

You're in seventh heaven
and your submissive heart sings
when Women like us
are pulling the strings

This is the
story of Mandy
Mac Muppet

who REALLY made
her submissive
male her puppet!

And she is the
cruellest of ALL
of us unmerciful
castrating CUNTS

who tells her male
THIS, after not
letting him come
for six months!

"You may
make
yourself

"Come For Me Now!"

THANK YOU
MISTRESS!

A woman with long dark hair, wearing a black leather jacket and gloves, is suspended in the air by a red mechanical arm. She has a pained or shouting expression on her face. The background is a dimly lit industrial space with various equipment and structures.

You're welcome,
now jerk off and
tell me when you're
gonna come!

**YES
MISTRESS!**

I'M GONNA
COME NOW
MISTRESS!

OH MY GOD
NO MISTRESS!

NOOOOOO !

N0000000
000000!

N000000000
00000000!

NOOOOO!

The End

And NOW she'll
play with her
puppet by pulling
the strings

that being denied
on the EDGE of
finally coming
for her BRINGS

to a
submissive
male,

our SLAVES,

our
PLAY
THINGS !

Won't
she?

YEAH!

Now get down
on your knees
and kiss my
feet!

YES MISTRESS!
