

God, I really had HOPE!

I thought ALLOW me she  
MIGHT!

This is the story of what  
happened last night

I was pleasing  
my Mistress in  
the usual way

when to my  
AMAZEMENT  
I heard her  
softly say

You've been  
doing VERY  
well pleasing  
me in THIS way

but I want  
something  
**STIFF** inside  
me today!

And though  
you've never  
done this,  
not with ME  
anyway,

we've been  
married over  
a YEAR and  
it's time  
I let you  
please me  
THAT way!

And my heart  
leapt with  
JOY, cause  
we'd been  
married over  
a YEAR

and my aching  
cock and her  
pussy had NEVER  
been ANYWHERE  
near!

Then she took  
me to her room  
and got **READY**  
and told me

**"Don't Turn Off The Light!"**

I want you able to SEE  
what you're DOING  
tonight

because I want you to DO  
this and I want it done  
RIGHT!

Now PLEASE me my slave!  
Please me ALL fucking  
night!

A close-up photograph of a man and a woman in an intimate embrace. The man, in the foreground, is shirtless and wears a black collar with a buckle. The woman, behind him, has her eyes closed and a soft expression. Her hand, with red-painted nails, rests on his shoulder. The background is a plain, light color.

**YES MISTRESS!**

**YES!**

OH MY  
GOD!

**YES!**

**The End**

And so I'll  
go on pleasing  
her while I PRAY  
and I PRAY

my dominant  
bride will let  
me consummate  
our marriage  
someday!
