

Here's a cute little story
about a modern device
that your Mistress may decide
to sleep with at night!

A young woman with long, wavy blonde hair is shown from the chest up. She is looking directly at the camera with a neutral expression. Her right hand is raised, with her index finger pointing vertically to her lips, a universal gesture for silence or secrecy. The background is a plain, light-colored wall. The lighting is soft and even, highlighting her features and the texture of her hair.

Ssssh!

Don't

Mistress
