

Once upon a time

in a Female led home

there lived a Mistress
named Susan

and her slave husband Jerome

And when I
put him to
bed

I said
"SHHHHH!
Not ONE
peep!"

and made
sure he
fell into

"A VERY Deep Sleep!"

And
of course
in the
MORNING,

when he
woke up
and saw
THIS

he looked
up at me
and said

A close-up photograph of a man's upper body. He is lying down, his head tilted back with his eyes closed. He has a short beard and a silver nose ring. On his chest, there is a large, clear, bulbous object that appears to be a medical device or a large blister. The background shows a chain-link fence.

Oh my GOD
Mistress!

A man with a nose ring and closed eyes is lying down, appearing to be in a state of unconsciousness or pain. A large, clear, bulbous object, resembling a large, inflated condom or a medical device, is attached to his chest. The background shows a chain-link fence, suggesting an outdoor or industrial setting.

Why the
Hell'd
you do
THIS?

BECAUSE my
dear SLAVE,
what this
Girl just
found

out is
you've
been
jerking
off and
COMING

when
she's not
AROUND!

So now
when I'm
at work

you will
NO longer
jerk

off and
have an
orgasm
WITHOUT my
permission

and as far
as the NEXT
time you
may come?

Well,
that'll
be MY
decision!

WON'T it,

**Yes
Mistress!**

Oh my GOD,
YES!

The End

And
we'll live
happily
ever
after!

A blonde woman with long hair is posing for a photograph. She is wearing a light blue, short-sleeved, ribbed crop top and white underwear with a small blue floral pattern. She is looking directly at the camera with a slight smile. The background is a plain, light-colored wall.

Ooooooh,
YES slave!
WON'T we?

Because
I've
ALREADY
forgotten

where I
put the
damn key!

OH MY GOD
MISTRESS!

NOOOOOOOOOO !

Ooooooh
YES slave!

Yes!
