

Here is a Woman with some quite
sage advice

about doing something for your
Mistress

she may WANT you to each day
more than TWICE

This is the
story of a Woman
living in BLISS,
with a very
submissive man
who always
WANTS to
do THIS,

without
having to be
TOLD all it
takes to truly
PLEASE his
Mistress,

is a little
SPECIAL
attention,

"And A Very INTIMATE Kiss!"

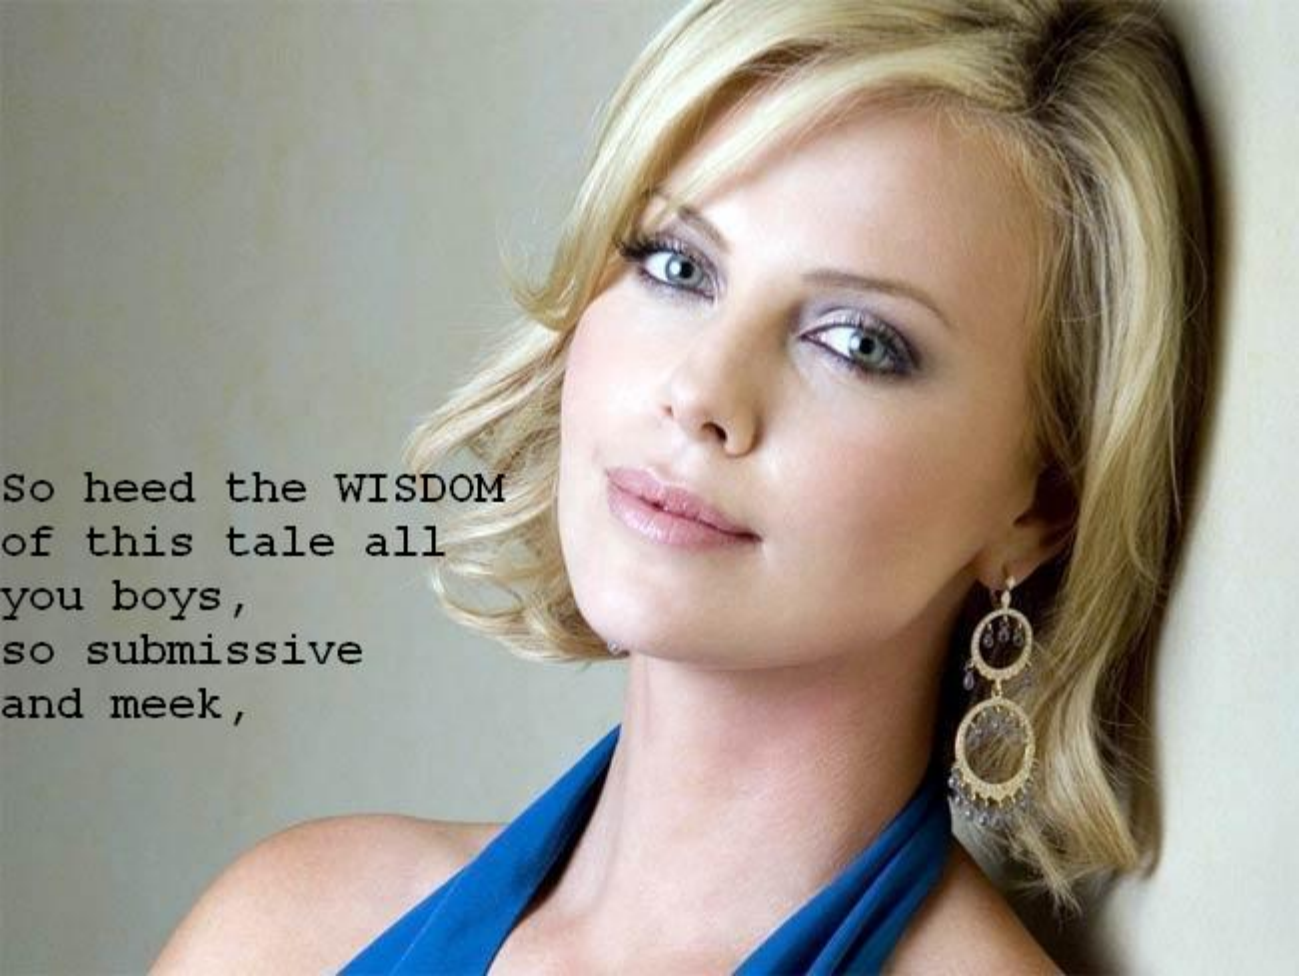

The End

So heed the WISDOM
of this tale all
you boys,
so submissive
and meek,

and maybe YOUR
Mistress will
let you cum more
than just ONE
time each week!

Huh?
