

If he wants to enjoy a lifetime of
bliss

a submissive man quickly learns to
always say "YES MISTRESS!"

and realize that in HER house SHE'LL
decide what occurs

and that HIS wants don't MATTER,
it's ALL about HERS!

Once upon a time when
she changed my name to
"SLAVE Pete"

he meekly
knelt down

"At His New Owners Feet!"

Mistress?

WHAT
slave?

May I please
make myself
cum on my
knees for
you tonight?

PLEASE?

I've served
and obeyed
you all week
Mistress!

SO? You're
my SLAVE and
that's what
you're
SUPPOSED
to do!

I KNOW
Mistress
but I want
to cum
REALLY bad
Mistress!

I KNOW! And THAT
will make you
want to be
VERY VERY
obedient
to me!

And THAT'S
what I
want!

And in MY house,
SLAVE, it's ALL
about what I
want!

**Yes
Mistress!**

The End

And now he's a GOOD
slave, as MEEK
as a MOUSE

always doing what
SHE wants in HER
fucking HOUSE!

PLEASURE ME SLAVE!

**YES
MISTRESS!**

You may stop now
slave,
I can't cum
anymore!

Yes
Mistress!
