

Yes you will plead

and you will go Boo Hoo

but you definitely WILL do

what she WANTS you to do!

This
story's
about

a submissive
male WHO

WILL
learn
to do

what SHE
wants
him to!

And DO it
he WILL

as she
talks on
the phone

while he's
hanging out

by him
self

"All Alone"

Hello?

I'm sorry,
but Steven
can't come
to the phone,

A woman with blonde hair, wearing a red dress and a silver bracelet, is sitting on the floor and talking on a yellow rotary telephone. She is smiling and looking towards the camera. The background is a solid red color. The telephone base is on the floor to her left.

he's hung up
cause of a
problem that
he had at
home!

I'll have him
give you a call
as soon as he's
not hung up
anymore!

How
LONG?

A woman with blonde hair, wearing a red dress and a silver bracelet, is sitting on the floor and talking on a yellow rotary telephone. She is smiling and looking towards the camera. The background is a solid red wall. The telephone base is on the floor to her left.

Ooooooh,
at LEAST
another
HOUR!

A woman with blonde hair, wearing a red dress and a silver bracelet, is sitting and talking on a yellow rotary telephone. She is smiling and looking towards the camera. The background is a solid red color. The telephone is a classic rotary model with a coiled cord. The woman's dress is a vibrant red, and she is wearing a wide silver bracelet on her right wrist. The overall mood is cheerful and nostalgic.

Yes,
I'll make
SURE that
he calls
you!

BYE !

"OH MY GOD
MISTRESS!
I CAN'T TAKE
ANOTHER HOUR
OF THIS!"

But you
WILL,
Honey!

Now be quiet,
while I call
my Sister!

"YES
MISTRESS!"

The End

God damn it
slave

I am truly
AMAZED,

that after
reading that
story

you're not
very fazed

that I may do
THAT to YOU

and make YOUR
balls so sore!

SO my
submissive
slave,

I just HAVE
to implore,

why do you have
a hard on that's
dripping PRE COME

on MY nice
clean floor?

Huh?

"I don't know,
Mistress!"

Well, maybe
licking my floor
CLEAN of your
mess will help
you to REMEMBER!

Now
DO it!
