

It's not like being ALONE with her  
and being her slave

kept naked and submissive and  
to always properly behave

No, you'll find out the FIRST  
time, should it ever occur

what it's like when she wants you  
to serve and OBEY a Woman OTHER  
than HER

and the shame and humiliation you  
got used to are all starting anew

with this Woman who's NOW  
a co owner of you!

Once upon a  
time I took my  
newly enslaved  
submissive  
husband to his  
very FIRST  
Femdom party,

and told him  
to kneel naked  
on his knees  
in front of my  
Girlfriend  
whom he will  
call

**"Mistress Marty!"**

A woman with blonde hair, wearing a black long-sleeved dress with a deep V-neckline and lace gloves, is sitting and holding a lit cigarette in her right hand. She is looking directly at the camera with a serious expression. The background is dark.

And I told him  
to take his  
MONTH long  
denied cock  
in his hand,

and jerk off  
for Mistress  
Marty without  
cumming ALL  
night unless  
SHE says that  
he can,

A woman with blonde hair, wearing a black long-sleeved dress with a deep V-neckline and lace gloves, is sitting and holding a lit cigarette in her right hand. She is looking directly at the camera with a serious expression. The background is dark, and there is a faint smoke trail from the cigarette.

and I was SO  
proud when he  
immediately  
OBEYED and  
said

A woman with long brown hair, wearing a black sleeveless dress and black heels, is sitting on the edge of a bed. She is looking towards a man who is kneeling on the floor. The man is shirtless and looking back at her. The background consists of a wooden door and a white wall.

YES  
MISTRESS  
ANN!

**The End**

NOOOOOOOOOO!  
it's just the  
BEGINNING for  
my poor TOO  
long denied  
newly enslaved  
slave husband  
who tried  
with ALL of  
his might

to not cum  
without  
Mistress  
Martys  
permission  
but only made  
it a half  
hour tonight

before  
screaming "I'M  
SORRY MISTRESS  
MARTY!" and  
her telling  
me "Don't  
worry Ann,  
I'll take care  
of this one!"

A woman with blonde hair, wearing a black long-sleeved dress with a deep V-neckline and lace gloves, is sitting and holding a lit cigarette in her right hand. She is looking directly at the camera with a serious expression. The background is dark, and there is a small amount of smoke rising from the cigarette.

and GOD,  
I so ENJOYED  
watching while  
she had her  
fun,

TAKING care of  
her newly  
enslaved slave  
husband,

who's a very  
DISOBEDIENT  
one!
