

"God, he'll be SO surprised!"

she thought with a grin

while patiently waiting

for April first to begin

This is  
the story

of Danny  
O'toole

and what  
HIS  
Mistress  
did

on HER  
first

**"April Fool"**

Don't  
worry  
Honey,

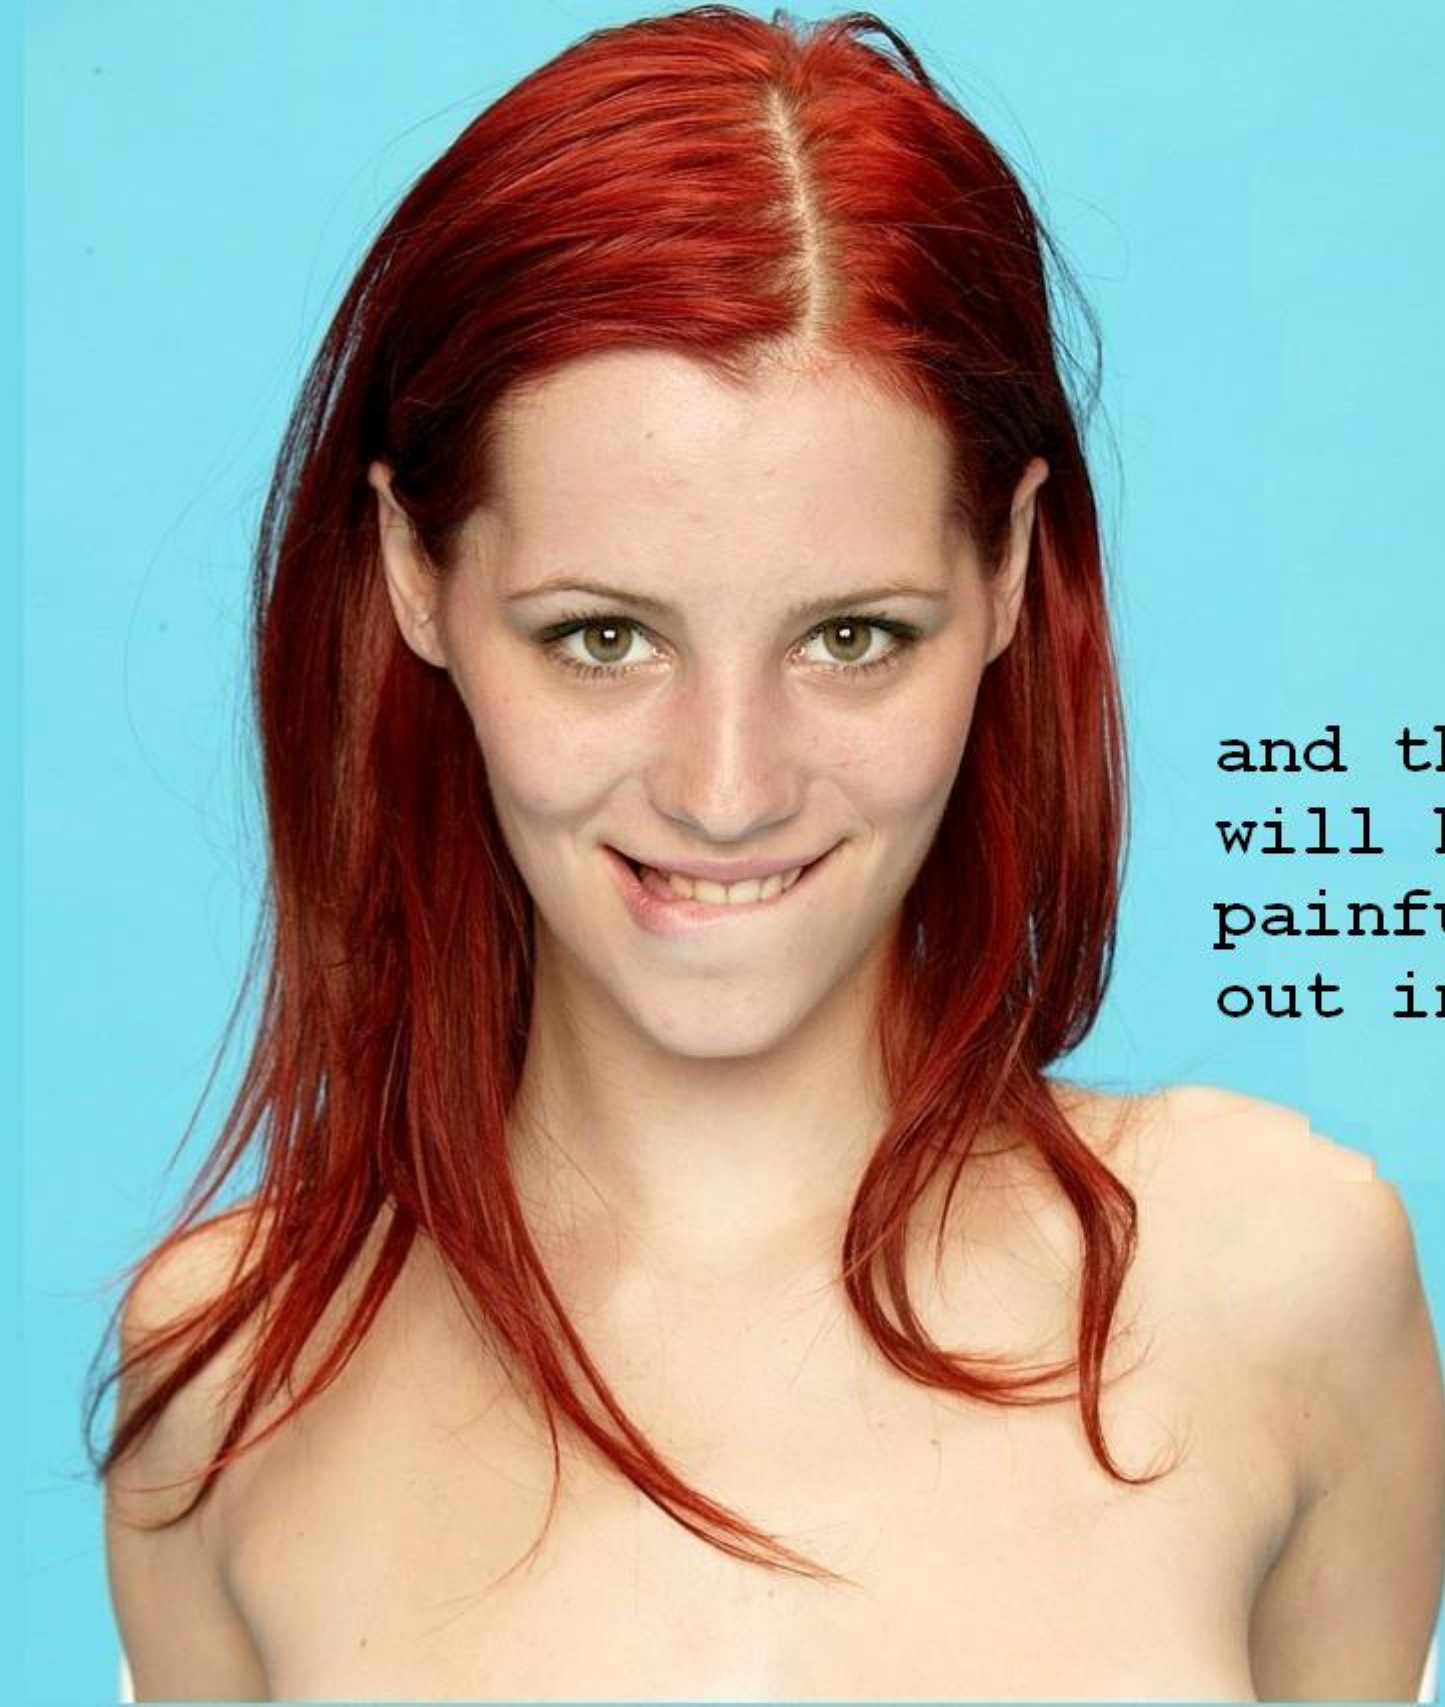

it won't  
hurt a BIT!

You'll just  
go to sleep,

and the Doctor  
will have those  
painful tonsils  
out in NO time!

OK?

"Yes  
Mistress!"

Can I put  
him under  
now,  
Theresa?

YES nurse,  
you MAY!

OK  
Doctor,  
he's  
ready  
for  
you!

Thank you,  
nurse!

Are you SURE  
that you want  
me to DO  
this,  
Theresa?

**YEP!**

OK!

Then let's  
DO it!

Snip!

April FOOL,  
Mother Fucker!

**The End**

And when  
Danny  
AWOKE

he sobbed  
and Boo  
Hooed

when he  
found it  
wasn't his  
TONSILS

A close-up photograph of a young woman with long, wavy brown hair. She is wearing a black flower-shaped hair clip on the right side of her head. She is looking directly at the camera with a slight smile, and her right index finger is placed in her mouth, touching her teeth. The background is a plain, light-colored wall with some indistinct objects visible on the left side.

that  
had been  
removed!

And if  
you are  
wondering

what  
happens  
NEXT?

Well,  
it WON'T  
be him  
bothering

Theresa  
for SEX!

WILL  
it?
