

Here is a story about something
from her point of view

that will probably be called
something alot different by you

Once upon a time
after two minutes
so DRAINING

his Wife/ Mistress
told him the
DIFFERENCE

"Between Torture And Training!"

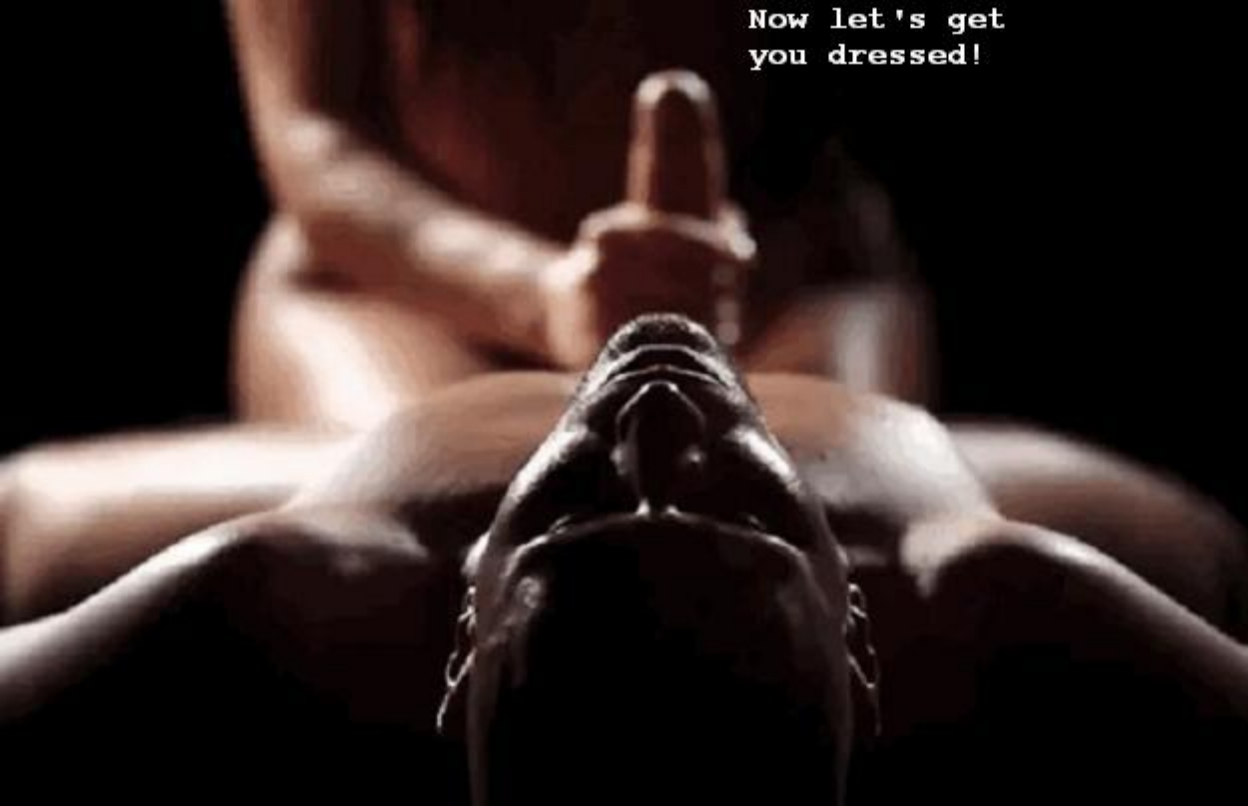

Very GOOD slave!
You've held your cum
for TWO whole minutes
four days in a row!

