

Once upon a time in a Female ruled
land

his divorce did not go exactly as
planned

He thought he could simply bid her
adieu

and begin life with anothe strict
Mistress anew

But his disappointment with THAT
idea knew NO fuckung ends

when about three months later he
found out those two Women

were secretly ALOT more than
friends!

Now THIS
is how
CRUEL a
Woman can
be

after not
allowing
him to cum
for what?
A month
and a
half now?

Oh God NO Mistress!
It'll be going on
THREE!

by making
him WATCH
while she's
being
PLEASURED

"By His Ex Wife Beverly"

who just TODAY
got MARRIED
to ME!

And now you'll
belong to BOTH
of us WON'T you?

Yes Mistress Marie!

And once
AGAIN
you'll
NEVER
cum
unless
you're
TOLD to
by ME!

The End

And every
day he
WATCHED
his new
Mistress
and his
VERY horny
ex Wife

with a
throbbing
erection
she made
him KEEP
for the
REST of
his life!
