

It may spice up the sex life in
a dominant womans house

by telling Fairy tales to her
submissive friend or spouse,

And hearing some stories written
by a very strict Mother Goose

sure is a WHOLE lot better than
having your balls tied in a
noose!

Are you
comforatble
Honey?

**"YES
MISTRESS!"**

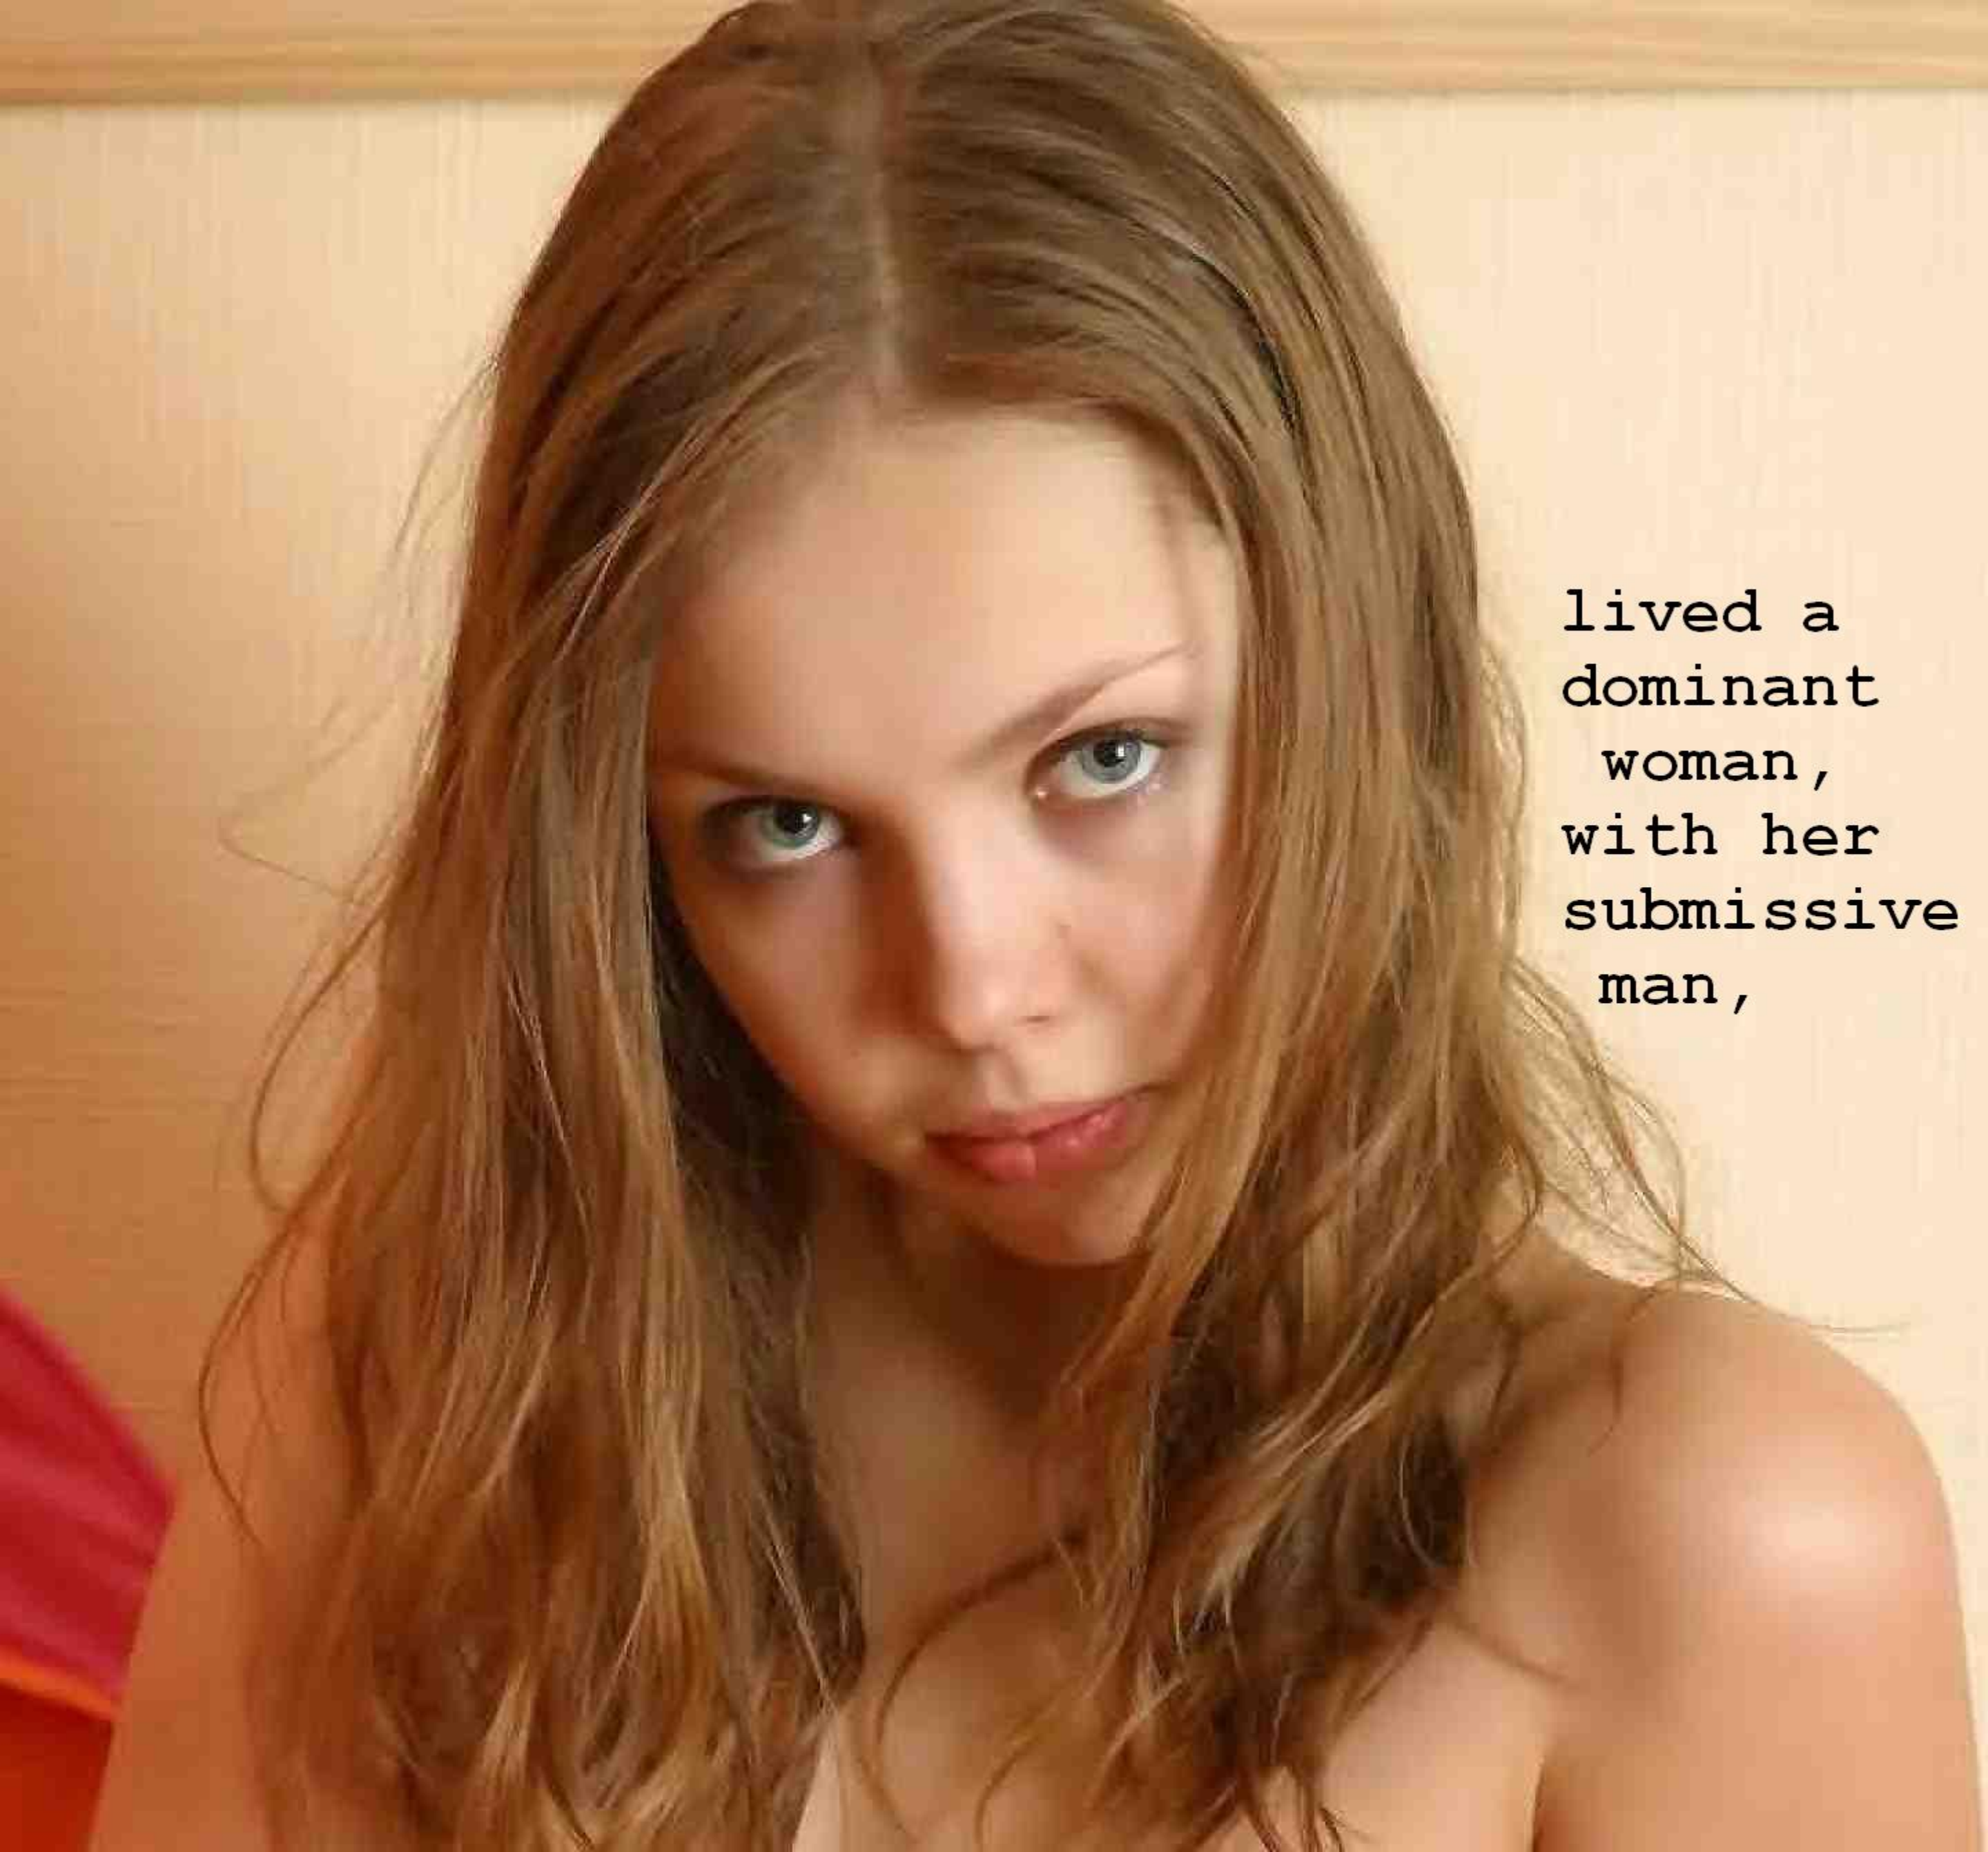

Good!
It's
time for
another

"Fairy Tale"

