

Yes LISTEN Son, don't be a fool,

try HARDER to obey her rules

Learn EVERYTHING in her rule  
book

so she'll never USE that ceiling  
hook!

A close-up photograph of a woman with blonde, wavy hair looking down at a tattoo on a man's arm. The man's hand, wearing a ring and having dark red nail polish, is pointing to the tattoo. The background shows a window with patterned curtains and a staircase.

I KNOW that you  
don't like  
"Come training",

and how hard it  
is for you to hold  
your come for me,

but you  
HAVE to  
learn

that I don't  
want you to  
EVER come

without MY  
permission!

OK?

" YES  
MISTRESS ! "

GOOD !

Now read this  
story while I'm  
jerking you off,

it'll help  
you be  
good!

" YES  
MISTRESS ! "

**"Come Home To It"**

"It's Seven O'clock  
Mistress Karen!"

Thank you slave,  
I don't want to  
be late for work!

"You're  
welcome,  
Mistress  
Karen!"

It made me REALLY happy  
last night when you told  
me that you wanted to be  
my slave!

I've  
always  
THOUGHT  
you might  
be a  
submissive  
you  
know.

Just by  
the way  
you  
looked  
at me  
and acted  
around  
me .

It's  
nothing  
to be  
ashamed  
of.

ALOT of men  
want and NEED  
a woman to  
dominate  
them.

Don't worry.  
I WANT you  
to be my  
slave and I  
WANT to  
dominate  
you.

So since you're  
my SLAVE now  
you have to  
learn to  
obey MY  
rules!

ALL of MY rules!

Beginning IMMEDIATELY!

And you disobeyed my FIRST  
and most important rule  
last  
night!

That's why  
I put you  
on that  
CHAIR,

tied that  
rope around  
your BALLS

and then  
hung you  
by them  
from that  
ceiling  
hook,

AFTER I  
whipped  
the crap  
out of  
you with  
my BELT!

But you  
should  
consider  
yourself  
lucky,

I went easy on you  
because it was the very  
first time  
that you  
disobeyed  
me.

"BUT  
MISTRESS , "

SSSSSSSH! Don't talk!  
From now on you'll only  
speak when I  
ask you a  
question or  
I give you  
permission  
to!

As I was SAYING before I  
was interrupted by my slave  
who is going  
to be taught  
to NEVER  
interrupt  
his  
Mistress  
AGAIN,

Like I said, I went EASY on  
you. So I left you hanging  
there with  
your balls  
tied all  
night  
INSTEAD of  
whipping  
you more.

Thats also why I'm leaving  
you to hang there all day  
today instead  
of giving  
you ANOTHER  
whipping  
this  
morning.

Hopefully you'll have a  
MUCH better  
understanding  
of my rules  
by the time  
that I get  
home  
tonight!

Honey, I've been dominating  
males since I was fifteen  
years old.

And my FIRST  
rule is VERY  
difficult  
for most  
males to  
obey!

A person is shown from the waist down, wearing a black crop top and a black skirt. They are holding the sides of the skirt with both hands. The person has a visible bruise on their left elbow. The background includes a wooden chair with a black bag hanging on it and a wicker basket on the floor. The text "So don't feel bad, Honey, some males NEVER learn to obey it." is overlaid on the image in a white, monospaced font.

So don't feel  
bad, Honey,  
some males  
NEVER learn  
to obey it.

A person is shown from the waist down, wearing a black crop top and a black skirt. They are holding the sides of the skirt with both hands. On their left arm, there are several red, circular marks. A black handbag with gold-colored hardware is hanging from a wooden chair to the left. The background is a plain white wall and a wooden floor.

And they paid  
the price for  
disobeying me!

A person is shown from the waist down, wearing a black crop top and a black skirt. They are holding the sides of the skirt with both hands. The person has a visible bruise on their left elbow. The background includes a wooden chair with a black bag hanging on it and a wicker basket. The floor is made of light-colored wood.

You DO know  
what my first  
rule IS,  
don't you  
Honey?

You NEVER come  
without MY  
permission!

**NEVER!**

Yes  
Honey,  
you  
CAME  
all  
over  
my  
hand  
last  
night,

AFTER  
you  
agreed  
to be  
my  
slave.

So since you were my slave  
at that time, you needed  
to have MY permission to be  
allowed to come!

But you CAME  
ANYWAY !

See you  
LATER  
Honey

We'll continue your  
education  
when  
I  
get  
home

Hang in  
there!

**YES  
MISTRESS!**

**The End**

Now THAT was  
a good story!

WASN'T it,  
Honey?

**" YES  
MISTRESS ! "**

God, you  
MUST have  
liked it!

A close-up, low-angle shot of a woman with blonde, wavy hair looking down. Her face is partially in shadow. In the foreground, a hand with a silver ring and red-painted nails is visible, holding a small, light-colored object. The background shows a window with patterned curtains and a bright light source.

I've been jerking  
you off like this  
for twenty minutes  
so far,

and besides not  
COMING all over  
my hand,

you haven't even  
begged me to LET  
you come all over  
my hand!

You're not afraid  
that I'D do that  
to YOU, are you?

**" YES  
MISTRESS ! "**

GOOD !
