

A cautionary tale for a submissive male
like you

about the WHEN of the obedience she'll
be expecting of you

There was a
submissive man
who learned
ALL about hell

the night his
Mistress came
into their
"PLAY" room

"And Said To Him"

WELL?

Does it
HURT, slave?

OH GOD YES
MISTRESS!

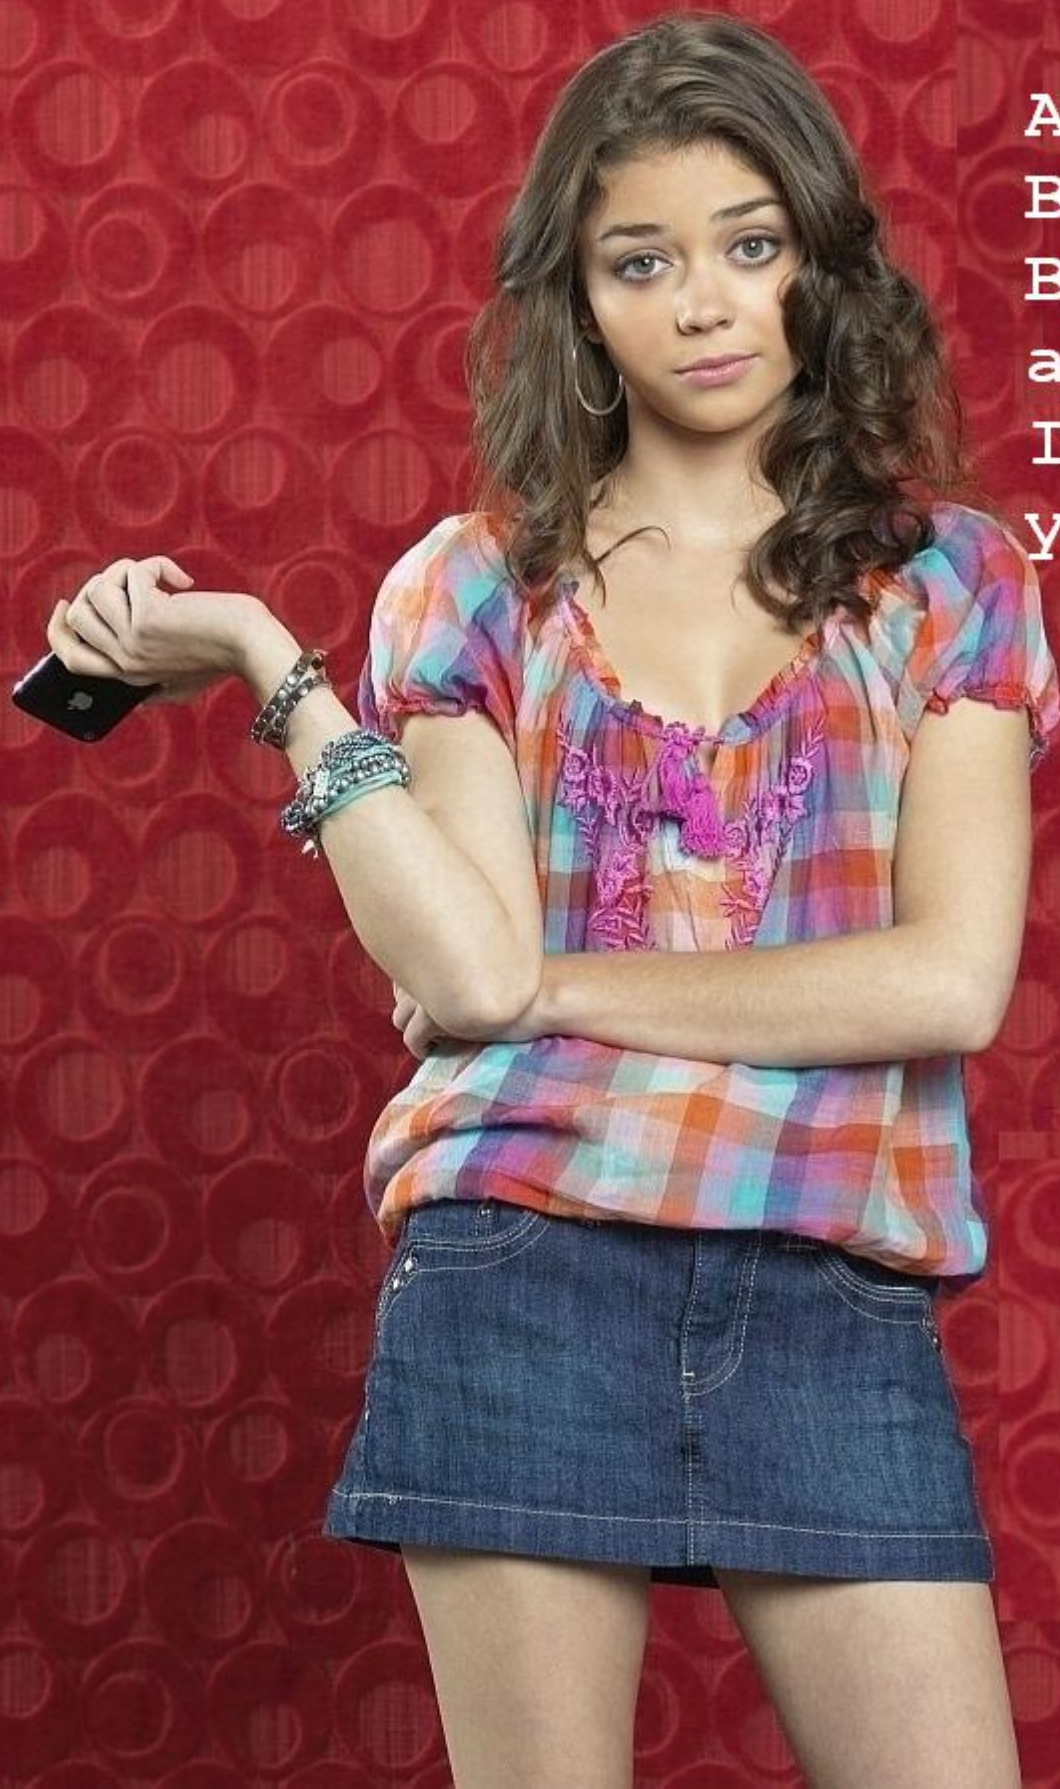

IT HURTS
REALLY BAD
MISTRESS!

GOOD!
Now you know how
I feel when you
disobey me in
front of my
Girlfriends,

AFTER I've
BRAGGED and
BRAGGED to them
all how well
I've trained
you,

and you make a
TOTAL fucking
FOOL out of me
in front of them
like you just
DID!

They're LAUGHING
at me on EVERY
social media site
slave!

GOD !
You have NO
idea how much
that hurts!

But you WILL,
mother fucker!