Not too
long ago,
in a not
too far
land,

lived a
dominant
woman,
with her
submissive
man,

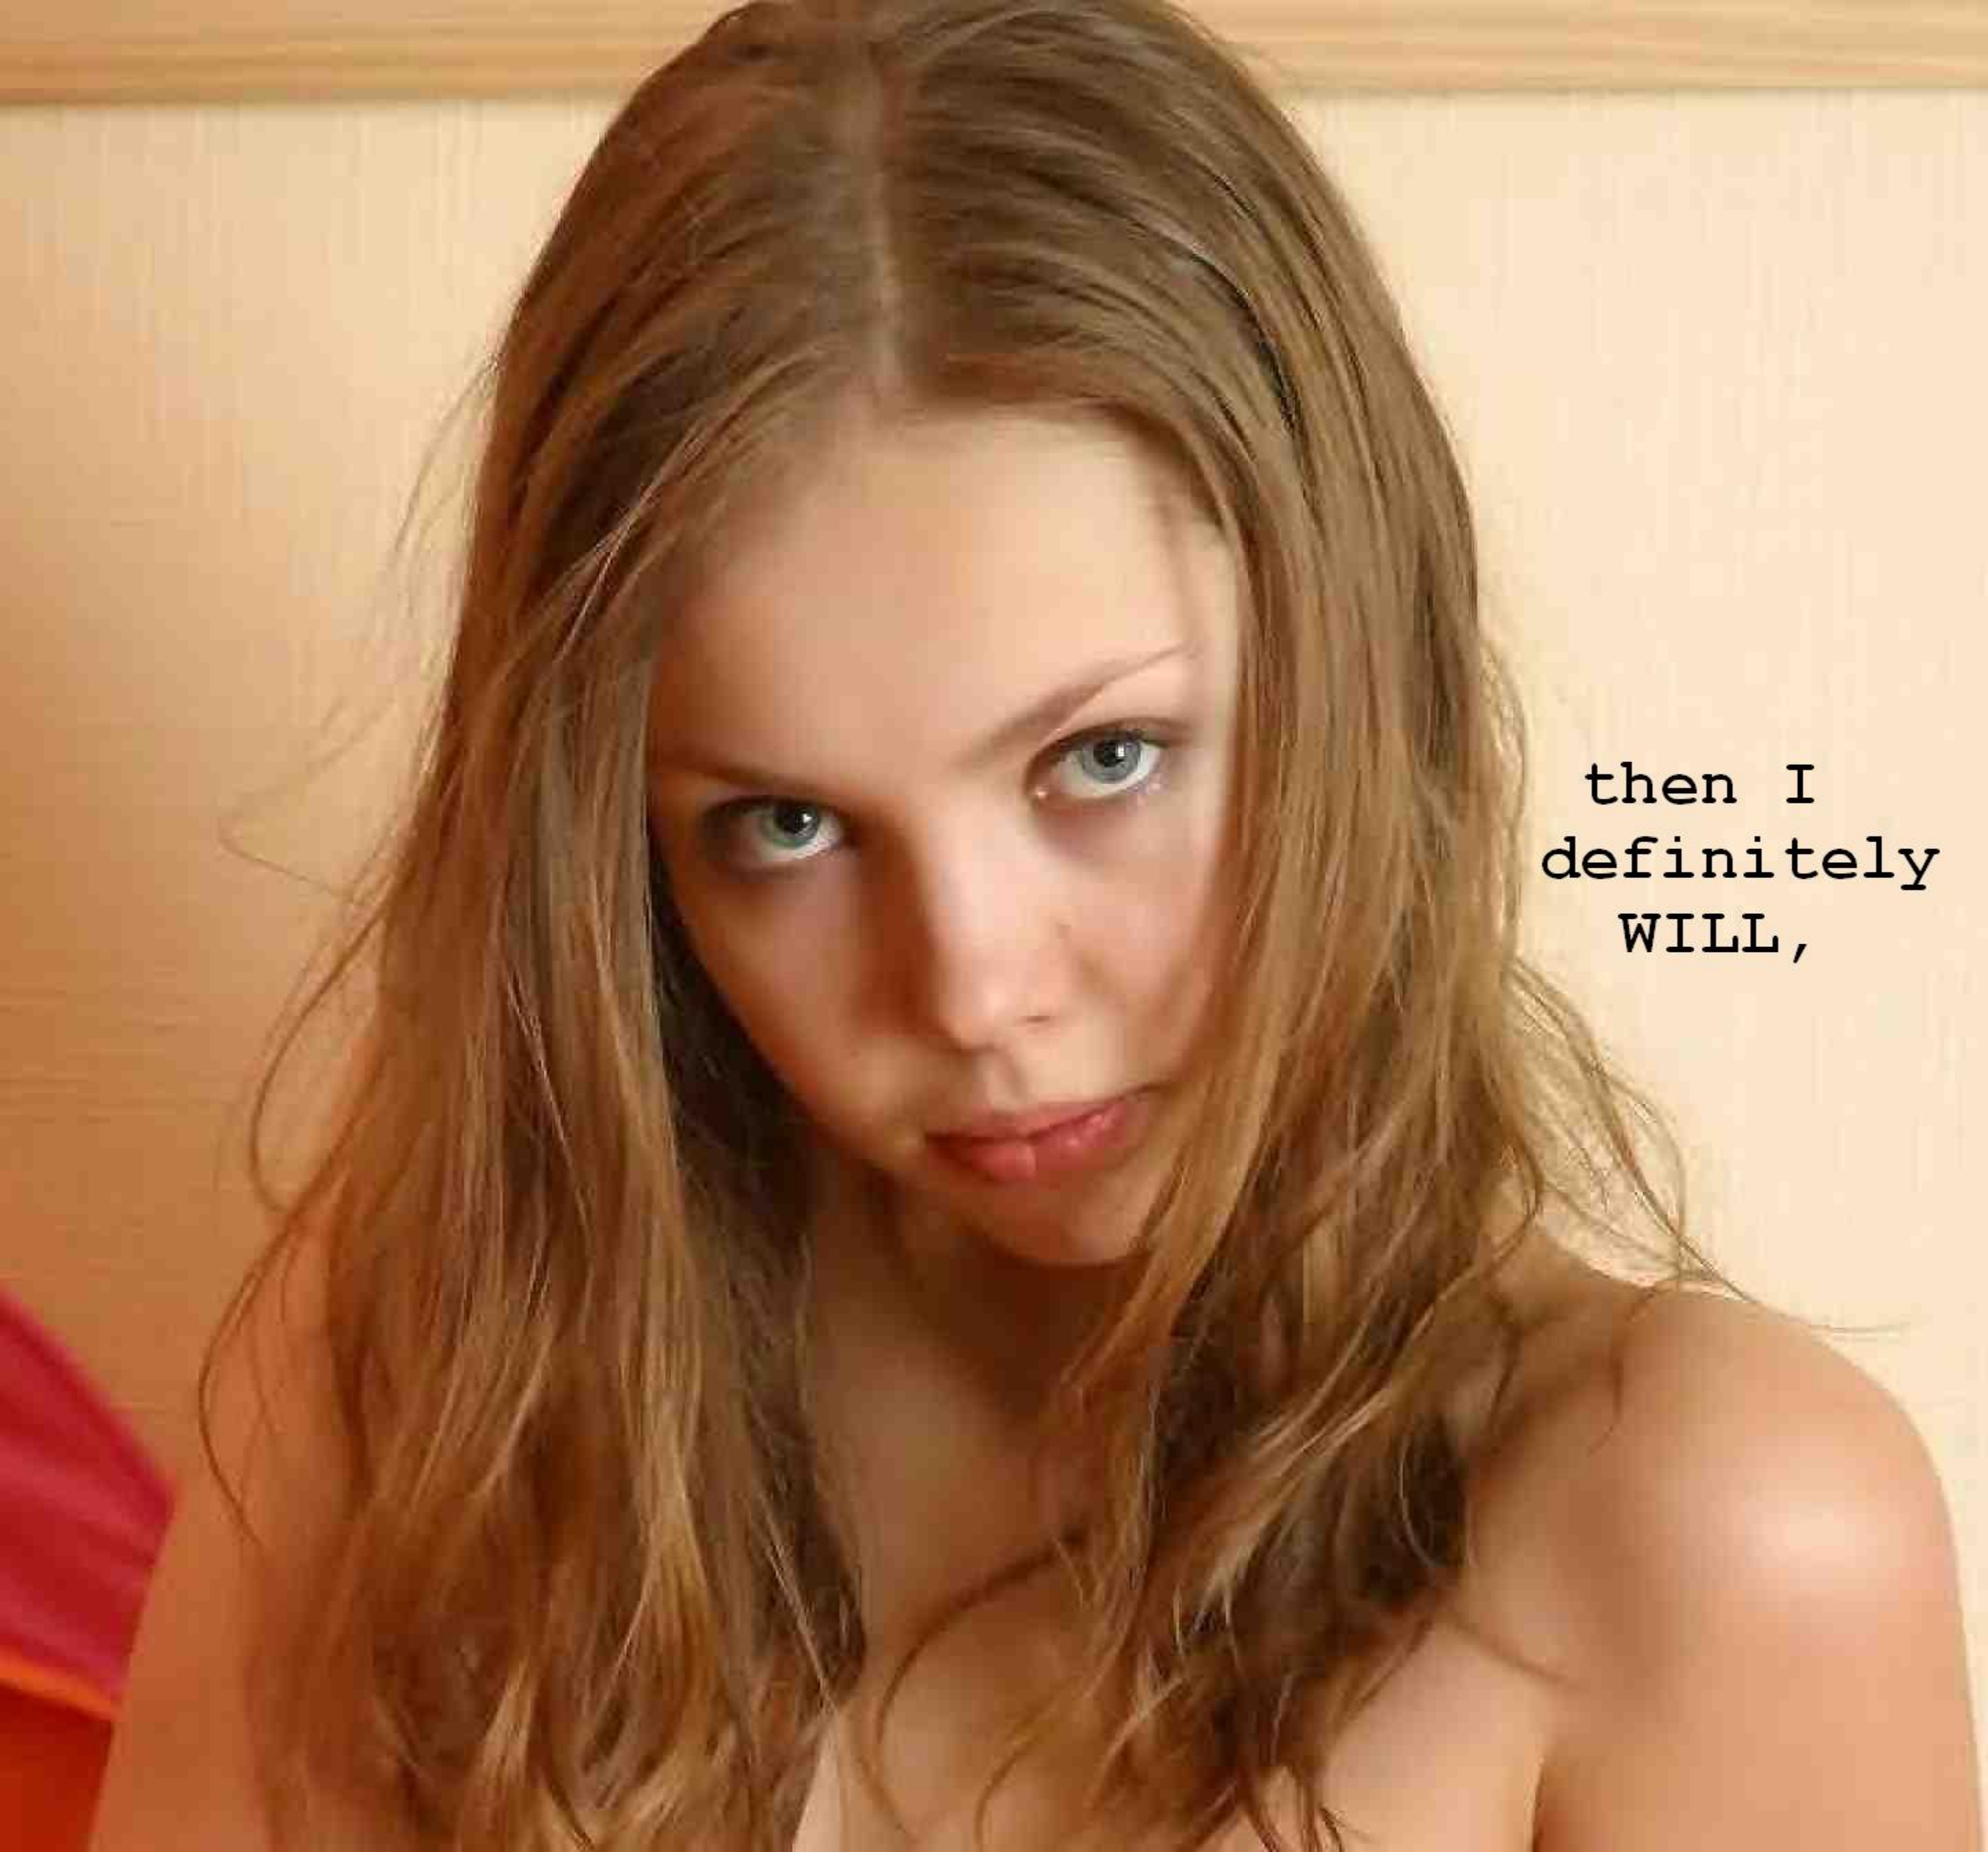

"You will
kiss me
each day
there",
she said
with a
sigh,

"or I'll take
BOTH your balls,
and I'll
hang them
up high!"

