

'What ARE your feelings and thoughts

tell me HONESTLY friend

TELL Mistress Sandra

at this storys end!"

What are you feeling in your
SOUL HEART and HEAD when you
look up at her as you're
kneeling naked for her and
WAITING next to her bed

as she takes off
her bra so you
can look at her
breasts

and she VERY
sternly tells
you

A woman with long, wavy brown hair is standing in a candy store. She is topless, wearing only a white skirt. She is holding a small, striped bag of candy in her hands. The background is filled with shelves of various candies and a poster of a man in a red shirt.

Lay down FACE UP
on the bed slave,
it's time for ANOTHER
"Don't you DARE cum

"Unless I SAY You May Tests!"

And you DO what she TOLD you to
after you sob "Yes Mistress!"
and she takes you FIRMLY in her
hand and begins doing THIS?

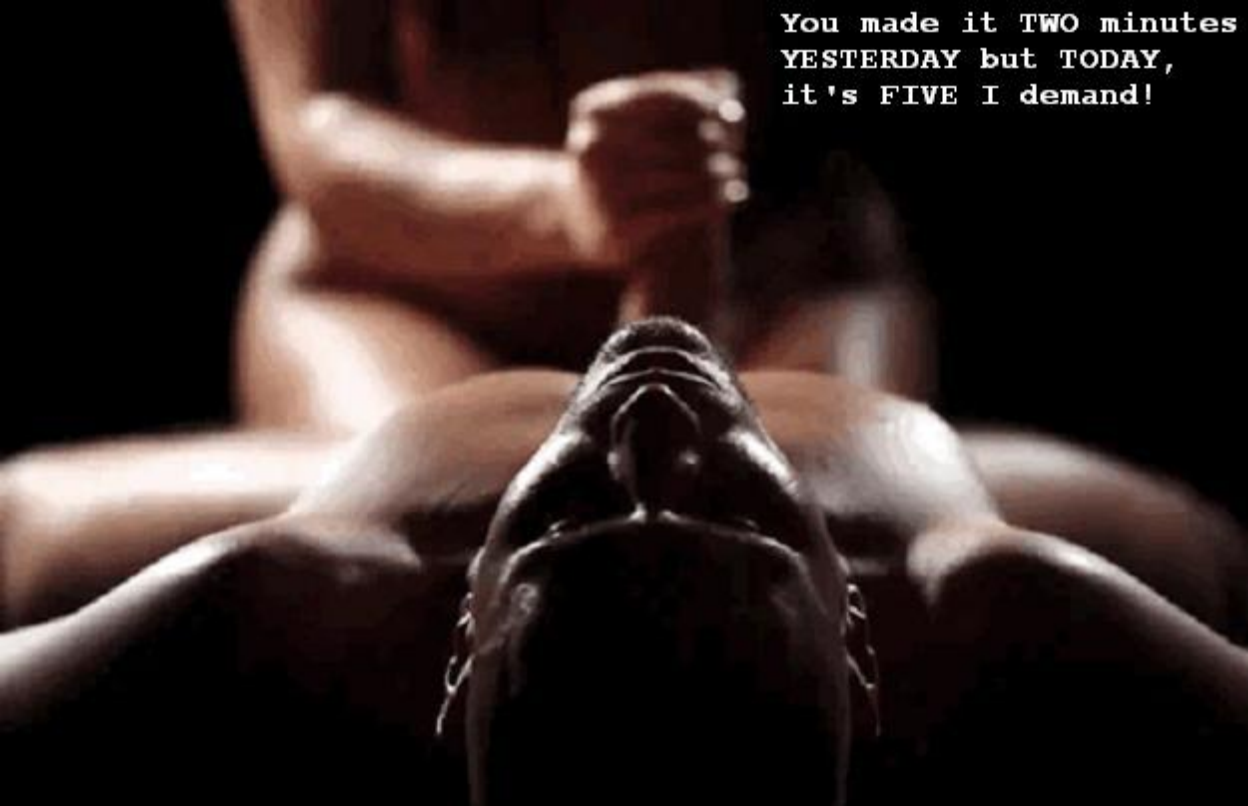

what are you FEELING in your
heart mind and soul as you hear
her COMMAND

You made it TWO minutes
YESTERDAY but TODAY,
it's FIVE I demand!

What ARE you feeling in your
heart mind and soul after you
hear that command,
as you try so HARD to OBEY her
and not CUM all OVER her hand?

Well?
TELL me!
