

This is a story about when my
Mistress is REALLY pleased

and my once a week ejaculation's
not the usual me

jerking off into her panties down
there on my knees

Slave,

your
obedience
ALL week,

has been
SO fucking
GRAND,

so you have
permission
to COME

"All Over My Hand!"

"OH GOD!
THANK YOU
MISTRESS!"

You're
WELCOME !

And when he's
ALL finished
COMING,
and after
he's licked my
hand CLEAN,

he REALLY says
"THANK YOU!",

if you know
what I mean!
