

Although it IS hard to suffer
her denial each night
what she says at the end
of this story is RIGHT!

Shhhhh!

"Don't Cry, Honey!"

I KNOW how
hard it
is Honey,

EVERY
day of
the week,

when you want
to come SO
fucking badly

and I DENY
you release!

But aren't
your orgasms

SO much more
blissfully
SWEET,

when I finally
DO let you
come at

The End

of each
week?

Huh,
Honey?

**"Yes
Mistress!"**
