

What if once a week

she took you out

and the words "AMUSE me!"

came out of her mouth

The next
time you
think

that your
Mistress
is MEAN,

and you
want to
call her

a name
that's
OBSCENE,

take
a few
minutes

and ask
yourself
HONESTLY,

"When was
the last
time

I was
told

slave,

"AMUSE Me!"

Well?

What are you
WAITING for,
slave?

AMUSE me!

YES
MISTRESS!

When was the
last time you
were allowed
to ejaculate,
slave?

Three months
ago, Mistress!

GOOD !

Then watching you
trying to hold
your come for me
is going to be
VERY amusing!

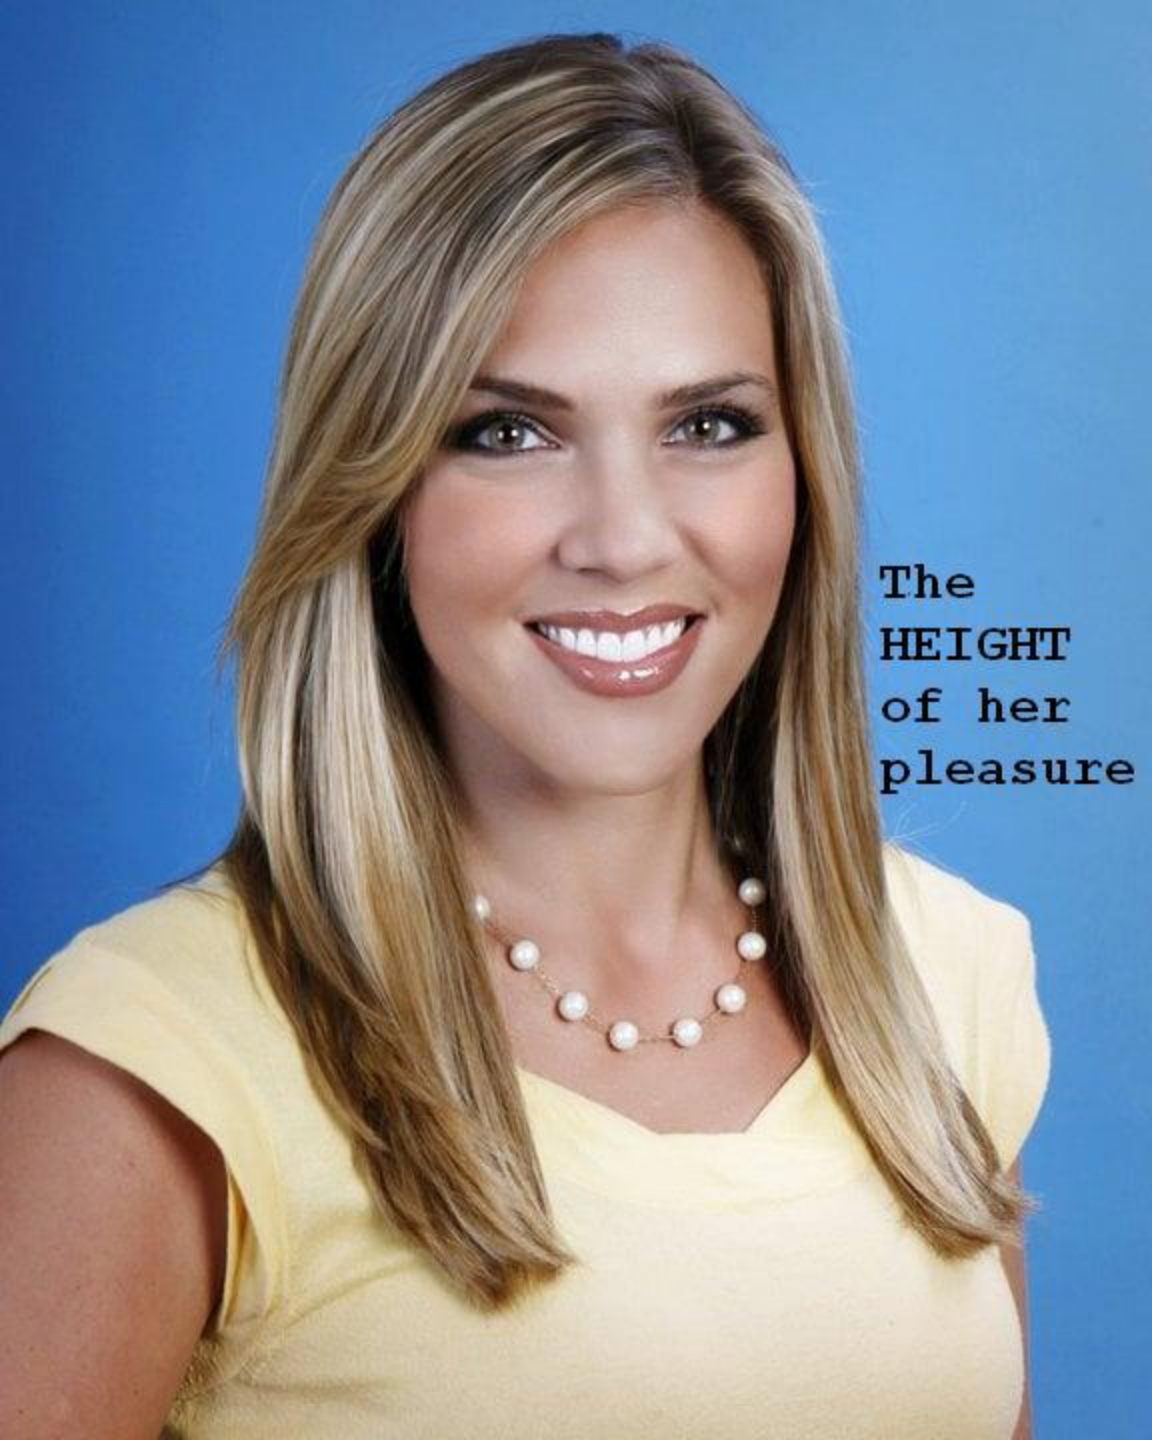

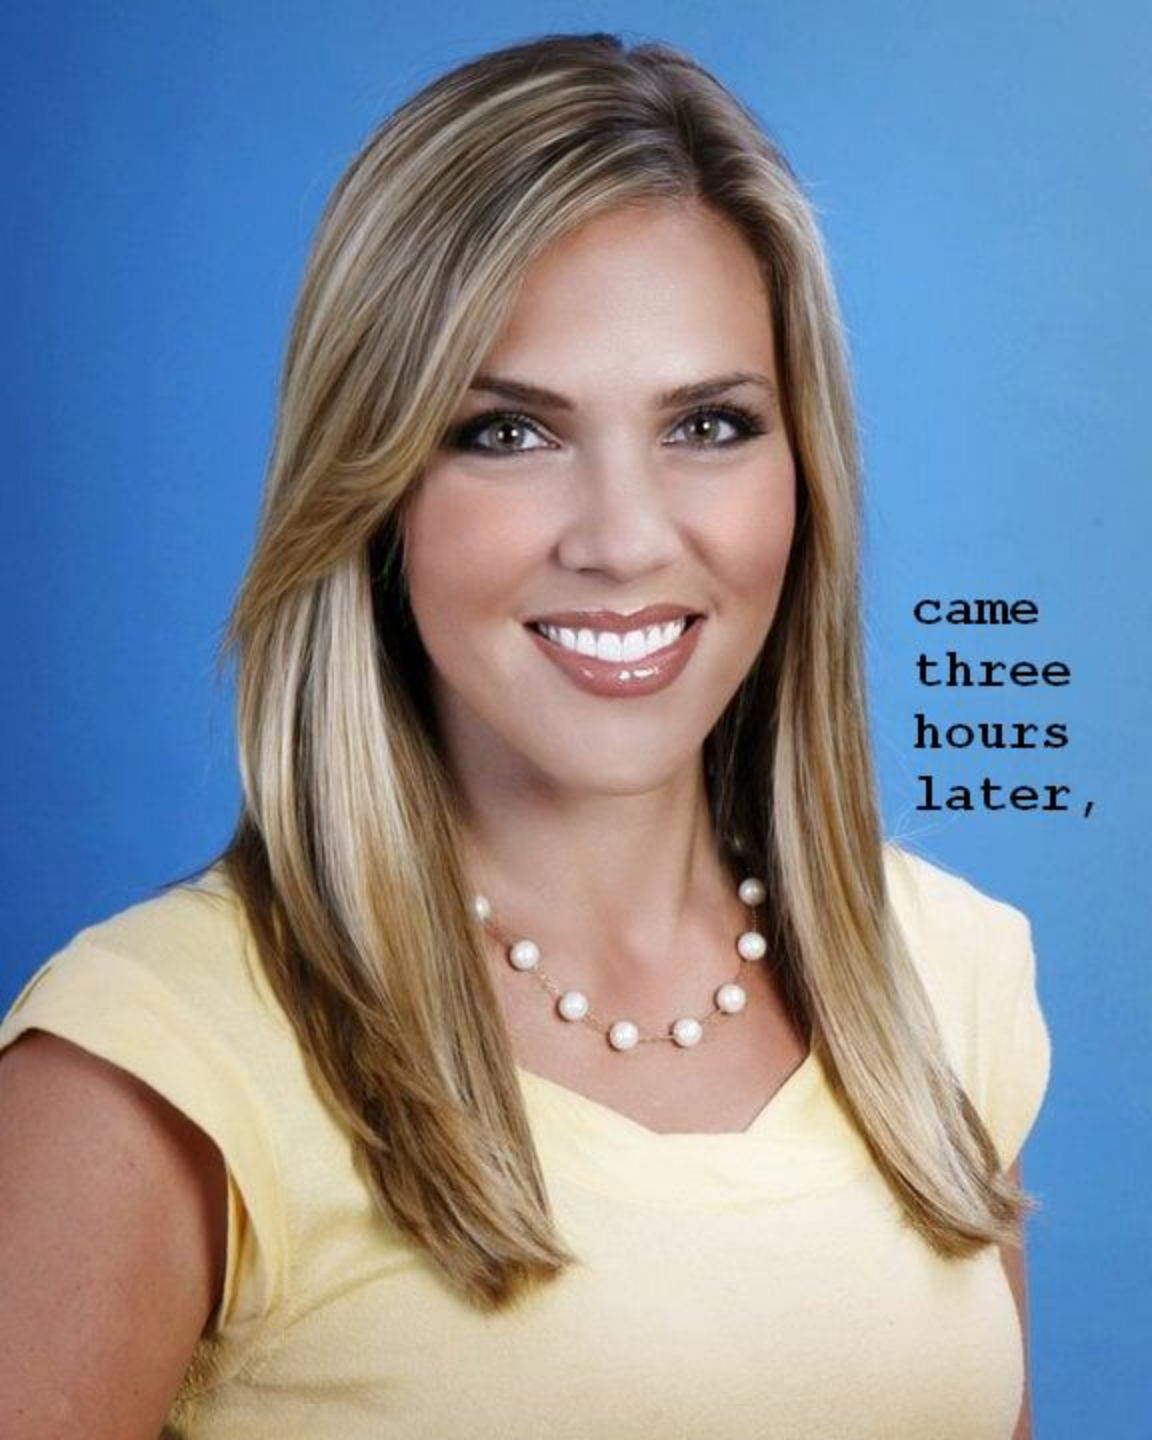

The End

The
HEIGHT
of her
pleasure

came
three