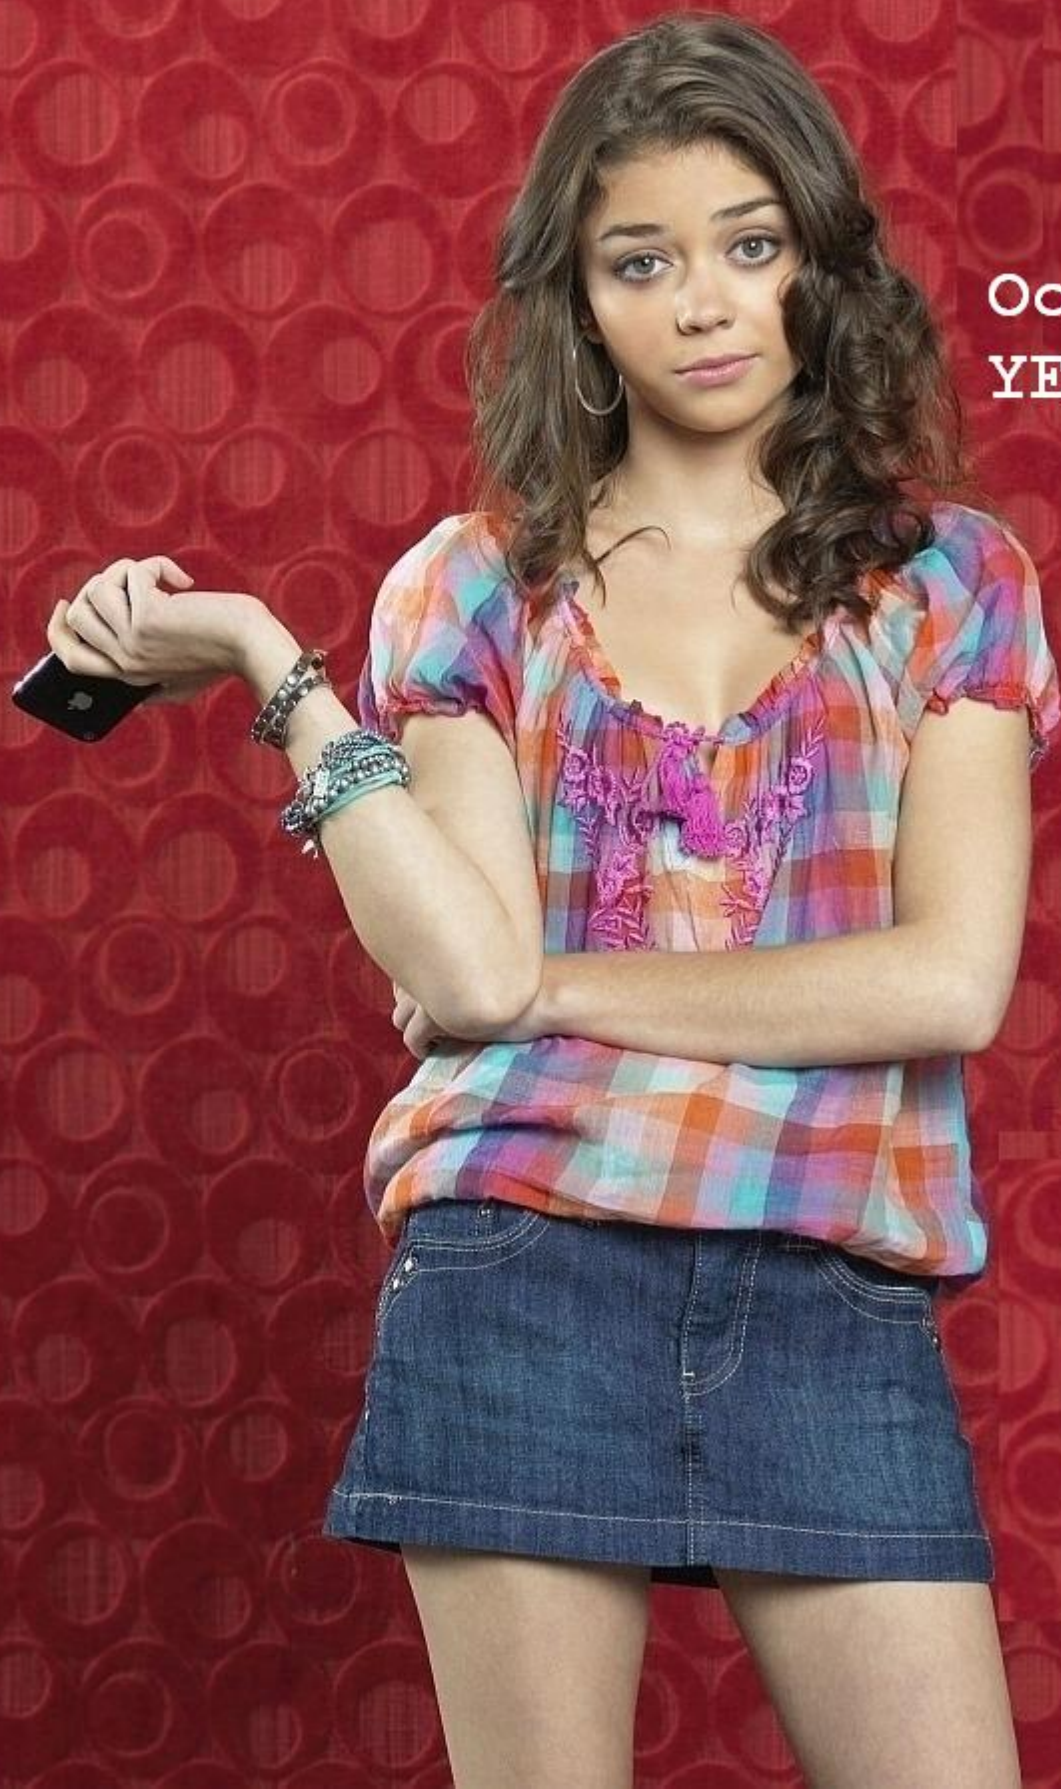

Sleep WELL slave!
I'll see YOU in
the MORNING!

