

We shiver and CRINGE at the mere
THOUGHT of castration

but we'll GIVE them to her with
NO hesitation

Tell them
the story
of how I
began your
new life

as a slave
TOTALLY
obedient
to his
dominant
wife

and how
QUICKLY
it took me
on that
wonderful
day

to makee
YOUR
manhood
MINE

"And Take It Away!"

NOW!

Yes Mistress!

Once
upon a
time

I was
sternly
told

**THESE are
MINE !**

And you'll be
an obedient
SLAVE to me
ALL of the
time!

So I
told
her

YES MISTRESS!
TAKE THEM !

and I
began
my new
life

naked
on my
knees
SERVING

and OBEYING

my very
dominant
Wife!

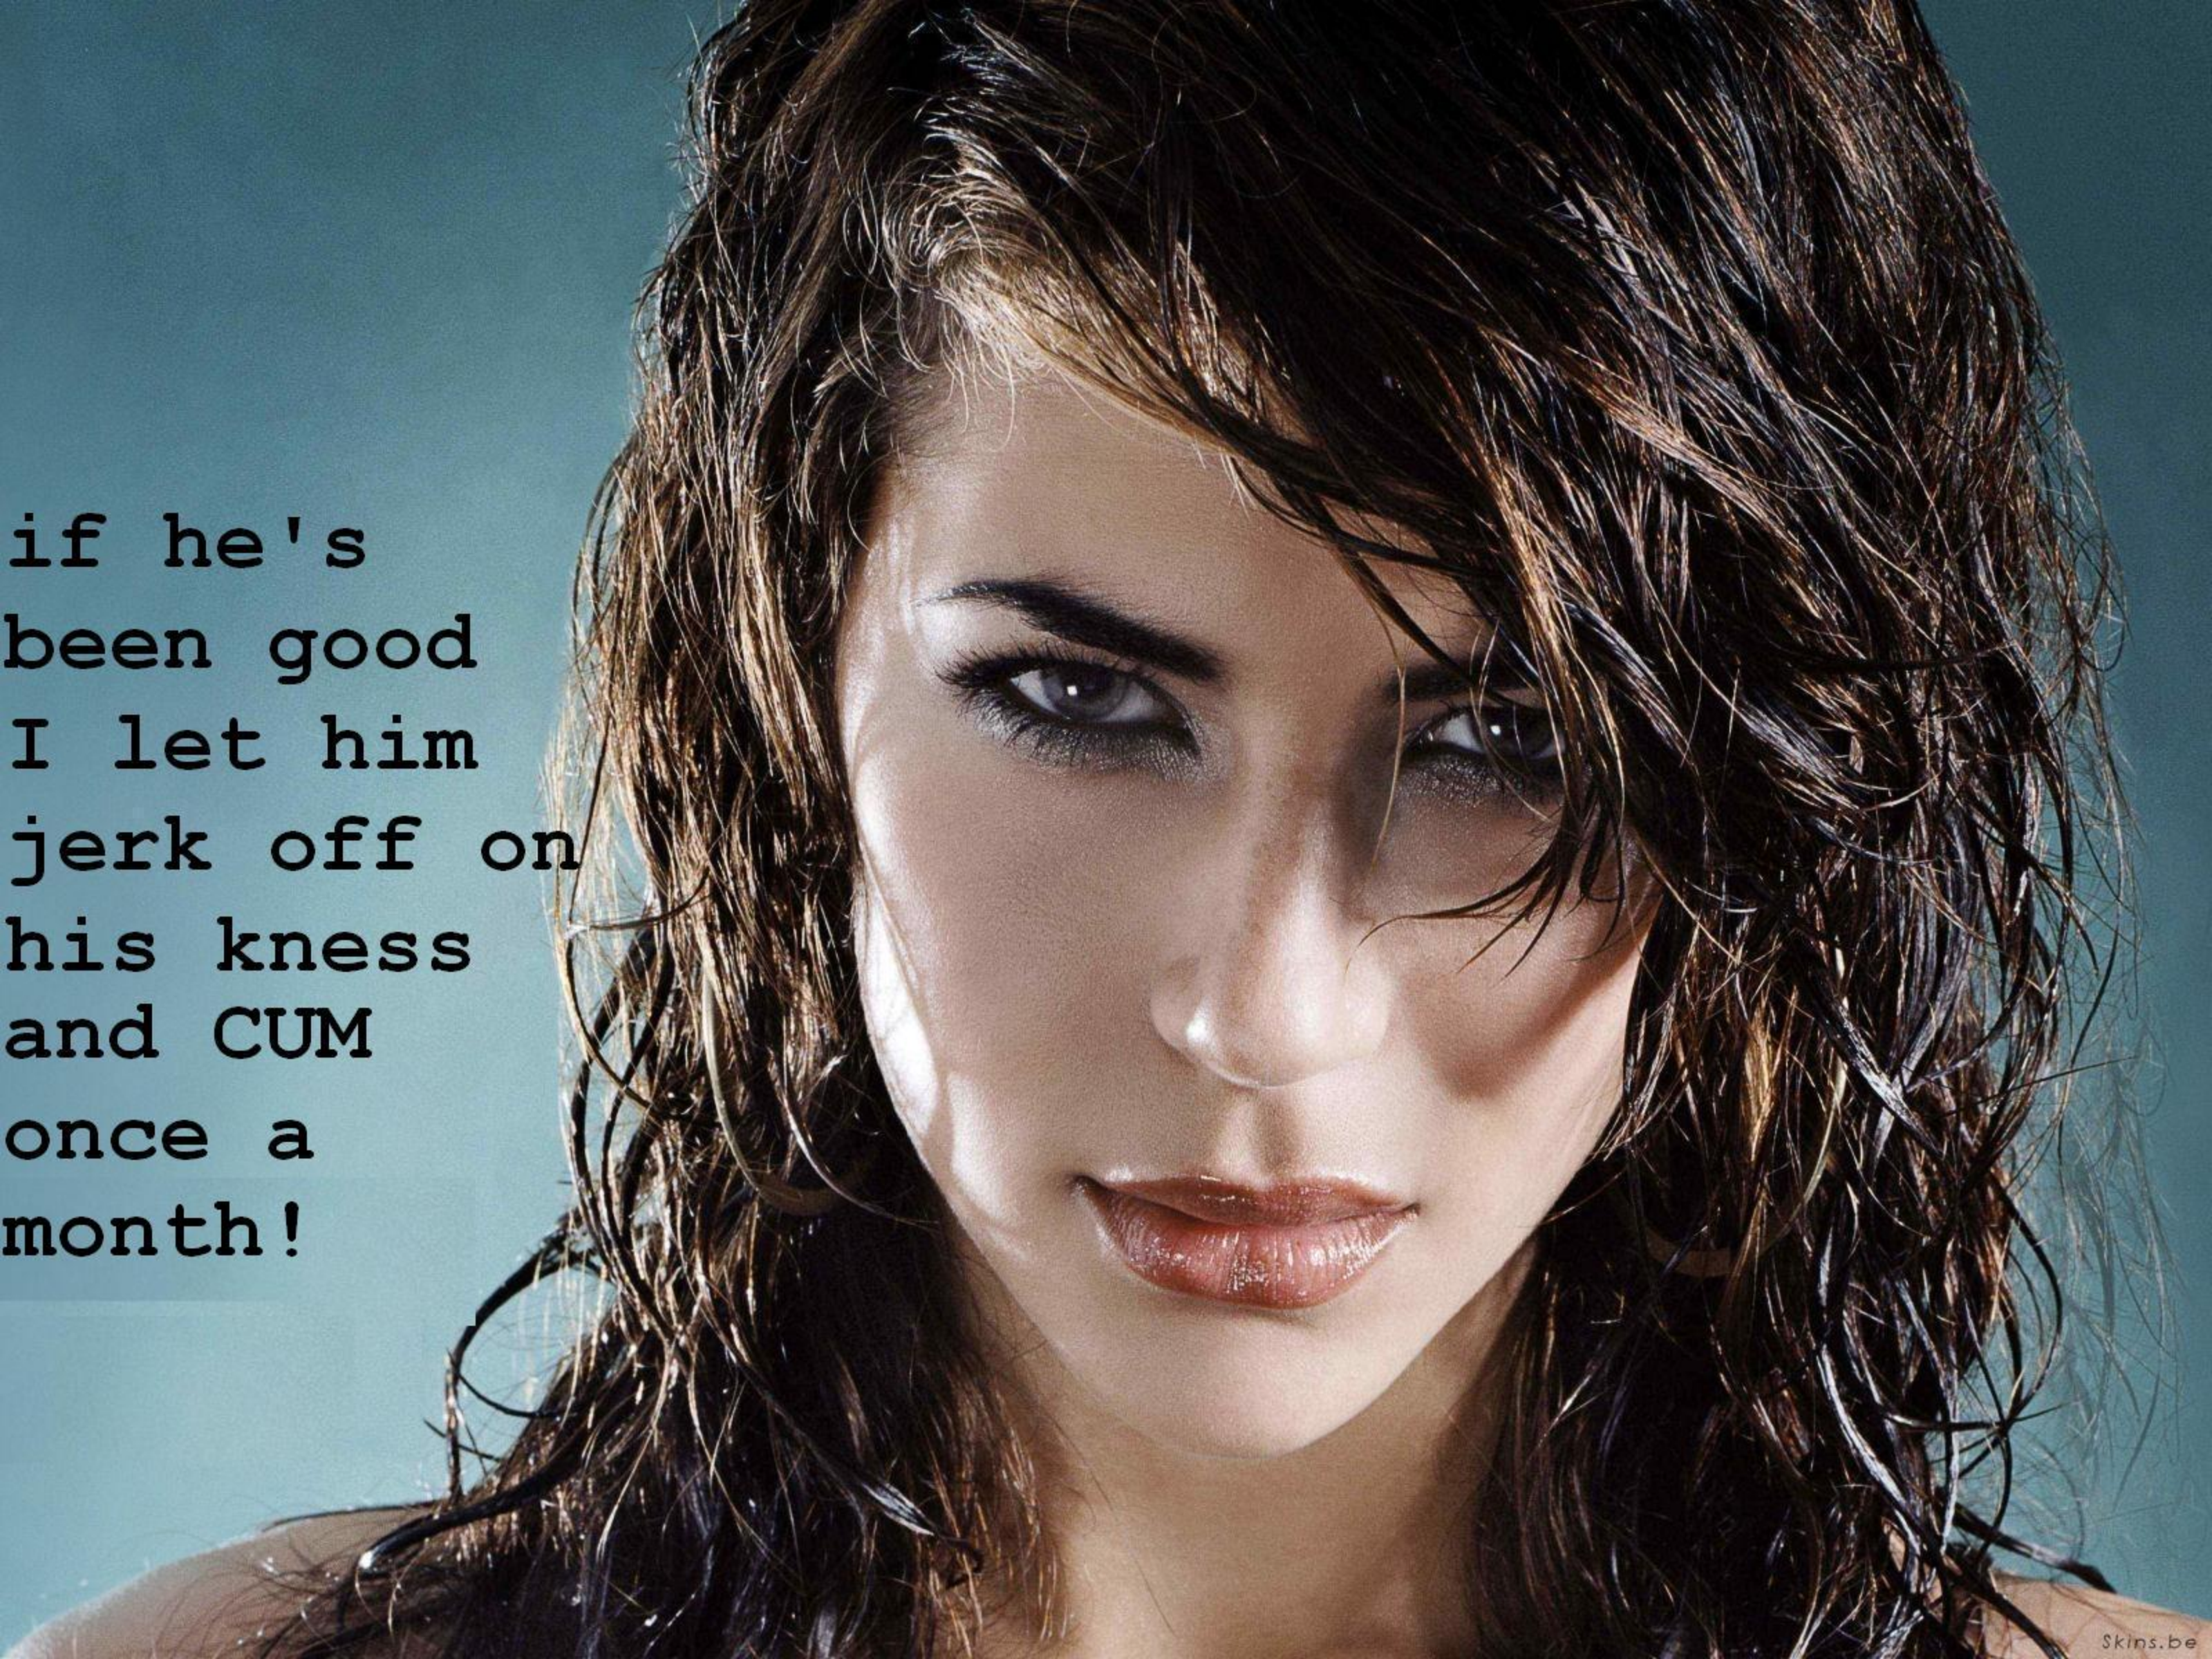

The End

And though
I AM a
strict
BITCH,

AND a
castrating
CUNT,

if he's
been good
I let him
jerk off on
his kness
and CUM
once a
month!