And if you
STILL
refuse to
do it,
and about
DOING it
you scoff,

then I
definitely
WILL,

snip the
fucking
things OFF!

So he crawled
his ass to
her,
and he learned
how to kiss,

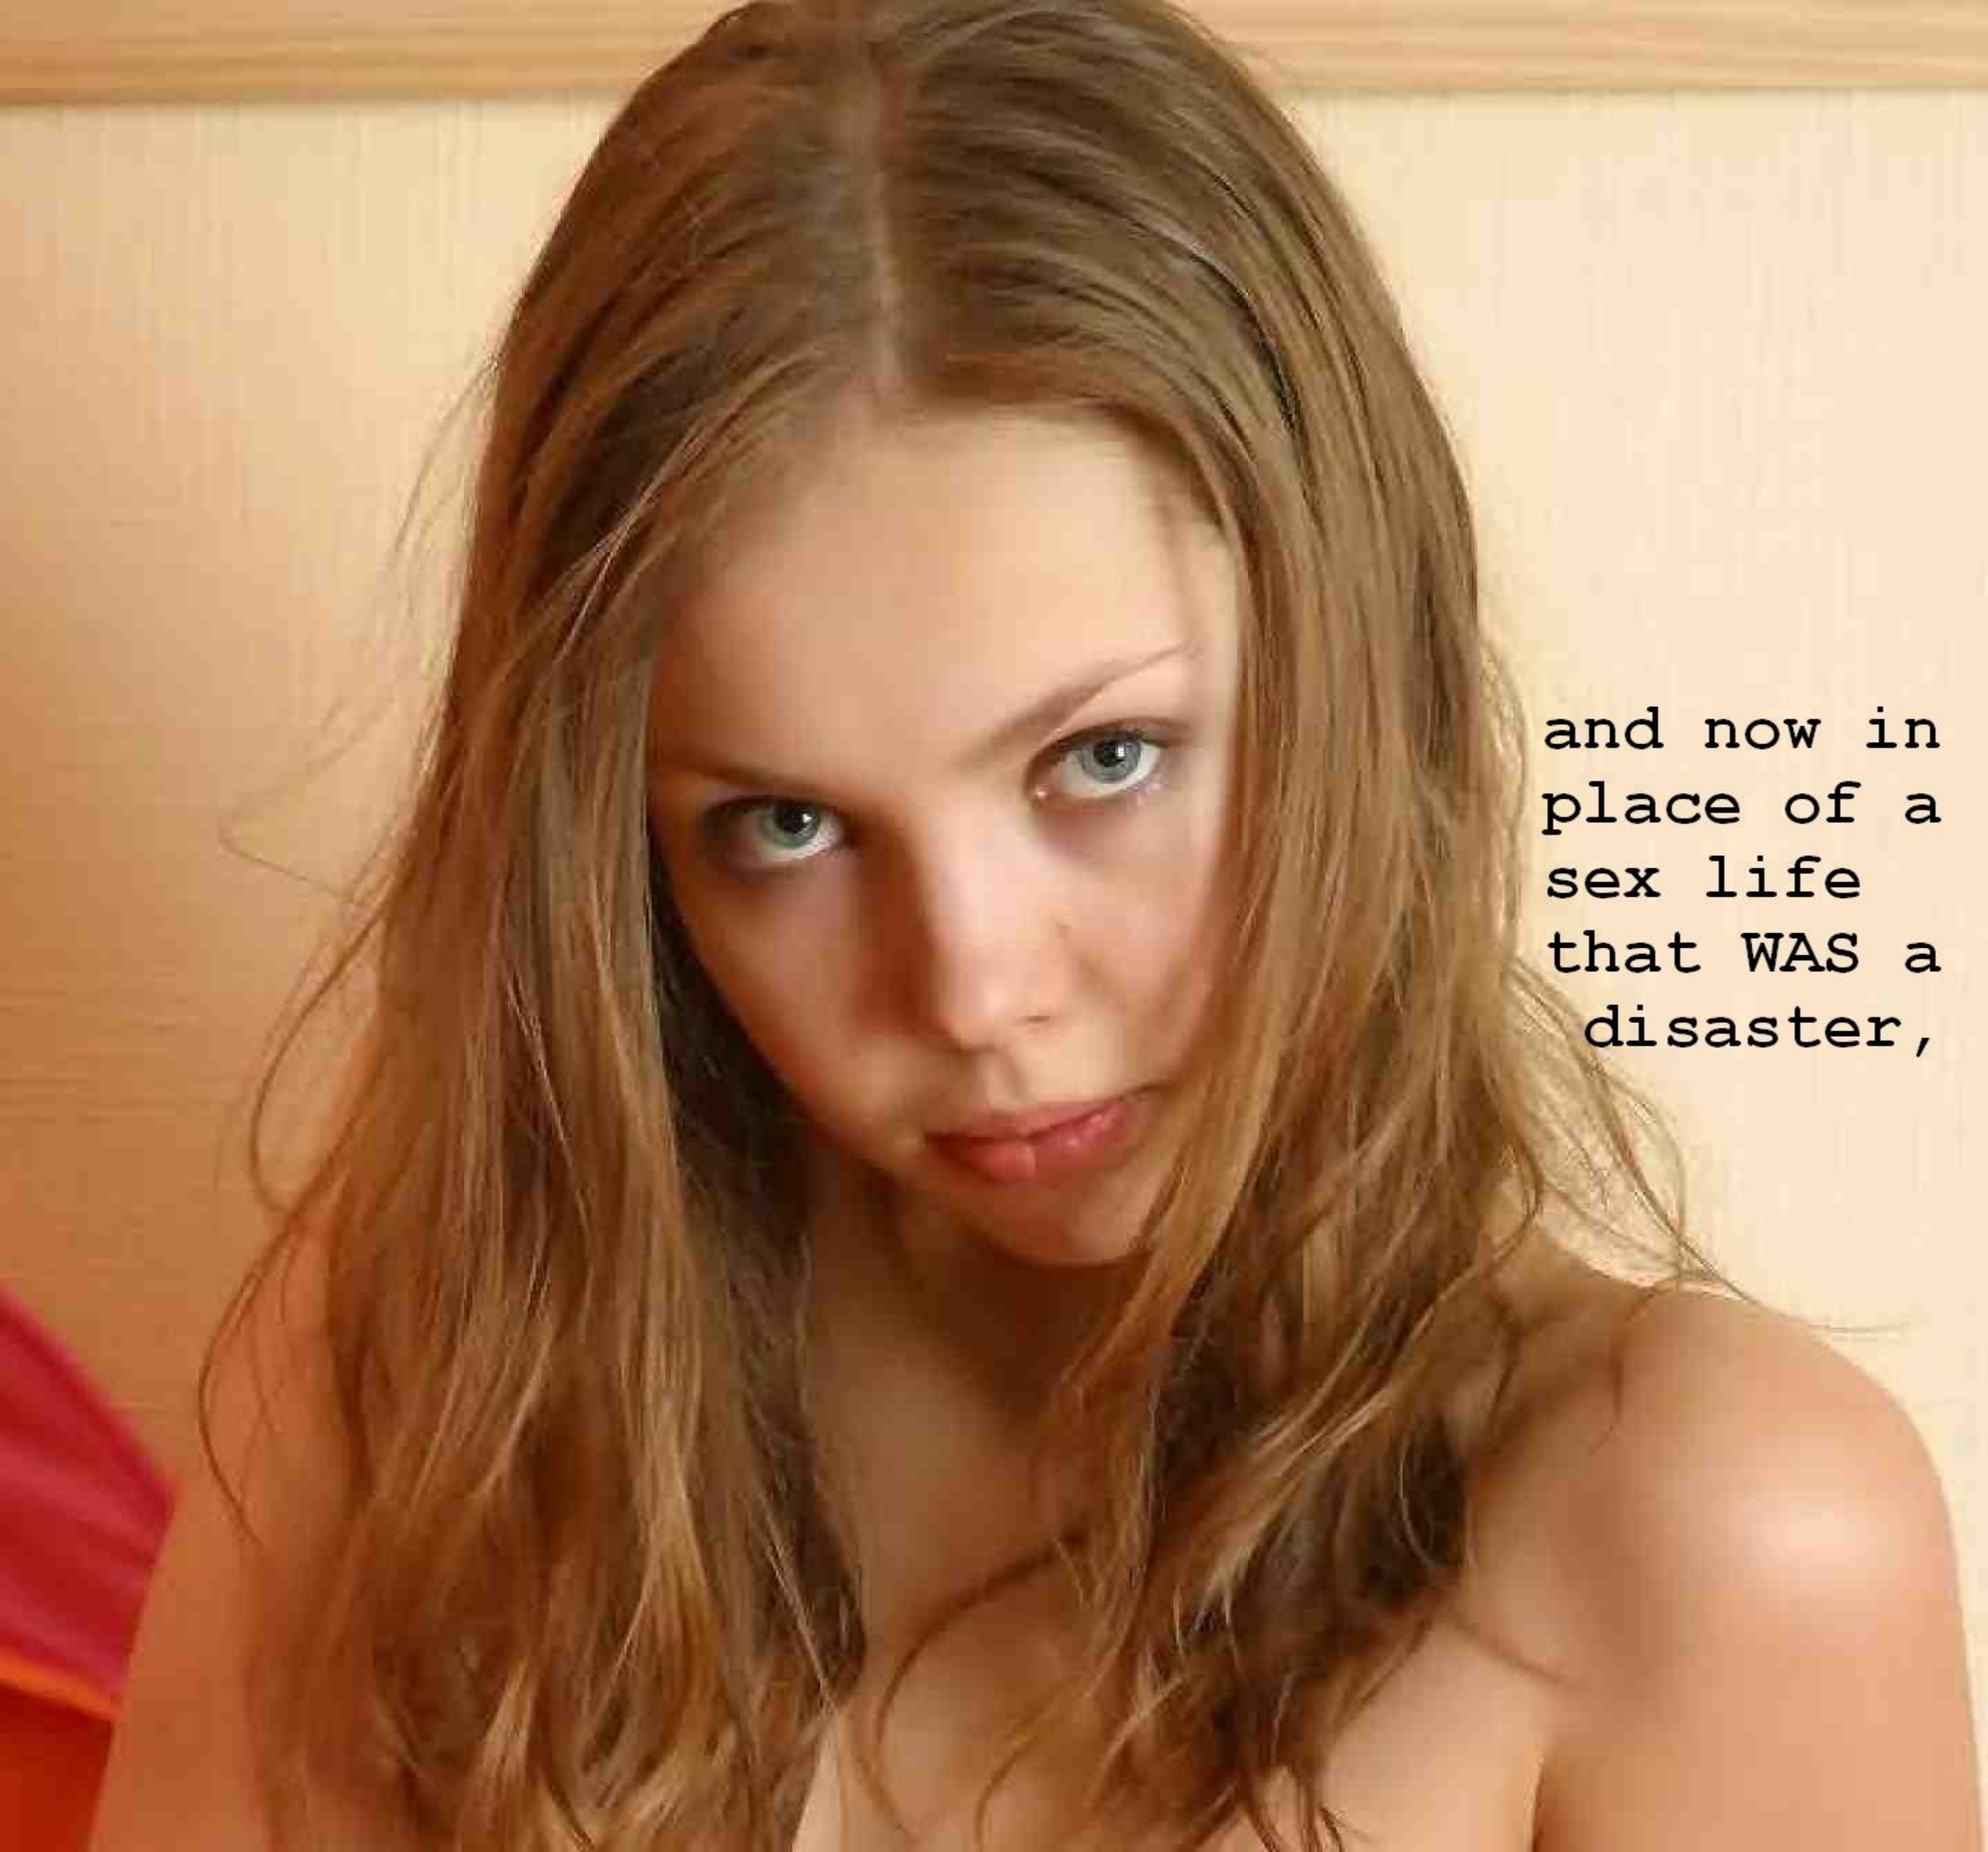

the way that
SHE wanted,
while he
said "Yes
Mistress!"

