

The Goddess smiled on a submissive
man and his future Wife / Mistress
too

and he learned "Be careful what
you wish for, it just might come
true!"

Once upon a
time a young
mans fantasy
life,
was being a
slave, OWNED
and controlled
TOTALLY by his
dominant Wife!

And the
Goddess smiled
down at him
and GAVE him
his wish,
and ALSO gave
one WOMAN

"A Lifetime Of BLISS!"

"GET YOUR
ASS BACK
HERE!"

I screamed
as he tried
crawling
away,

with MY
balls in
the
"humbler"
I bought
yesterday,

"I'M NOT
THROUGH WITH
YOU! CRAWL
BACK HERE,
RIGHT
FUCKING
AWAY!"

and he's
damned
fucking
LUCKY he
answered
CORRECTLY
with

YES MISTRESS MAE!

And after
uncrossing my
legs as he
painfully
CRAWLED
back to me

I OPENED them
wide and said
"NOW slave,
get BUSY
and start
PLEASURING me!

The End

And it pleasures
her MORE than
in that SEXUAL
way,
having a slave
who OBEYS her
and DOES only
what SHE says
he may!

But what she
loves MOST is
seeing him try
to so QUICKLY
crawl,
to her feet
ready to serve
her whenever
she calls,

and knowing
that those
are HER
fucking
BALLS!

**AREN' T
they?**

I VERY strongly
suggest that you
answere that
question
CORRECTLY!

YES MISTRESS MAE!

Good BOY!
