

We don't readily admit to the fact that
we are

greatly turned on by hand washing her
panties and bra

And the erections THAT gives us are none
to compare

with the ones that we get just by
brushing her hair

And though we try hard to hide it, you
will see in this missive

that some women have their ways to PROVE
we're submissive!

A woman with long blonde hair is sitting on a bed with a bright pink duvet. She is wearing a black strapless top, a white skirt, black tights, and black heels. She is smiling and looking towards the camera. In the background, there are floral curtains, a black and white polka-dot bag, and a mug with the number 18 on it.

Are YOU a
submissive
male?

Come on,
you can
tell ME!

You're
NOT?

OK, then
read this
short story

"And Prove It To Me"

God,
my hair
is a mess!

SLAVE !

"YES,
MISTRESS?"

Get your
ass in
here and
brush my
hair!

NOW!

The End

OOOOOOOH!
You were a
BAD boy!

You LIED
to me!

And do you
want to know
what I DO to
bad boys who
lie to me?

"Yes
Mistress!"

Yeah,
I can SEE
that you
do!
