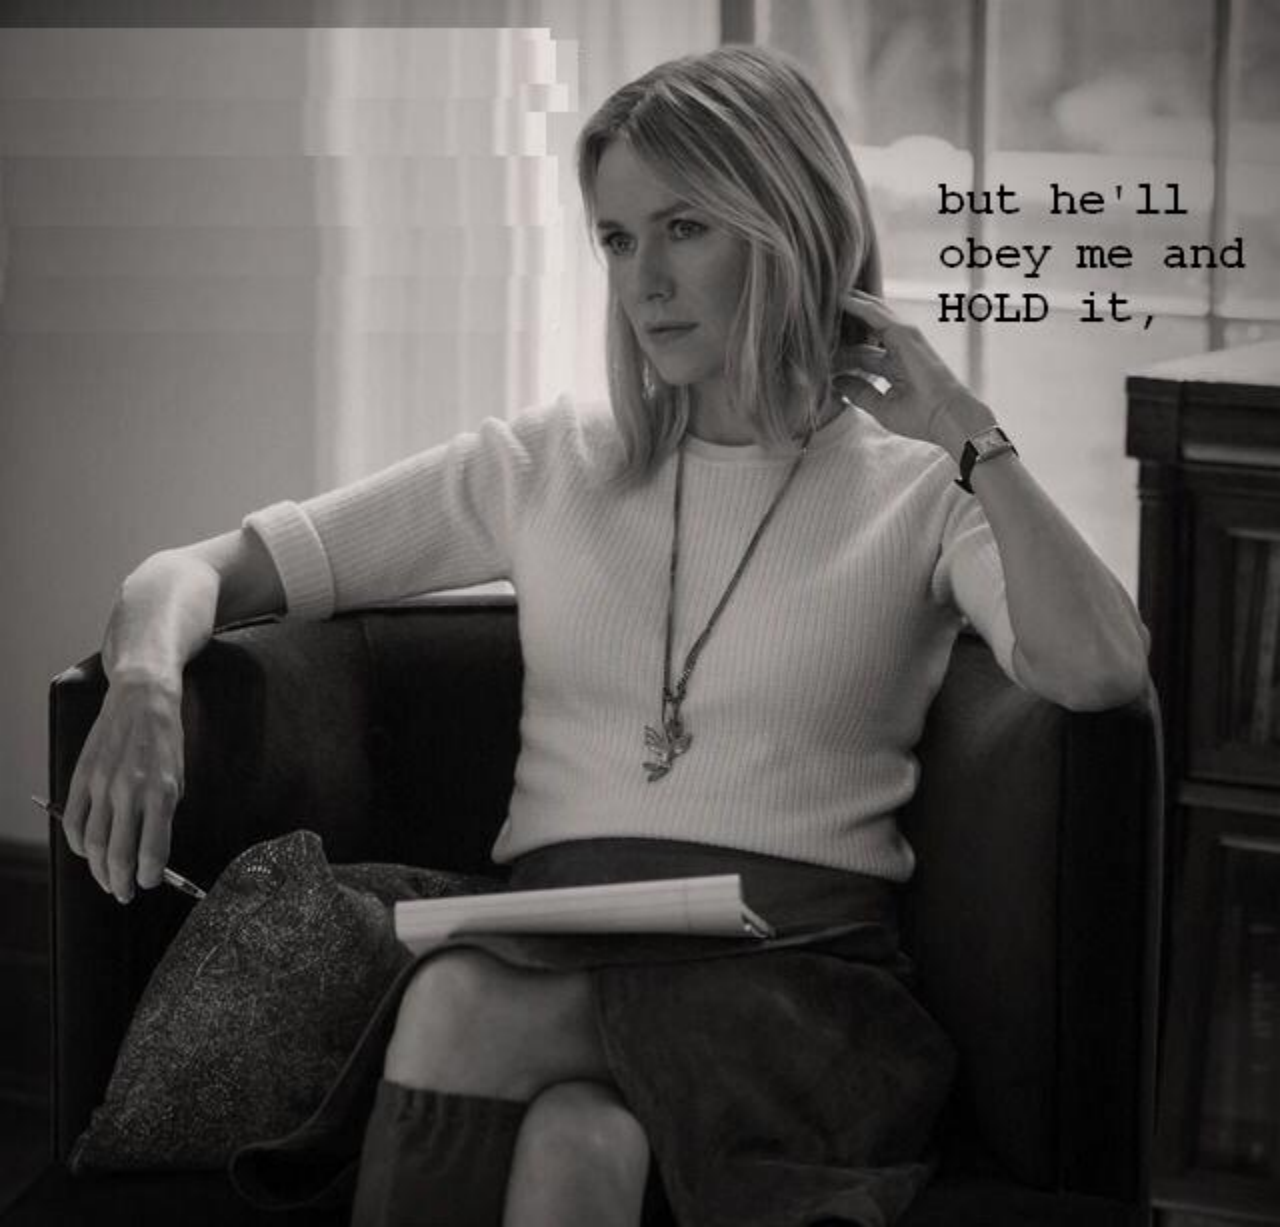

And he wants
to come SO
fucking
BADLY

he's
actually
starting
to CRY,

but he'll
obey me and
HOLD it,

and GOD,
I HAVE to
ask, WHY?

Really!

WHY does he
obey me THIS
way,

this
submissive
guy?
