

He didn't argue at all or put up a fight he just did like she wanted him to EVERY night

He whimpered "Yes Mistress!" and laid naked face up the way that she said

and she fastened his wrists and his ankles to each corner of the bed

And when she
was finished
with THAT
little task,

she looked
at her
handiwork
with
SATISFACTION

"And Just HAD To Ask"

Are you
COMFY
Honey?

Yes Mistress!

GOOD!

I'm gonna go take
a LONG hot shower,
and when I'm done,
you know what I'm
gonna DO?

No Mistress!

I'm going to get on top
of you, shove my clean
wet pussy in your face,
and make you lick me
to ORGASM after mind
shattering ORGASM

while I'm jerking off
your throbbing cock
and denying YOU the
orgasms you will be
BEGGING and LEADING
with me to allow you
to have!

Will you
LIKE that
Honey?

No Mistress!

GOOD!

Now THINK about what
that's gonna be LIKE for you
while I'm taking my LONG hot
shower!

Yes Mistress!

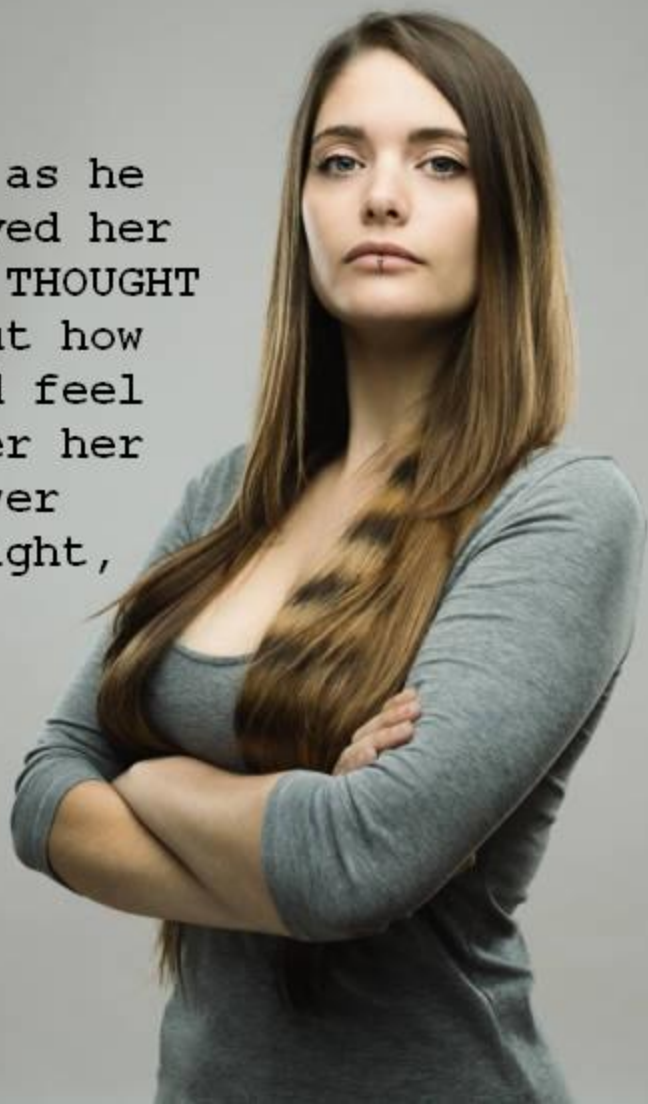

The End

And as he
obeyed her
and THOUGHT
about how
he'd feel
after her
shower
tonight,

he PRAYED
and he PRAYED
with ALL of
his might

because she
hadn't let
him cum for
a LONG time,
it'll be
two weeks
tonight!

DIDN'T
he?
