

It takes a while sometimes it's true
to DO some things she wants you to
but she'll be patient and she'll wait
while you complain and hesitate,
because she knows her warnings you
will heed
and to her wishes you'll accede

Oh yeah
Honey,
you WILL
try it,

and you'll
LOVE it,

because it
really
IS,

An "Acquired Taste"

and YOU

will ACQUIRE
that taste,

or I

won't let
you COME!

Now start
AQUIRING
that taste,
slave!

"YES
MISTRESS!"

The End

And ACQUIRE
it he DID,
just like YOU did,
ooooooooh YES!

DIDN'T he
Honey?

OH GOD YES
MISTRESS
TESS!
