

Yes, it really is quite simple
guys

when YOU become her slave

just do EVERYTHING she tells you
to

and make sure you behave

and learn to stay down on your
knees

and her ass you must kiss

Do all this slave and YOU will
live

a life of Fem Dom bliss!

Guys,
the
rules
are
REALLY
simple

when YOU
become
our
slave

just do
EVERYTHING
we TELL
you to

and learn
how to
behave!

And the
submissive
in this
story

GLADLY
did all of
this,

and now
both
HIM
and his
MISTRESS

are
living
in

FemDom

"Bliss"

It's really
not THAT
difficult

and there's
no reason
to be
scared

as long
as you go
clean my
house and
gladly
brush my
hair,

and do the
wash and
iron my
clothes
and serve
my every
need

and make
sure that
I ALWAYS
sit on a
clean
toilet
seat!

And if you
STAY my naked
slave and DO
those things
for me

then I'll try
to see it in my
heart to REWARD
you once a week

by allowing you
to do something
that I think is
really fair,

as long as you
do it by
YOURSELF,
and you
DO it

over
THERE !

You may
come now,
slave!

**"YES MISTRESS!
THANK YOU
MISTRESS!"**

You're
welcome!

The End

So they
lived
happily
ever
after

and their
life was

one of
BLISS

after
his
Mistress

showed
him HOW

SHE wanted
to be
kissed!

YES!
Just
like
THIS!

Huh
Girls?

HELL
Yes!

Amen
to THAT!

YEP!

Right
ON!

Yes
MAAM!

OOOOOH,
Yeah!
