

There are places called "Dog Parks"  
where a Woman can take her pet cur

but where can she take her MAN pet  
who's owned COMPLETELY by her?

Well let's  
give our  
attention  
to my  
friend  
Mistress  
Grace

who is going  
to TELL us  
a story

**"About Such A Place!"**

Well, once upon a  
time in a magical  
Female ruled land,  
there WAS a park  
where a Woman  
could take her  
submissive  
man!

Where she  
could make him  
STAY like a GOOD  
pet while she'd  
sit and talk,

or make him  
HEEL like he  
SHOULD while  
they went for a  
walk!

A park where a  
Woman could take  
ALL of her pets  
out to play,

or she could  
keep her pet  
HUMBLED so he  
can't run away!

And she's free  
to take him  
along by his  
own built in  
leash,

so Sandra can  
have HER fun  
with him ALL  
day while SHE'S  
at the beach!

YES! A park  
where the Girls  
can sit with  
SMILES like  
this,

while watching  
a pet entertain  
his owners,  
Margaret and  
Trish!

**The End**

A woman with dark hair pulled back, wearing a black latex dress with a red zipper and trim, stands in a grassy field with trees in the background. She is looking towards the camera with a slight smile. She wears a silver watch on her left wrist and a silver earring.

But before  
I leave you  
I feel Girls  
I would be  
TRULY  
remiss

The man's legs are spread apart, and his hands are holding the handles of the pliers. The woman is smiling and looking at the camera. The background is dark and out of focus.
