

Before you commit to a
submissive life

with your Dominant Girlfriend or
Dominant Wife,

take a few moments and take it
to task

to think of a few questions that
you MAY want to ask

I'm
gonna
be **STRICT**
slave,

that
fact I'm
confessing,

so before
I begin

do you
have

"Any Questions?"

And I
QUOTE,

from the
"Mistresses
Handbook",

"A Mistress
should ensure
that her slaves
balls constantly
ache from a
combination of
keeping them
full of come and
regularly
torturing them!"

SO!

Do you have
any questions
about what

THIS

is for?

"NO
MISTRESS!"

GOOD!

And do you have
any questions
about what that
belt on the bed
is for?

"NO
MISTRESS!"

GOOD!

And do you have
any questions
about what's
going to happen
NEXT?

"OH GOD, NO
MISTRESS!"

"NOOOOOOOOO
OOOOOOOOOO!"

GOOD!

The End

And so
I ask
YOU,

my
submissive
one,

do you
have any
questions

at ALL
little
one?

And you
better
ask NOW

because
after
tonight,

I won't
ask you
AGAIN

for the
rest of
your life!

OK,
slave?

A photograph taken from a high angle showing a person in a crawling position on a light-colored, textured carpet. The person is facing away from the camera, with their head and arms tucked down towards the floor. They are wearing light-colored, pointed-toe high-heeled shoes. In the bottom left corner, a hand with light blue nail polish is visible, resting on a white lace-trimmed fabric. To the left of the person, there is a decorative golden object, possibly a lamp base or a vase. The text "YES MISTRESS!" is overlaid in a bold, black, sans-serif font on the right side of the image.

**"YES
MISTRESS!"**
