

"I really am curious"

I've heard some women say,

"about the males depicted

in these stories today!"

This story's
about Thelma
and her good
friend Louise,

who read some
Fem Dom stories

and just could
NOT believe

that a man would
strip naked

then kneel down
and obey

EVERYTHING a woman
told his ass

to do for her ALL
day!

And so to help
them understand
about submissive
males,

they sat down and
had a little chat

with a submissive
guy named

"Daniel"

Thelma and Louise
sat down

upon their chairs
one day,

while a submissive male
named Daniel knelt
there

naked as
a Jay!

And they asked him,

Daniel, is
it true,

what they
say about
males like
you?

That you
WANT to
spend your
whole life

which to
YOU the good
Lord gave,

on your
KNEES
before a
woman,

and be HER
obedient
slave?

"Yes
Mistress!"

And IS it
true this
thing I
heard,

that she
won't have
to beg

if she
should
decide to
snip off
those
things

that hang
between
your
legs?

"Yes
Mistress!"

And they say
that you'll
obey her

and you'll
try your best
to please

while she
teaches you
that SHE
controls

your
sexual
release?

"Yes
Mistress!"

Wow!

Wow!

Well
Daniel,

we
BELIEVE
you,

Oh YES,
we DO!

God
KNOWS !

because YOUR
truth
indicator

works just LIKE
Pinocchio's
NOSE!

Doesn't
it?

"Yes
Mistress!"

Wow!

Wow!

The End

And then they
said quite
earnestly,

We want
to learn
some
MORE,

about
submissive
males,

please
HELP
us to
explore!

And so I told
them
"let's go ask
the EXPERTS
on this theme",

at THIS weeks
Fem Dom party

hosted by my
friend Maureen!