hours
later,

with him
crying
and
BEGGING

while
trying to
persuade
her,

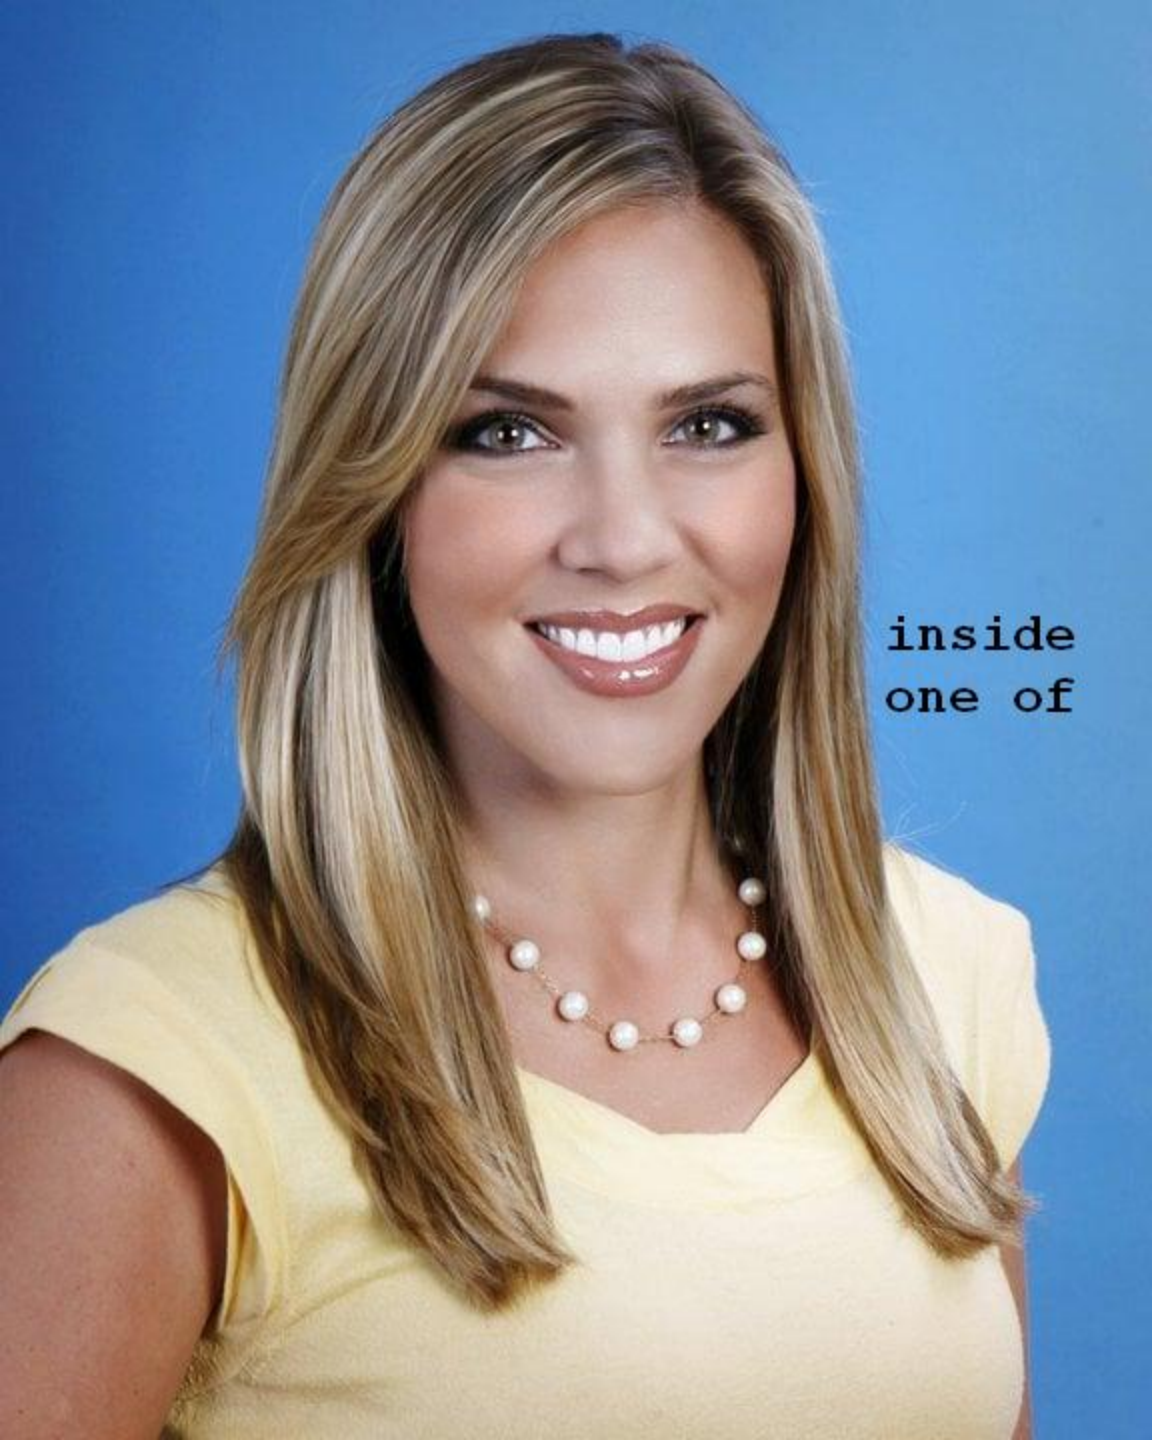

to
grant the
release

he SO
badly
NEEDS,

as she
locked
him BACK
up

inside
one of

THESE !

NOOOOOOOOOOOO!

