

There once was a Princess who
gave a guy this

and followed it up with a
passionate kiss

and though it didn't change
him from a frog to a prince

he's been VERY
obedient to me

"Ever Since!"

Yes, now he's
my SLAVE who
EVERY day BEGS

to please me
with his TONGUE
between my wide
open legs!

And it's ALWAYS
"YES MISTRESS!"
when I give
him commands

like "File and
polish my toe nails
and then do my
hands!"

He washes and
irons my clothes
and he keeps my
house clean

and in the
BEDROOM?

Well, we don't do
what HE wants,
if you know what
I mean!

And as far as
standing like
this before me
and brushing
my hair?

he has NO problem
doing it when my
Girlfriend are
sitting right
there!

No, I didn't turn
him into a frog
or a handsome
young Prince

but what I DID
turn him into
has served me
WELL ever since!

VERY well!

The End

Mistress?

WHAT,
slave?

Please unlock me
and let me make
myself

NO!
And don't you
DARE ask me
AGAIN!

Yes
Mistress!