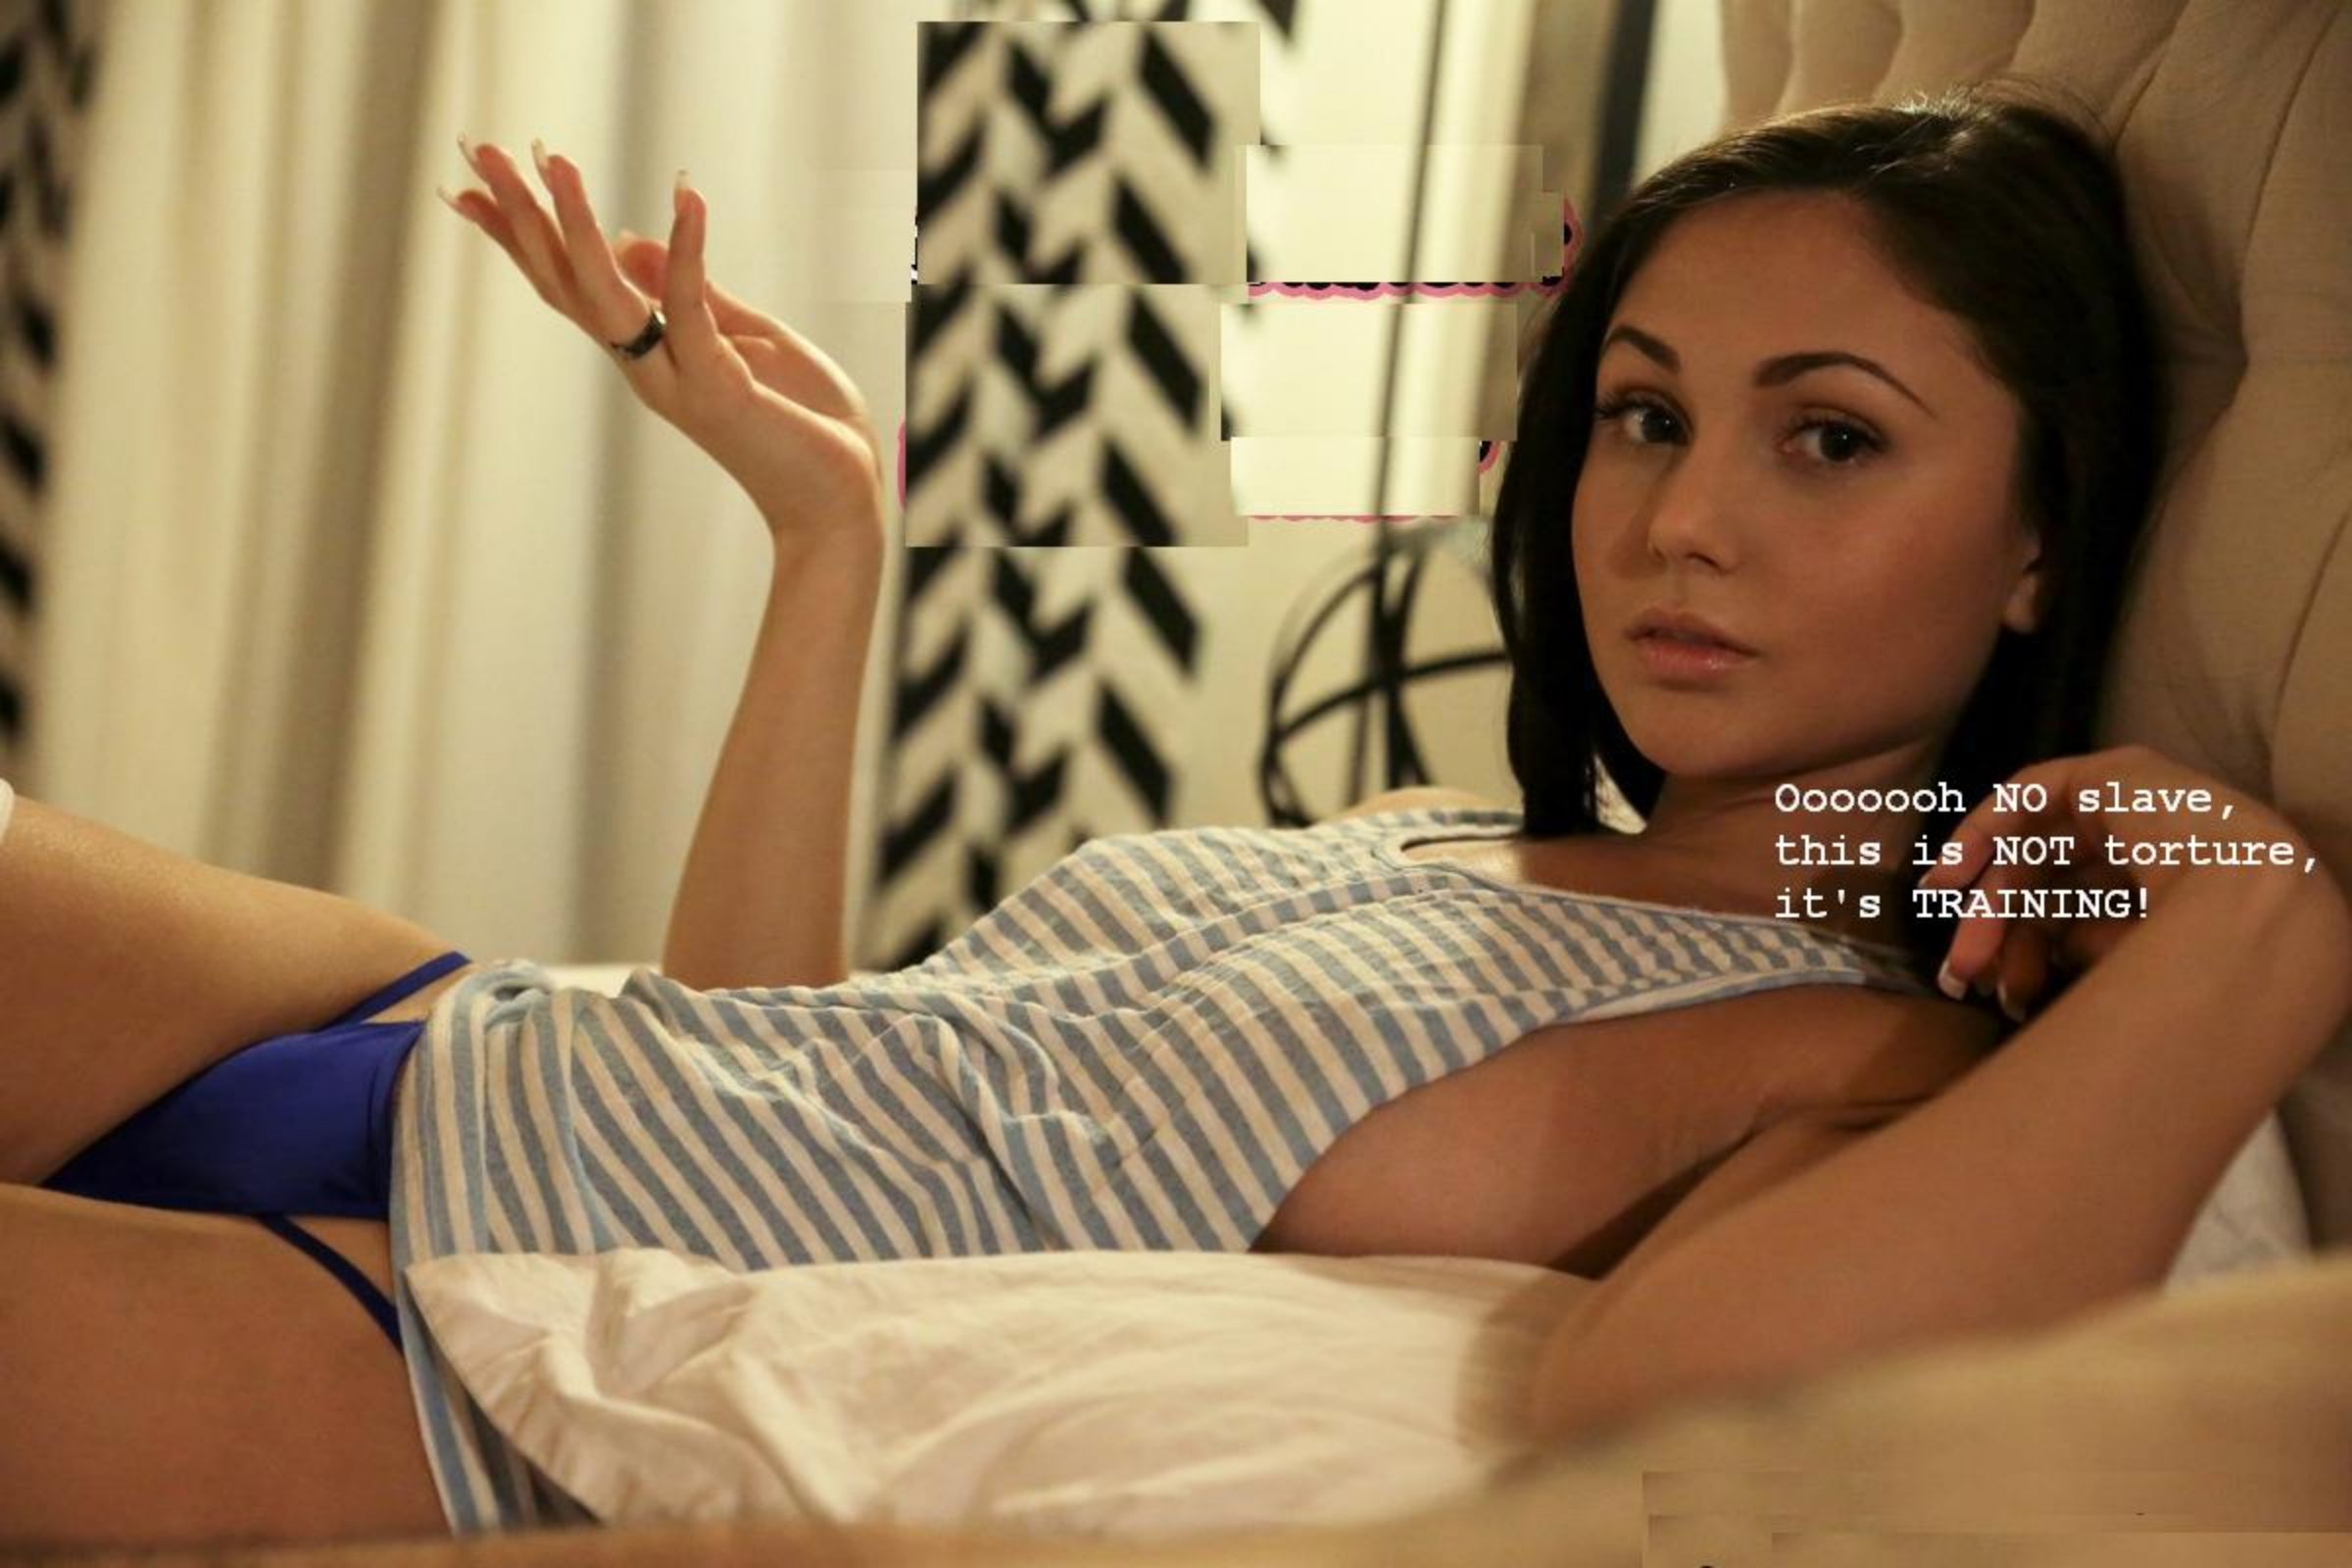

Now let 's get
you dressed!

Please have mercy
Mistress? PLEASE?
I want to cum REALLY
REALLY bad!

The last four days have
been TORTURE Mistress!

Ooooooh NO slave,
this is NOT torture,
it's TRAINING!

Training to NEVER cum
unless I want you
to cum,
no matter how badly
YOU want to cum!

TORTURE is when I tie
your balls as TIGHT as
I can in one of my
hair ribbons and LEAVE
them tied for a day or
two, AFTER I've
whipped your ass RAW
with my BELT!

And WHY would
I TORTURE you
slave?

Because I disobeyed
you and came when YOU
didn't WANT me to
Mistress!

YES!
NOW do you
understand the
difference between
TRAINING and TORTURE
slave?

Yes Mistress!

GOOD!
And to make SURE you
DO, let's get you
undressed and do ONE
more minute or two of
TRAINING before you go
to sleep!

Yes Mistress!

The End

And now he knows
the DIFFERENCE,
she explained it
QUITE well,

and the next
minute or two
is gonna be
fucking HELL!

ISN'T it
slave?

YES MISTRESS ADELE!

But it's not
torture to HER,
her training
like THIS

because THAT kind
of OBEDIENCE
gives her the
ULTIMATE bliss

cause she knows
you're TOTALLY
hers when you obey
her like THIS!

DOESN'T
she,
slave?

YES, but it's so
HARD to obey her
THAT way Mistress!

Well, I guess
that's just
TOO bad slave!

ISN'T it
Girls?