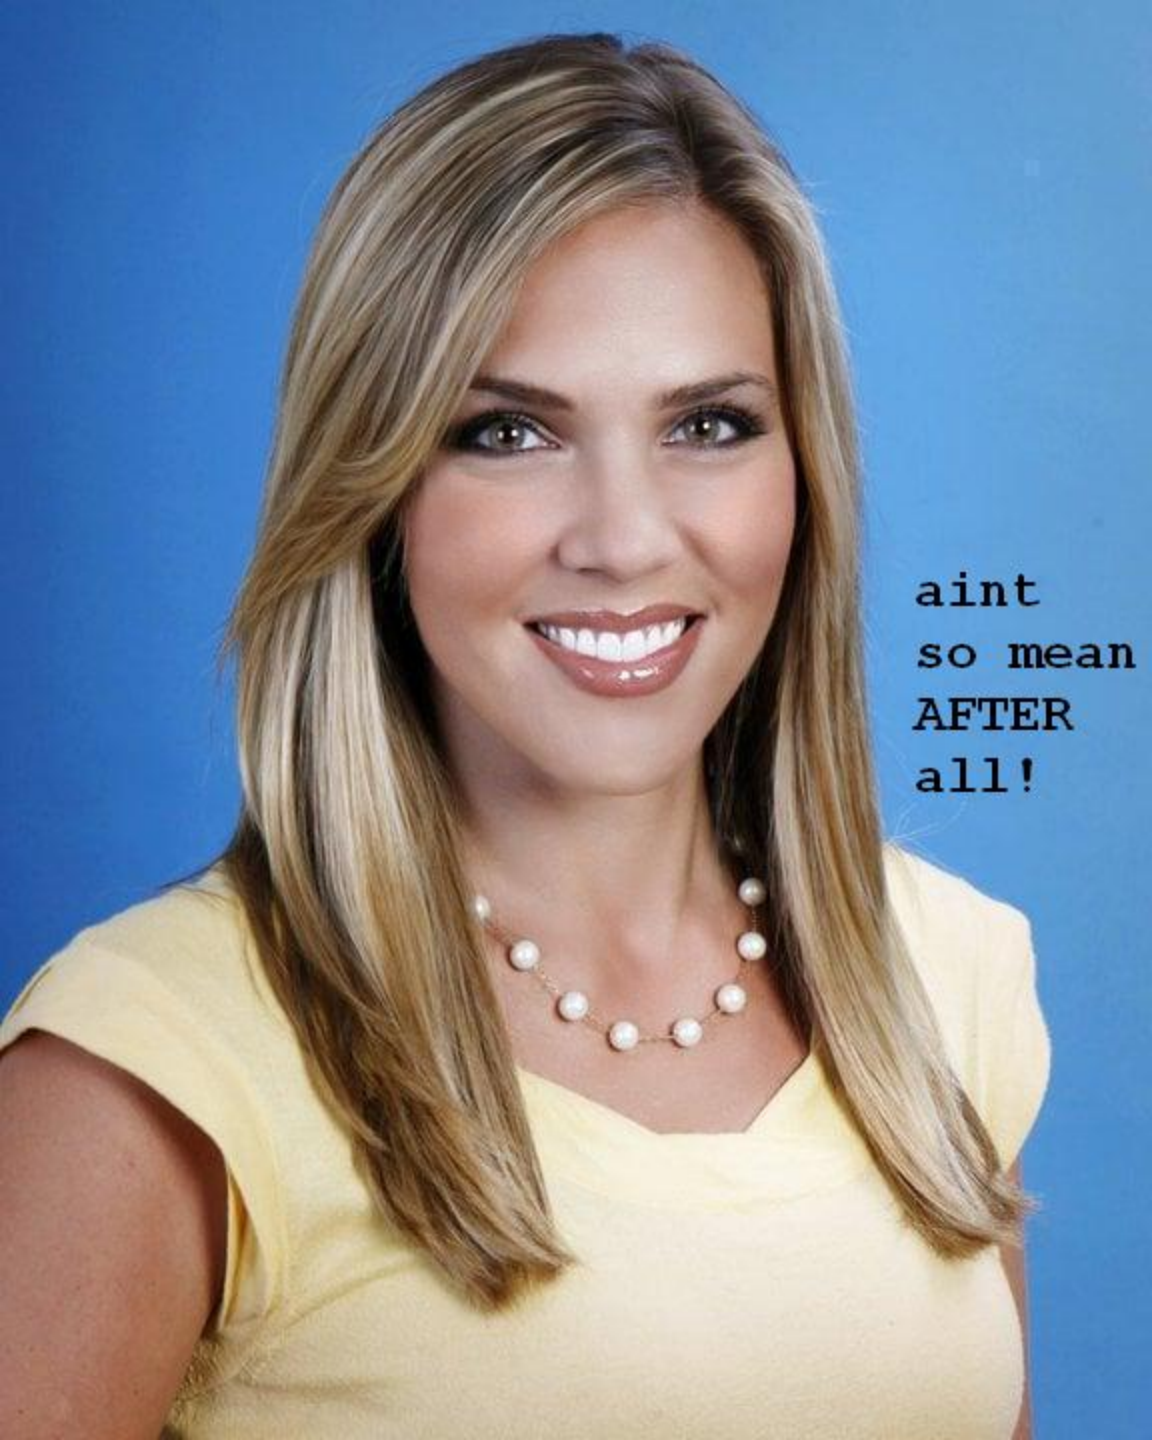

Now the
MORAL
of this
story,

that YOU
should
recall,

is that
maybe
YOUR
Mistress

aint
so mean
AFTER
all!

Huh?