OH MY GOD
MISTRESS!
NOOOOOOO!

NOOOOOOOO!

Ooooooh
YES slave!

YES!

Good night!

The End

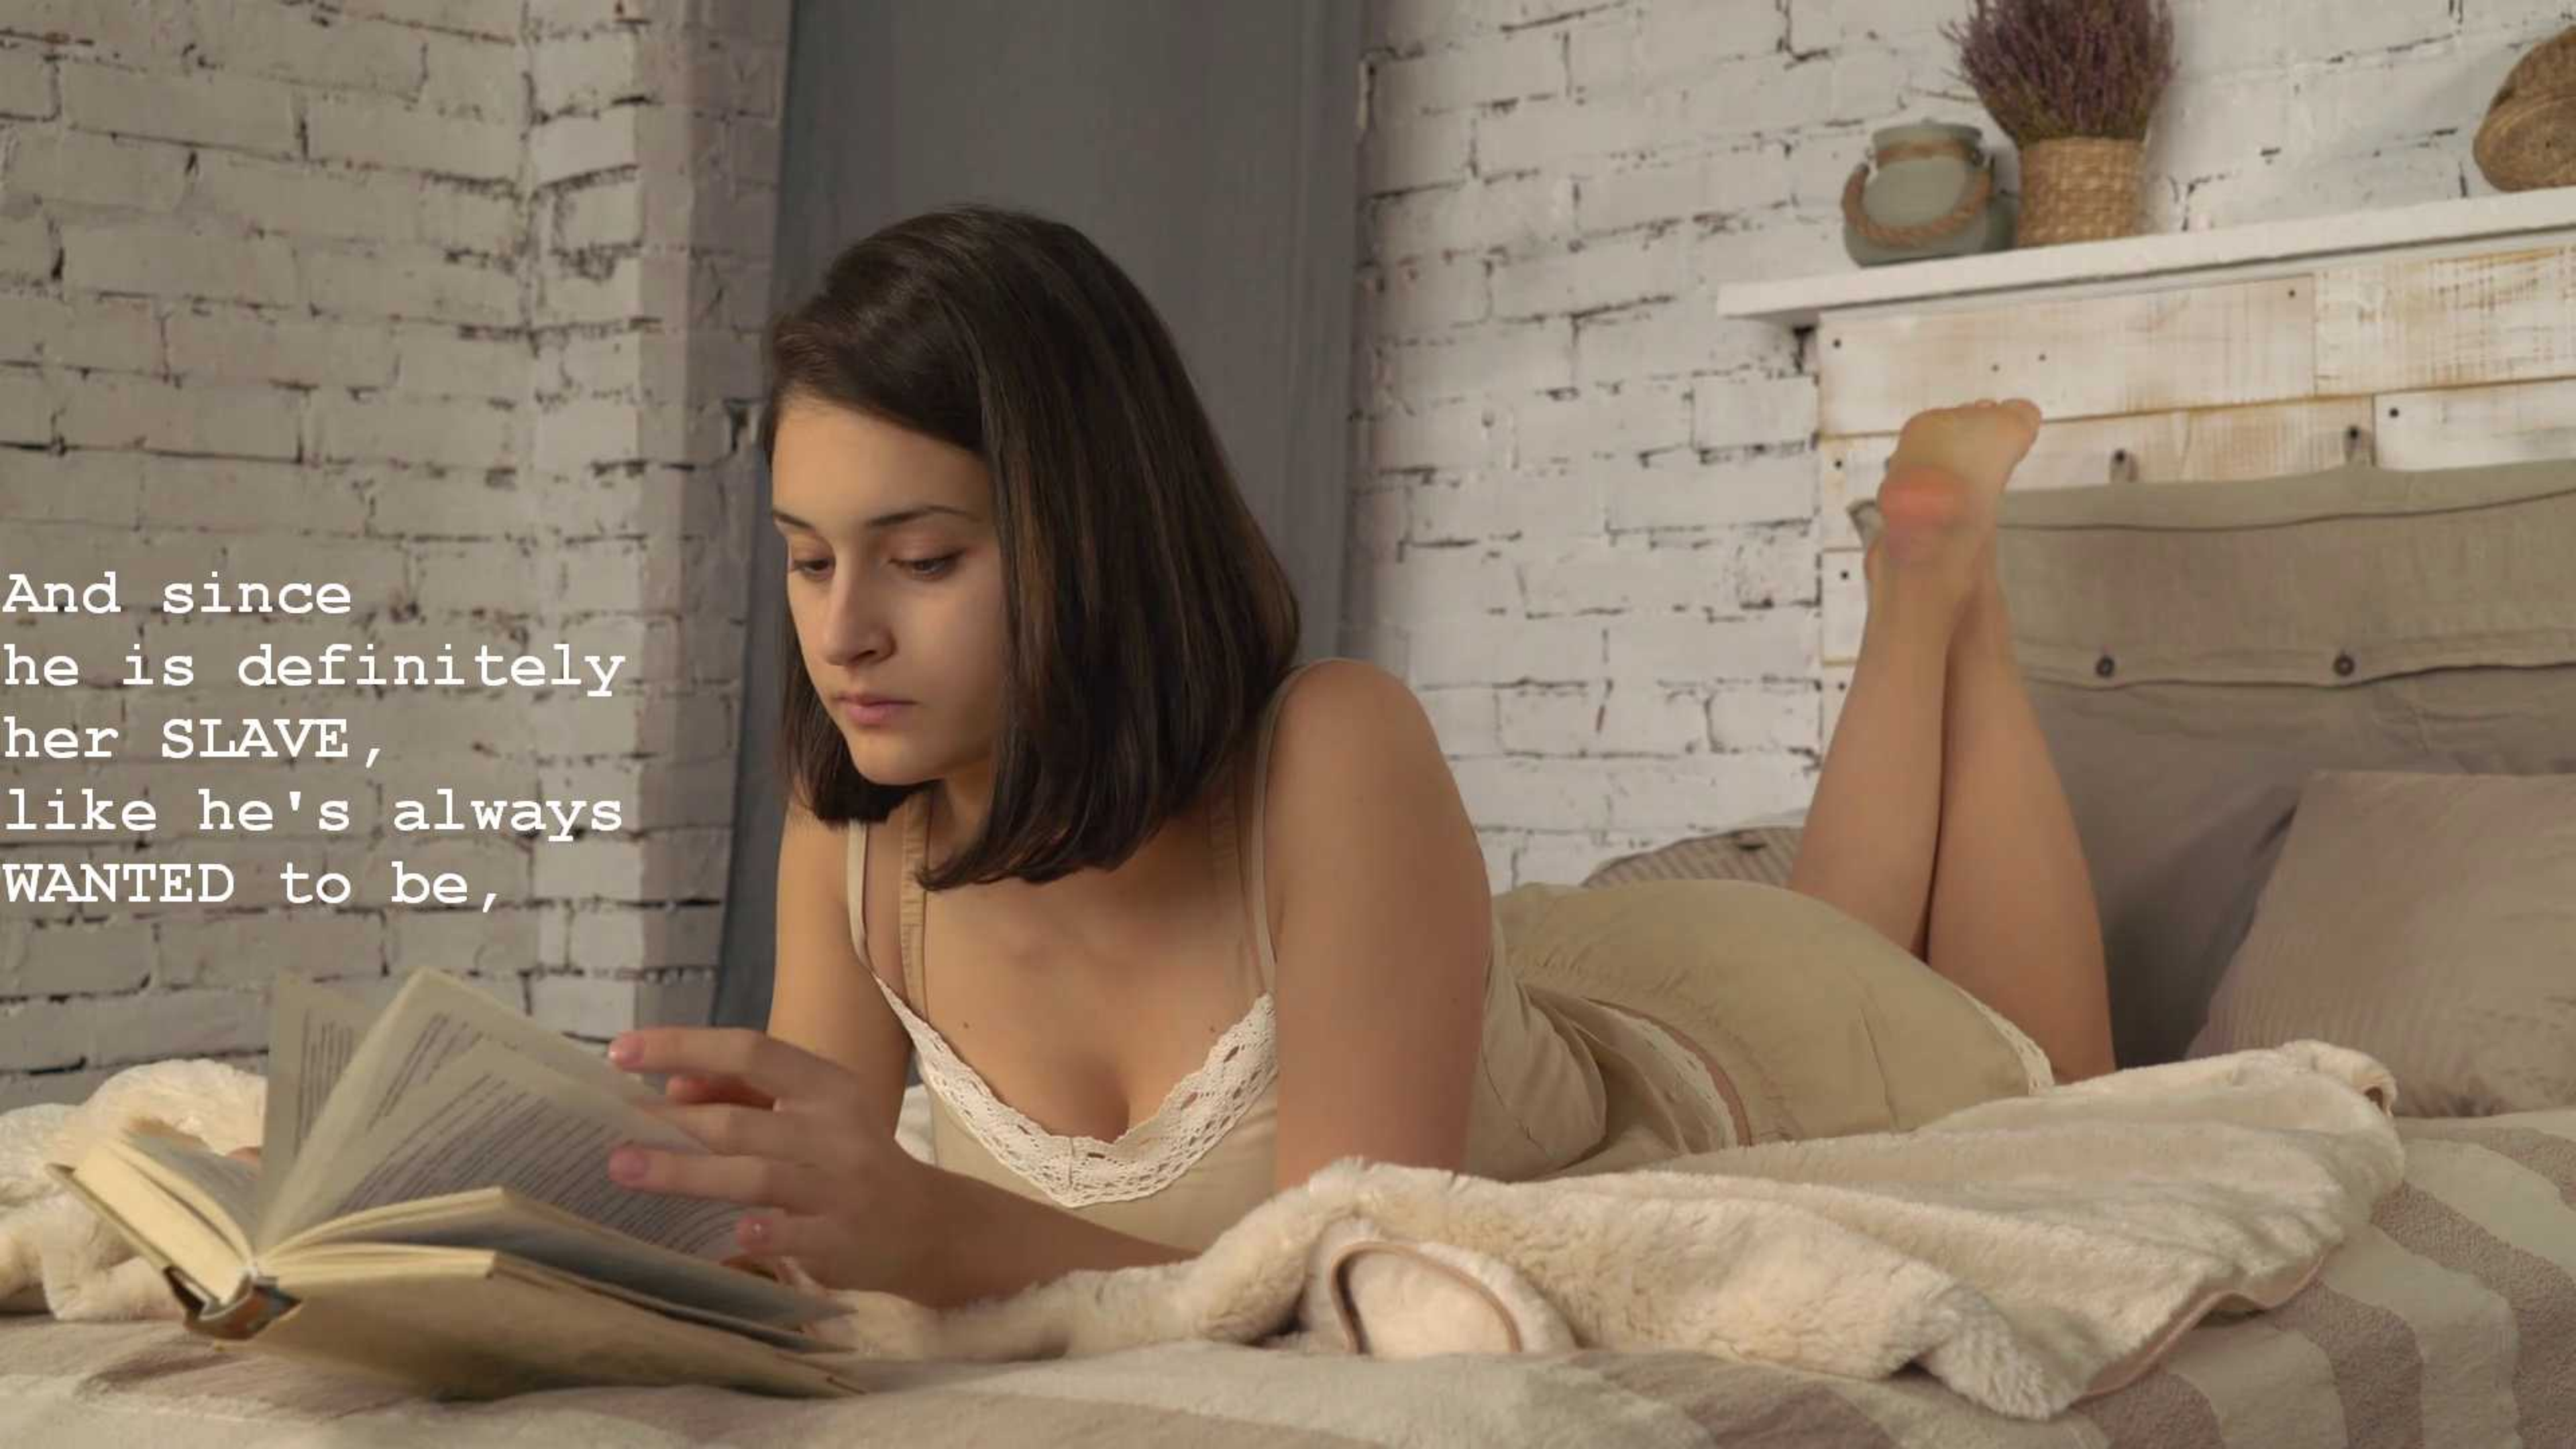

And although
THIS kind of
punishment I
MYSELF don't
condone,

I feel that
a slave SHOULD
obey his Mistress
even when they
AREN'T alone!

And since
he is definitely
her SLAVE,
like he's always
WANTED to be,

he should be an
OBEDIENT slave
at ALL times!

SHOULDN'T he?
