

I've only one question if I may ask of
you

is what Mistress Marie's saying in this
story really TRUE?

You KNOW she's
gonna want
BOTH of your
balls

and
you've no
COMPLAINTS
about that,

A woman with long, wavy blonde hair and red lipstick is sitting on a plush red sofa. She is wearing a black, short-sleeved, open-front cardigan or robe. Her legs are crossed at the ankles, and she is wearing black high-heeled shoes. She is looking directly at the camera with a neutral expression. The background is a plain, light-colored wall.

Oh NO,
none at
all!

"Do You, SLAVE?"
