

For admission to their university
for the submissive man

proving you're WORTHY of their
education is part of the plan

unless you're the slave in this story
which is about to be shown

and a good word was put in by one of
their own

We decided
to accept

THIS
submissive
man

into our
slave
training
school

**WITHOUT
taking an**

"Entrance Exam"

because
Mistress
Vanessa,

his
dominant
WIFE,

wants a
slave
who'll
OBEY
her

twenty
four
SEVEN,

for
the rest
of his
life!

So by
the end
of his
training

we'll
have made
NO
omission,

we're even
training
him NEVER
to come

without
a Womans
PERMISSION!

And he'll
be a GOOD
student,

or his
ass we
WILL
blister,

before we
LET him
go home

to his
strict
WIFE,

our
SISTER!
