

When you're truly her SLAVE
and shes your owner/ Mistress
it really DOES end
most times like THIS!

This is a VERY short story
of a husband /slaves life

when he's TOTALLY owned
by his dominant Wife!

It's a story of what usually
DOES happen next

as his Wife/Mistress relaxes
in post orgasmic BLISS

"After Sex!"

Mistress?

Yes slave?

Would it be
allright if
I cum now?

PLEASE?

NO !

slave, if I had wanted
YOU to cum, you would be
on your knees jerking
yourself off for
me right
now!

Now get your ass busy
and go get my shower
started and the
bathroom ready
for me,

all those mind blowing
orgasms you just gave me
with your mouth and my
vibrator got
me ALL
sweated
up!

Yes Mistress!

The End

And not a very happy
one for HIM, huh?

NO! But it sure was
a HAPPY one for HER!

And that's ALL
that MATTERS!

Isn't it,

SLAVE?
