

As I sit sipping my wine enjoying
the sight

of my slave kneeling ready to serve
and obey me tonite

I think how I LOVE his obedience and
servitiude that just doesn't cease

and how I wish I had a way to
finally GIVE him release

Thank you for
serving me my
wine slave!

You're
welcome
Mistress!

And thank you for
always obeying me
immediately!

You're
welcome
Mistress!

Ooooooh YEAH
Ladies, HE is a
GREAT slave!

The best slave
I've EVER had!

God, I had to
punish all my
OTHER slaves to
get THEM to obey!

But NOT him!

Not even ONCE!

slave, if there
was SOME way that
I could HELP you,
I WOULD!

I mean that
HONESTLY slave!

Thank you
Mistress!

But unfortunately
your OLD owner

REALLY wanted
you to suffer!

"And SO,"

Do they
HURT
slave?

A woman with blonde hair, wearing a red strapless corset and long black gloves, is smiling and touching the arm of a man. The man's arm is visible on the right side of the frame, wearing a red wristband and a pink sleeve. In the background, there are some hanging decorations, including a red apple and some dark berries. The setting appears to be indoors with a stone wall on the left.

**YES
MISTRESS!**

Yeah, I kinda
thought they
would!

ESPECIALLY
cause they've
been locked
up without
cumming
ONE drop
for TWO
years!

But you don't
CARE if they
hurt as long
as I take
that
throbbing
erection
in my
HAND

and stroke it
until I FINALLY
give you
permission to
CUM!

And you want
to cum more
than you've
ever wanted
ANYTHING
else in
your
ENTIRE
life,
DON'T you
slave?

**YES
MISTRESS!**

Ooooooh YES
slave!
I KNOW!

You may
castrate
him now
Maureen!

OH MY GOD NO MISTRESS!
NOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO!

With
PLEASURE
Beth!

A woman with long dark hair is wearing a black latex halter top and a large, shiny metal collar that resembles a pair of handcuffs. She is also wearing a star-shaped earring and a chain necklace. The background is a blurred industrial setting.

Say
Bye Bye to
them slave!

OH GOD
NOOOOOOOOOOOOOO
OOOOOOOOOOOOO!

The End

Of a VERY
sad story!

Huh,
slave?

Yes
Mistress!

You may go and
finish ironing my
clothes now,

I'll call
for you if
I need you!

Yes
Mistress!

THANK you,
slave!
