

There wasn't that big of a mob  
of applicants for THIS here job  
Most male job seekers weren't thrilled  
with the position she wanted filled  
But she tryed hard as women can  
and finally got HER kind of man.  
A man who'll go the extra mile  
who's used to living HER lifestyle!

I told my  
slave that I  
was tired of  
working and  
that I want  
HIM to  
support  
ME!

And do you  
know what he  
TOLD me?

He TOLD me that  
because he'd  
stayed home and  
been my slave  
all these years,  
that he had  
no job skills!

Can you  
fucking  
BELIEVE  
that?

He's been  
my slave  
for TEN  
years,

"no job  
skills"  
my ASS!

He can  
reply to

**"Applicant Needed"**

Thank you for  
returning my calls  
and being on time  
for this  
appointment.

I'm happy to see that  
you decided to come  
back and accept the  
position that I  
have open!

Like I told you on  
your first interview,  
the hours are going  
to be VERY long,  
the work will be  
un ending,

and for the first six  
months you will only  
be compensated once  
a month for your  
services,

but we both know  
that there's alot  
MORE to a position  
like this than  
issues of workloads  
and compensation.

I have services that  
I need to have  
performed for me  
both immediately  
and on an  
ongoing  
basis,

and I need someone  
who WANT'S to do  
that job!

I really want YOU to  
accept this position  
because I need some  
one who can perform  
the services that I  
need without  
me having  
to train  
him,

and you seem to have  
a natural ability  
and desire to  
PERFORM those  
services!

So, the position  
is YOUR'S!

You told me on the  
phone that you  
wanted to start your  
new position  
immediately so,

let's get you  
INTO your new  
position.

Get on your  
knees for me!

**NOW!**

"Yes Mistress!"

And you will  
BE in this  
position when  
ever you are  
in my presence!

"Yes Mistress!"

And NOW we will  
discuss your  
DRESS code!

Proper attire  
for your new  
position will  
consist ONLY  
of a ribbon  
tied in a loose  
bow around your  
balls so that  
you KNOW that  
they belong  
to ME,

and this  
chastity  
device, which  
you will put  
your limp cock  
into right NOW,

so you can't do  
anything stupid  
like make yourself  
COME without MY  
permission!

Now get this on  
your cock for me,  
IMMEDIATELY!

"Yes  
Mistress!"

Very Good,  
Now lock it  
in place!

And don't worry,  
I'll put this  
key in a nice  
SAFE place!

A blonde woman with long hair is seated on a light-colored wooden chair. She is wearing a black, short-sleeved, knee-length dress with white bows at the collar and on the sleeves. She is also wearing black high-heeled sandals with ankle straps. In her right hand, she holds a small key. The background features a large window on the right and a dark, curved structure on the left. The floor is covered with a green carpet that has some yellow and red stains.

Now get that  
ribbon tied  
around your  
balls!

"Yes  
Mistress!"

You don't have  
to tie them  
tight, I don't  
want them to  
hurt.

YET!

"Yes Mistress!  
Thank You Mistress!"

You're  
welcome.

OK!  
NOW we can  
discuss your  
pay!

IF you perform your  
services well during  
your six month  
probation period,

I will unlock your  
device and allow  
you to kneel in  
front of me and  
ejaculate by  
jerking yourself  
off ONCE a month!

Of course if you  
HAVEN'T performed  
your services  
satisfactorily  
that month, you  
will receive NO  
compensation at  
ALL that month!

Have I made my  
self CLEAR on  
that point?

"Yes  
Mistress!"

GOOD!

I'll raise you to  
WEEKLY compensation  
once you've  
successfully  
completed your  
six month  
probationary  
period.

That SHOULD provide  
an incentive for  
you to work hard  
and PROVE your  
self to me!

Do you have  
ANY questions?

"No  
Mistress!"

OK, then you may  
crawl behind me  
into my bed room!  
You have filing  
and painting  
to do on my  
nails,

brushing  
to do on  
my hair,

and alot of  
WORSHIPPING  
to be done  
between my  
legs while  
my nails are  
drying!

DON'T  
you?

"Yes  
Mistress! "

A woman with blonde hair, wearing a black dress with a white bow at the neck, stands by a large window. She is looking out at a city street with buildings and trees. The text is overlaid on the right side of the image.

God, it feels  
SO good to FINALLY  
have this position  
filled and hear  
"Yes Mistress"  
again!

**The End**

Wow!  
you know what  
that story  
tells ME?

"No  
Mistress"

It tells ME  
that I  
taught YOU  
some very  
valuable  
job skills

and YOU owe  
me some  
THANKS for  
that!

DON'T  
you?

"Yes  
Mistress!"

Well?  
What are  
you waiting  
for?

Get on your  
knees and  
DO it!

NOW!
