

If you cheat on a Woman

of the non dominant kind

she'll cut your balls off so
fast

but after reading this story

please let it stick in your

won't be even CLOSE to that kind!

A photograph taken from a high angle looking down at a nude woman crawling on a light-colored, textured carpet. She is positioned in the upper half of the frame, with her back to the camera and her head tucked down. Her arms are extended forward, and her legs are bent under her body. In the lower half of the frame, the legs and feet of another person are visible. This person is wearing light-colored, pointed-toe pumps and has their legs extended towards the woman on the carpet. The person's hands, with blue nail polish, are visible in the bottom left corner, resting on a white, lace-trimmed fabric. The overall scene suggests a domestic or intimate setting.

Now that
we're
MARRIED,

and I

What will I do
if you DON'T
learn to be
my SLAVE,

be naked on
your KNEES
serving me
WITHOUT having
to be told,
