her slave

a desire you were BORN with and will
take to your grave

Before you beg to be her slave

of a Woman who owned a very
submissive young male

who LOVED being her slave and all
that role did entail

until the eighteenth Birthday party
of her Daughters Carol and Gail!

A photograph of a man and a woman in a bedroom. The man is shirtless and muscular, wearing a thin chain necklace. The woman is wearing a black blazer over a black top and a black skirt. They are standing close together, looking at each other. In the background, two other women are standing, one in a pink blazer and the other in a blue blazer. The room has a wooden floor and a white door in the background.