DON'T I,
slave?

Yes Mistress!

**Thank you
Mistress!**

You're
welcome
slave!

Now say
BYE to the
Girls and
crawl your
ass out to
the car!

Yes Mistress!

BYE Mistresses!

A photograph of three women in a living room. One woman is standing on the left, wearing a striped shirt and jeans. Two women are sitting on a red sofa; one is wearing a white shirt and the other a pink strapless top. The background includes a staircase, a painting of a cafe, and a potted plant. The text 'BYE slave!' is overlaid on the image in three locations.

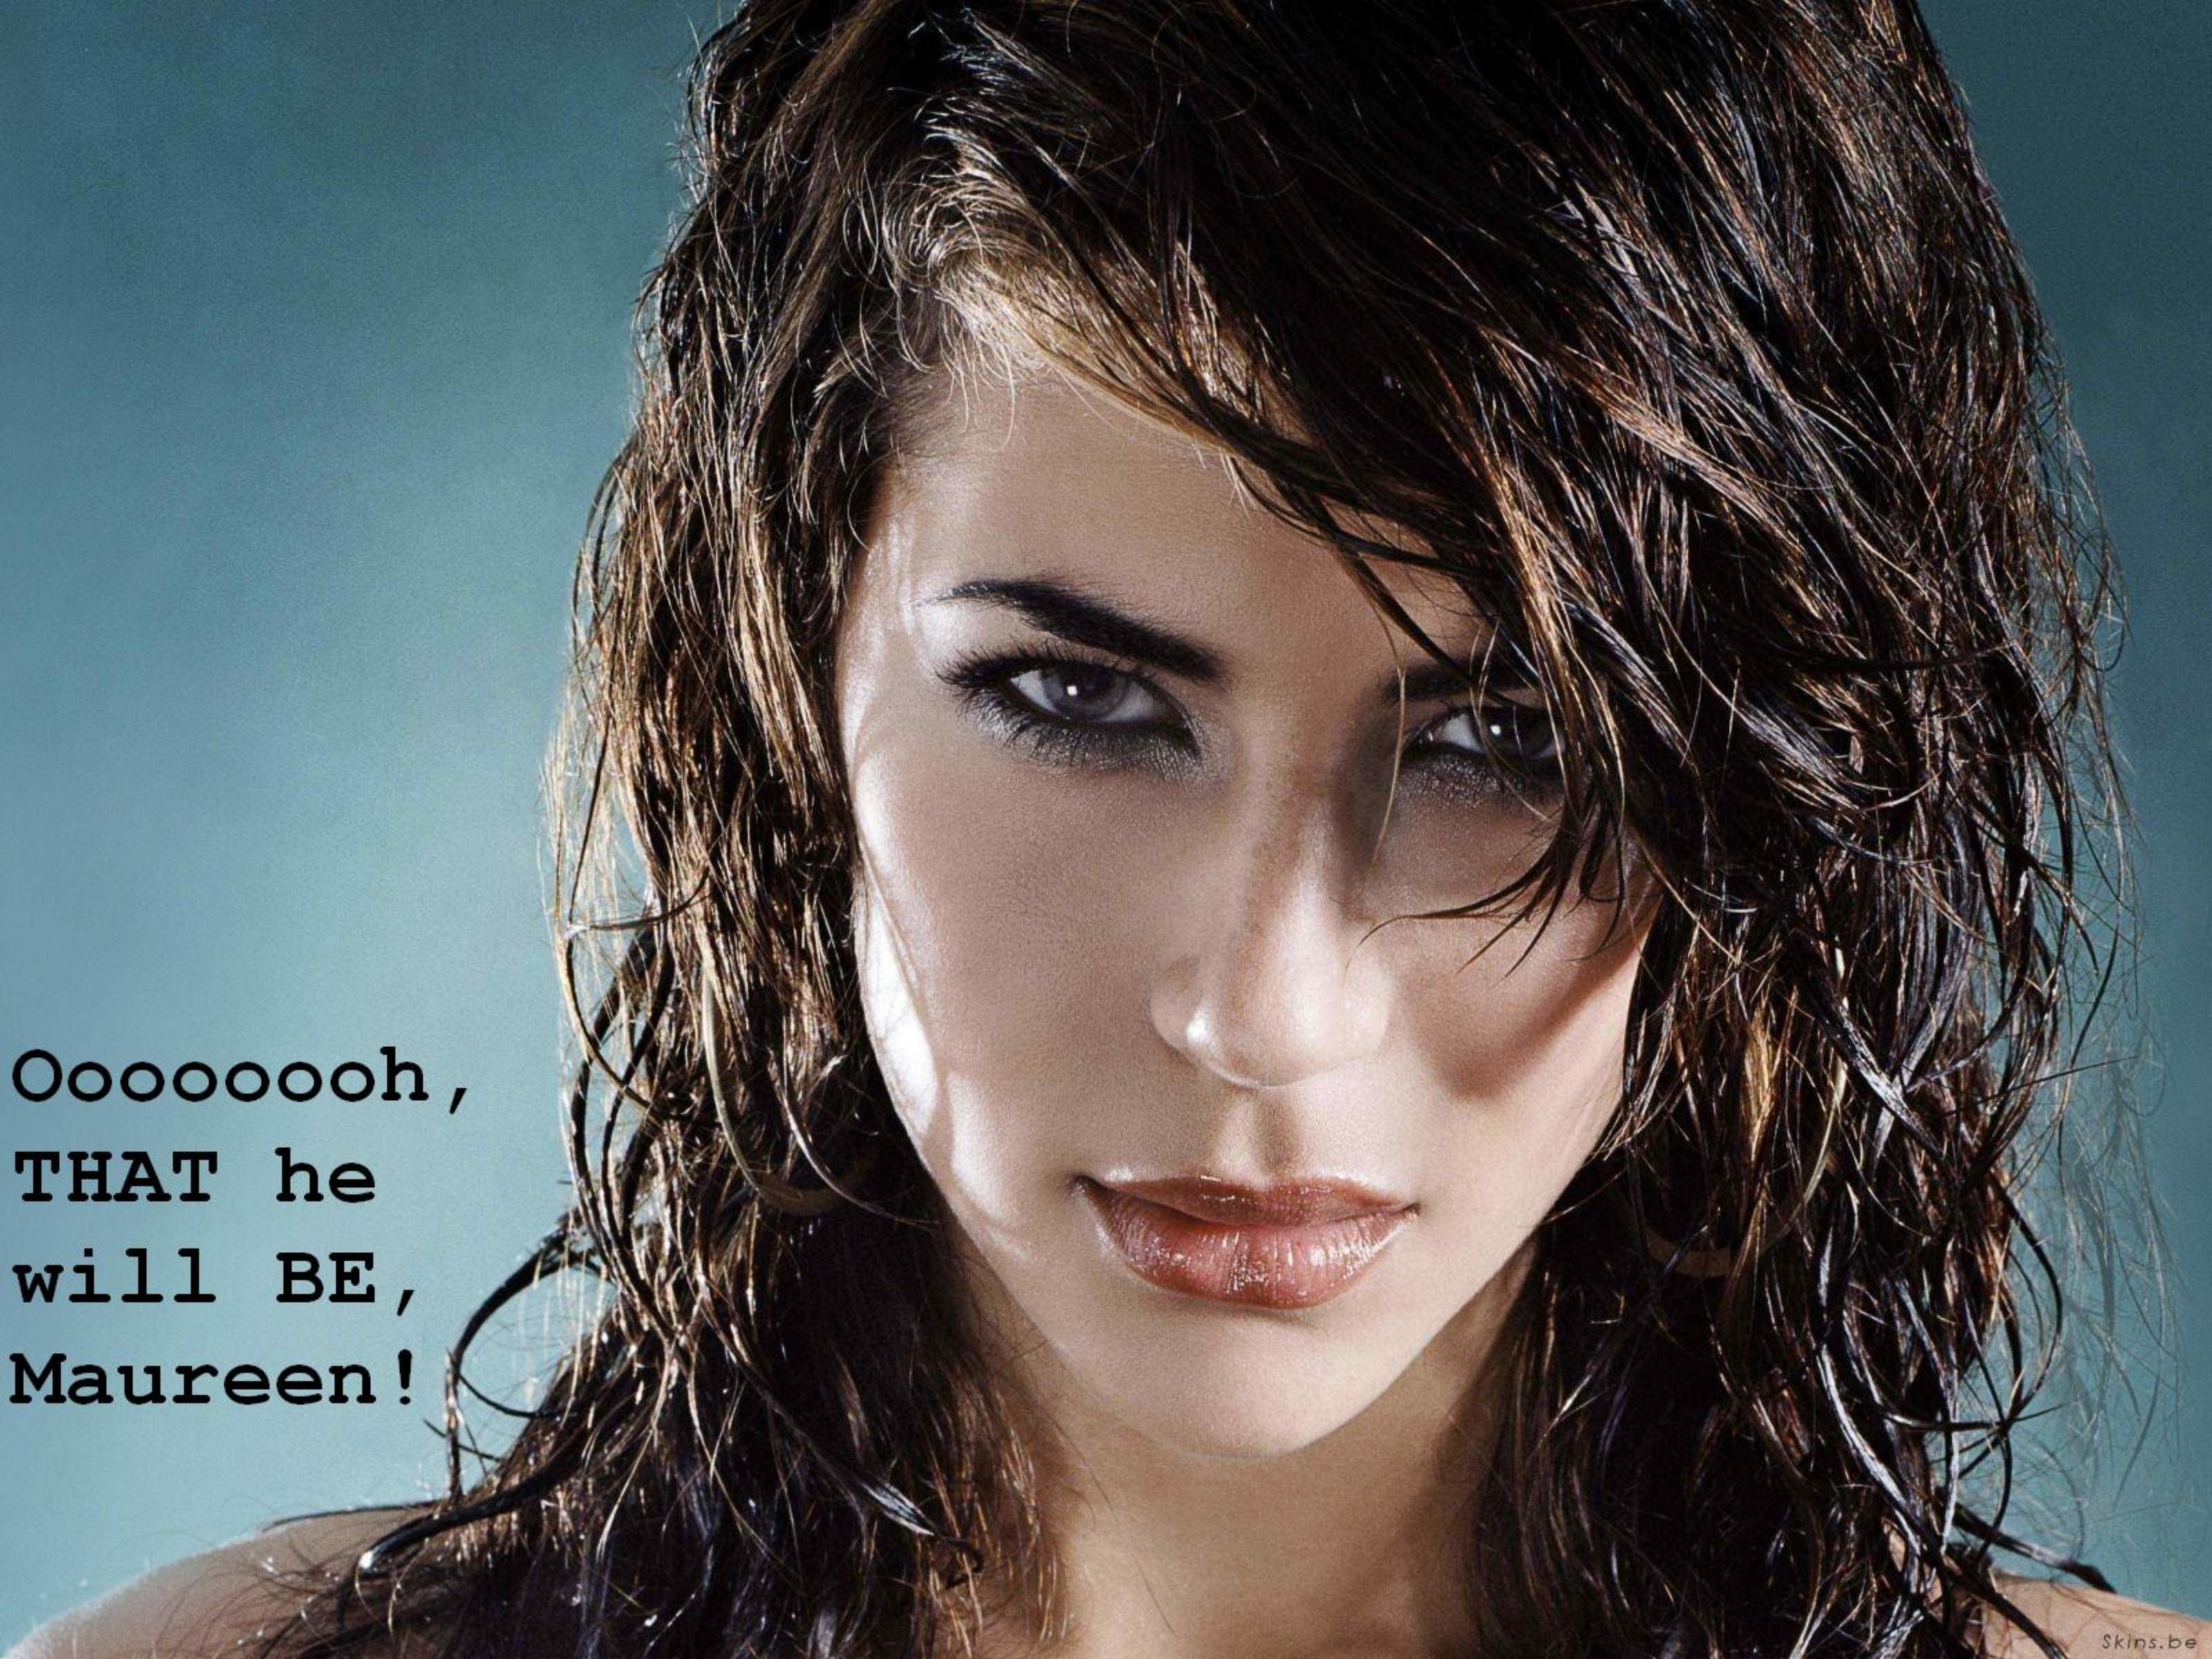

BYE
slave!

BYE
slave!

BYE
slave!

And be GOOD
for your
Mistress!

Oooooooh,
THAT he
will BE,
Maureen!

WON'T he?
