

Men ARE not equal, not at all,  
some are BIG and some are small.

And some men have two great BIG balls  
while other men have two TOO small!

So I'll admit it, quite aloud,  
men AREN'T equally endowed!

Wow Honey!  
Sue  
posted  
the pictures  
from last  
weeks party!

God,  
I've  
been  
waiting ALL  
week to  
see them!

Holy  
crap,

That new  
girl Ruth  
was  
RIGHT!

All men  
are NOT,

**"Created Equal"**

I was reading  
the Declaration  
of Independence  
the other day,

and it  
SAID,

# *Declaration of Independence*

## The Declaration of Independence: A Transcription

IN CONGRESS, July 4, 1776.

**The unanimous Declaration of the thirteen united States of America,**

When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.--That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, --That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.--Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world.

So I came to  
this Fem Dom  
party and had  
a look around!

$\Delta\Phi O$

and I found out  
that, NO!  
all men are NOT  
created equal!

SOME have been  
endowed by their  
creator with ITTY  
BITTY dicks,

while  
some are  
DEFINITELY  
more equal  
than OTHERS!

Some have  
BIG balls,

SOME have  
small,

some hang  
DOWN,

and SOME  
stand  
TALL!

while OTHERS  
won't be there  
at ALL!

SO, if THAT  
part of the  
document is  
WRONG,

it's only fair  
that we amend the  
OTHER part of the  
document to read

# Declaration of Independence

## The Declaration of Independence: A Transcription

IN CONGRESS, July 4, 1776.

The unanimous Declaration of the thirteen united States of America,

When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all ~~men~~ <sup>WOMEN</sup> are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.--That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, --That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.--Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world.

SHOULDN'T  
we,  
slave?

"YES  
MISTRESS!"

GOOD! Then get on your  
knees and get your mouth  
and your tongue busy  
between my legs and MAKE  
me happy, slave!

"YES  
MISTRESS!"

God Bless America!

A close-up shot of a woman with long, straight, reddish-brown hair. She has a surprised or questioning expression on her face, with her mouth wide open as if she is speaking or reacting. Her right hand is raised, with her index finger pointing upwards. She is wearing a dark, textured garment. The background is a plain, light-colored wall.

Huh,  
guys?

**The End**

and we  
don't CARE  
if you're  
EQUAL

because there  
are things we  
can do

ABOUT your  
inequality,

and YOU know  
that's TRUE!

DON'T  
you,  
Honey?

"YES  
MISTRESS!"

And as  
far as my  
RIGHT to my  
HAPPINESS,

as your  
OWNER and  
MISTRESS,

I'll be back  
in there for  
MORE

as soon as  
I'm finished  
doing THIS!