and he DID it
each day like
she WANTED
him to,
and he did it
until her
orgasms were
through,

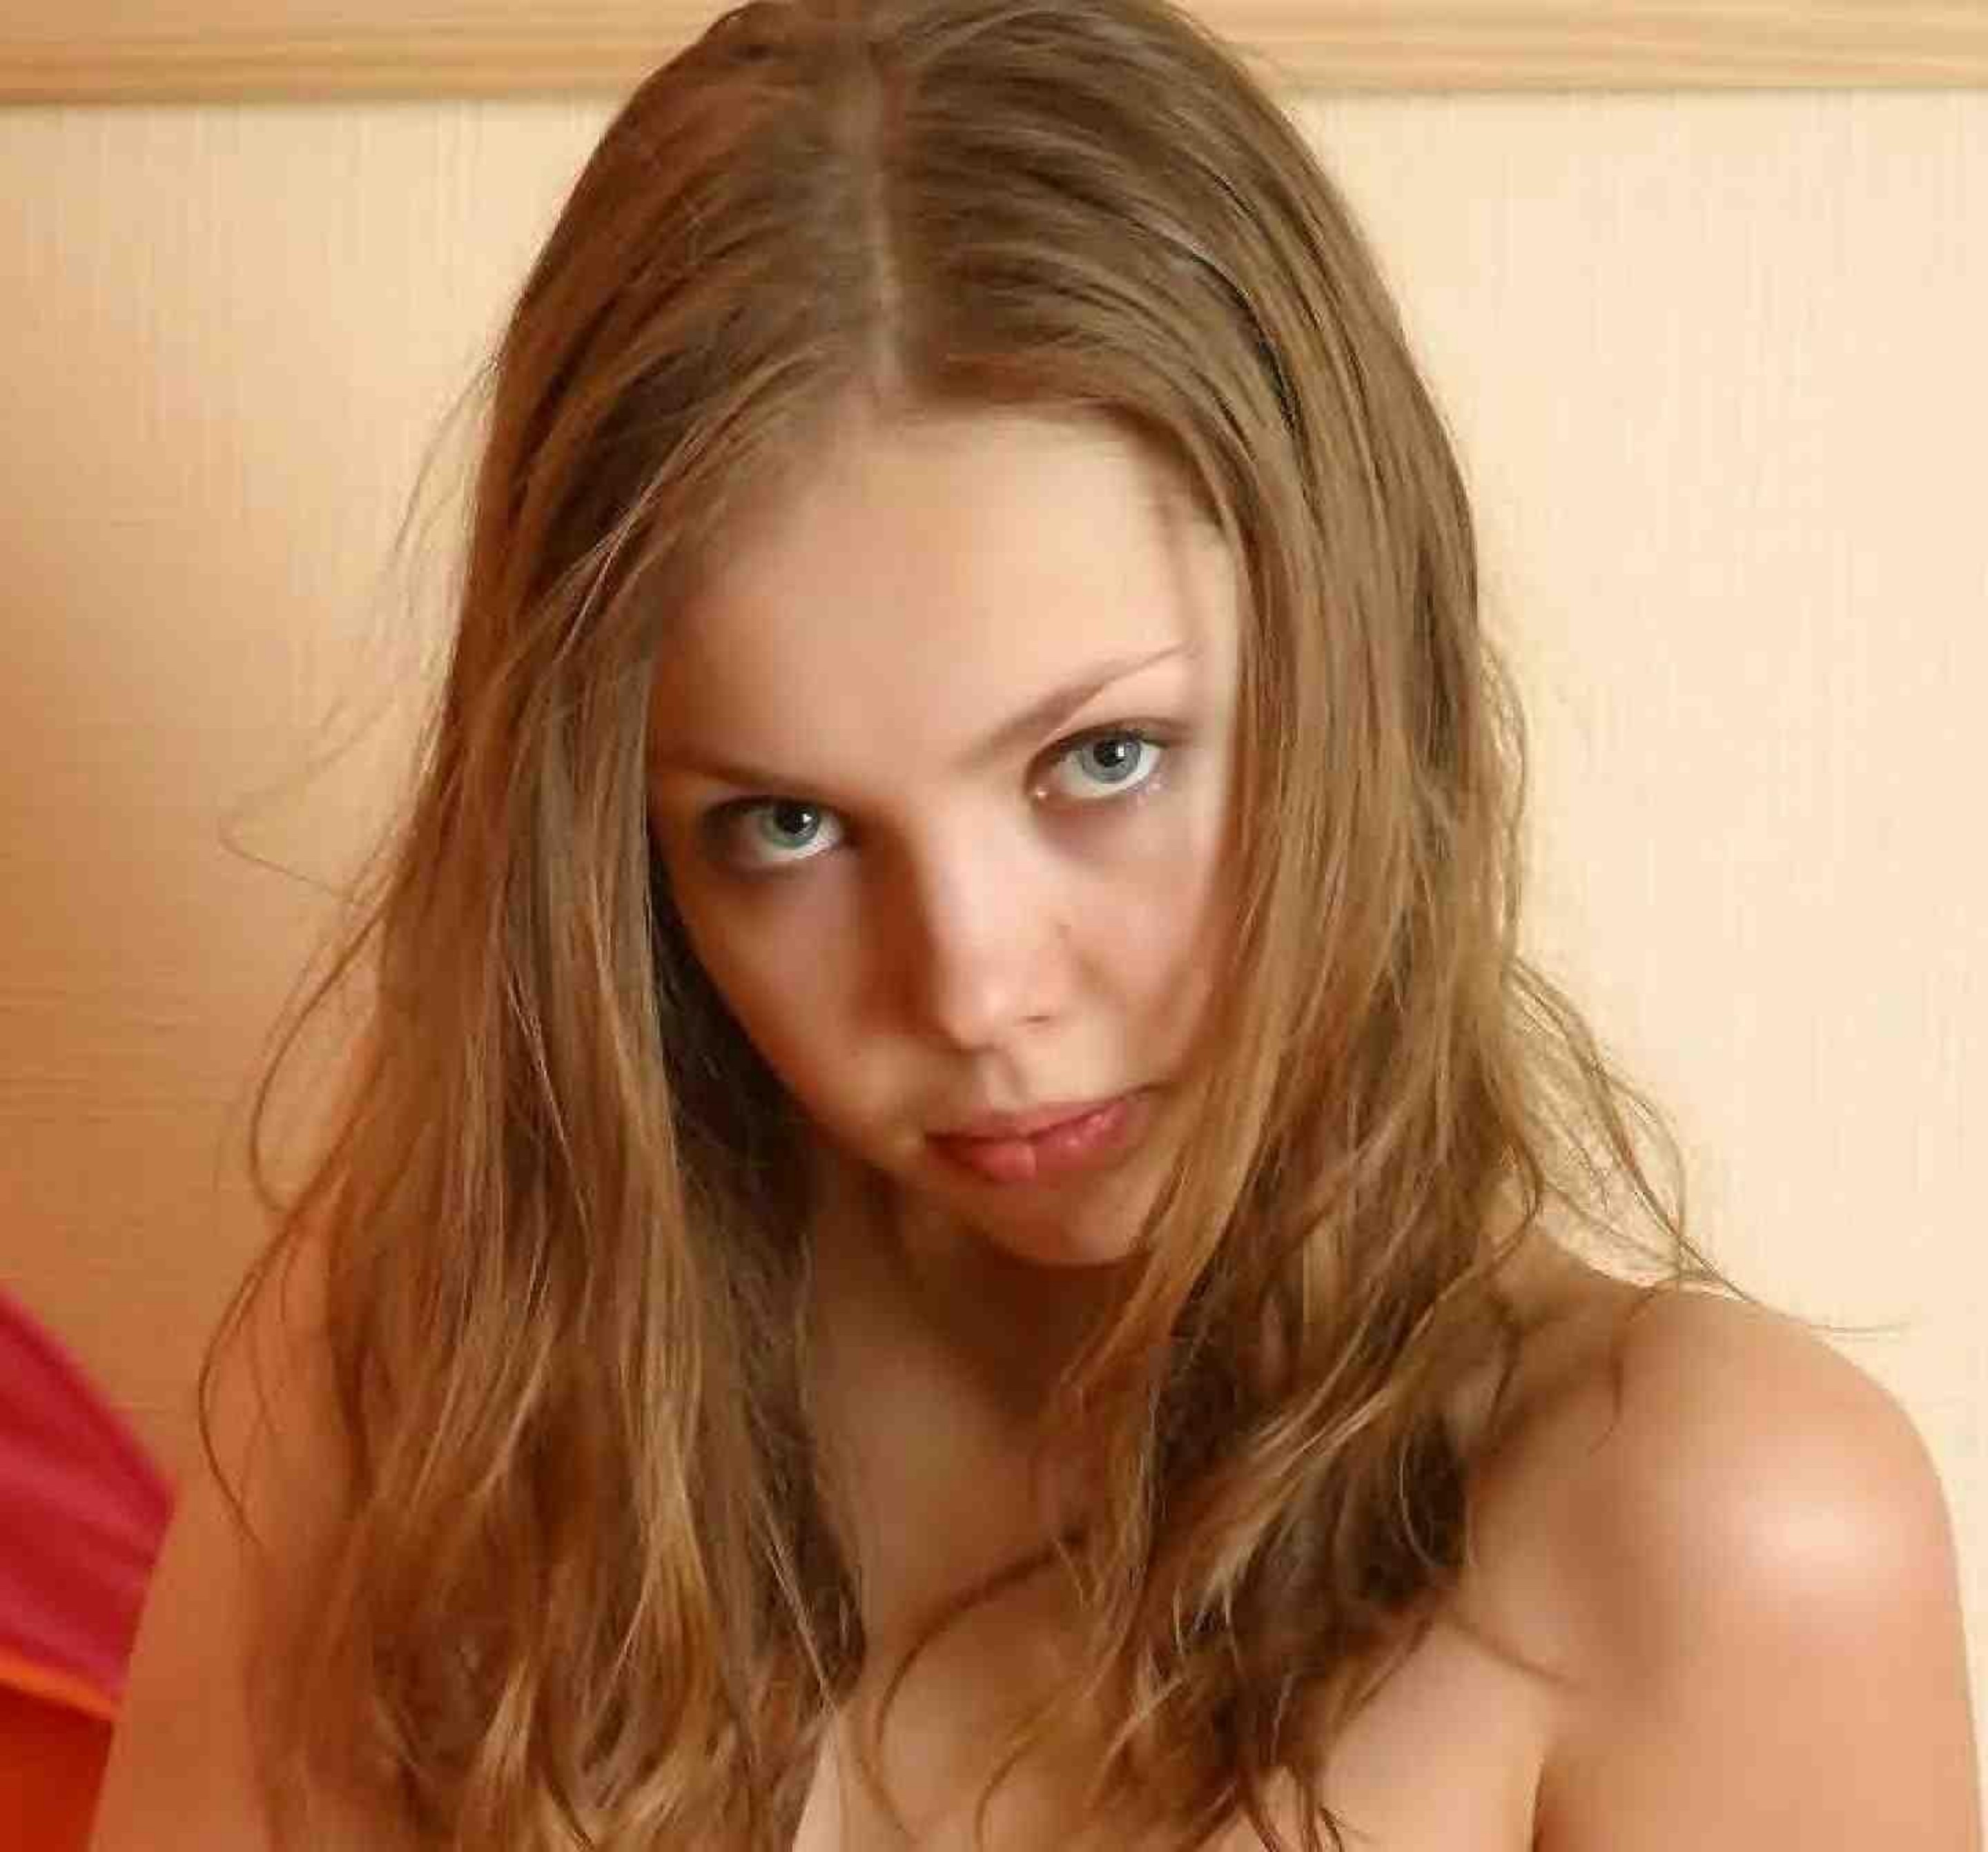

and now in
place of a
sex life
that WAS a
disaster,

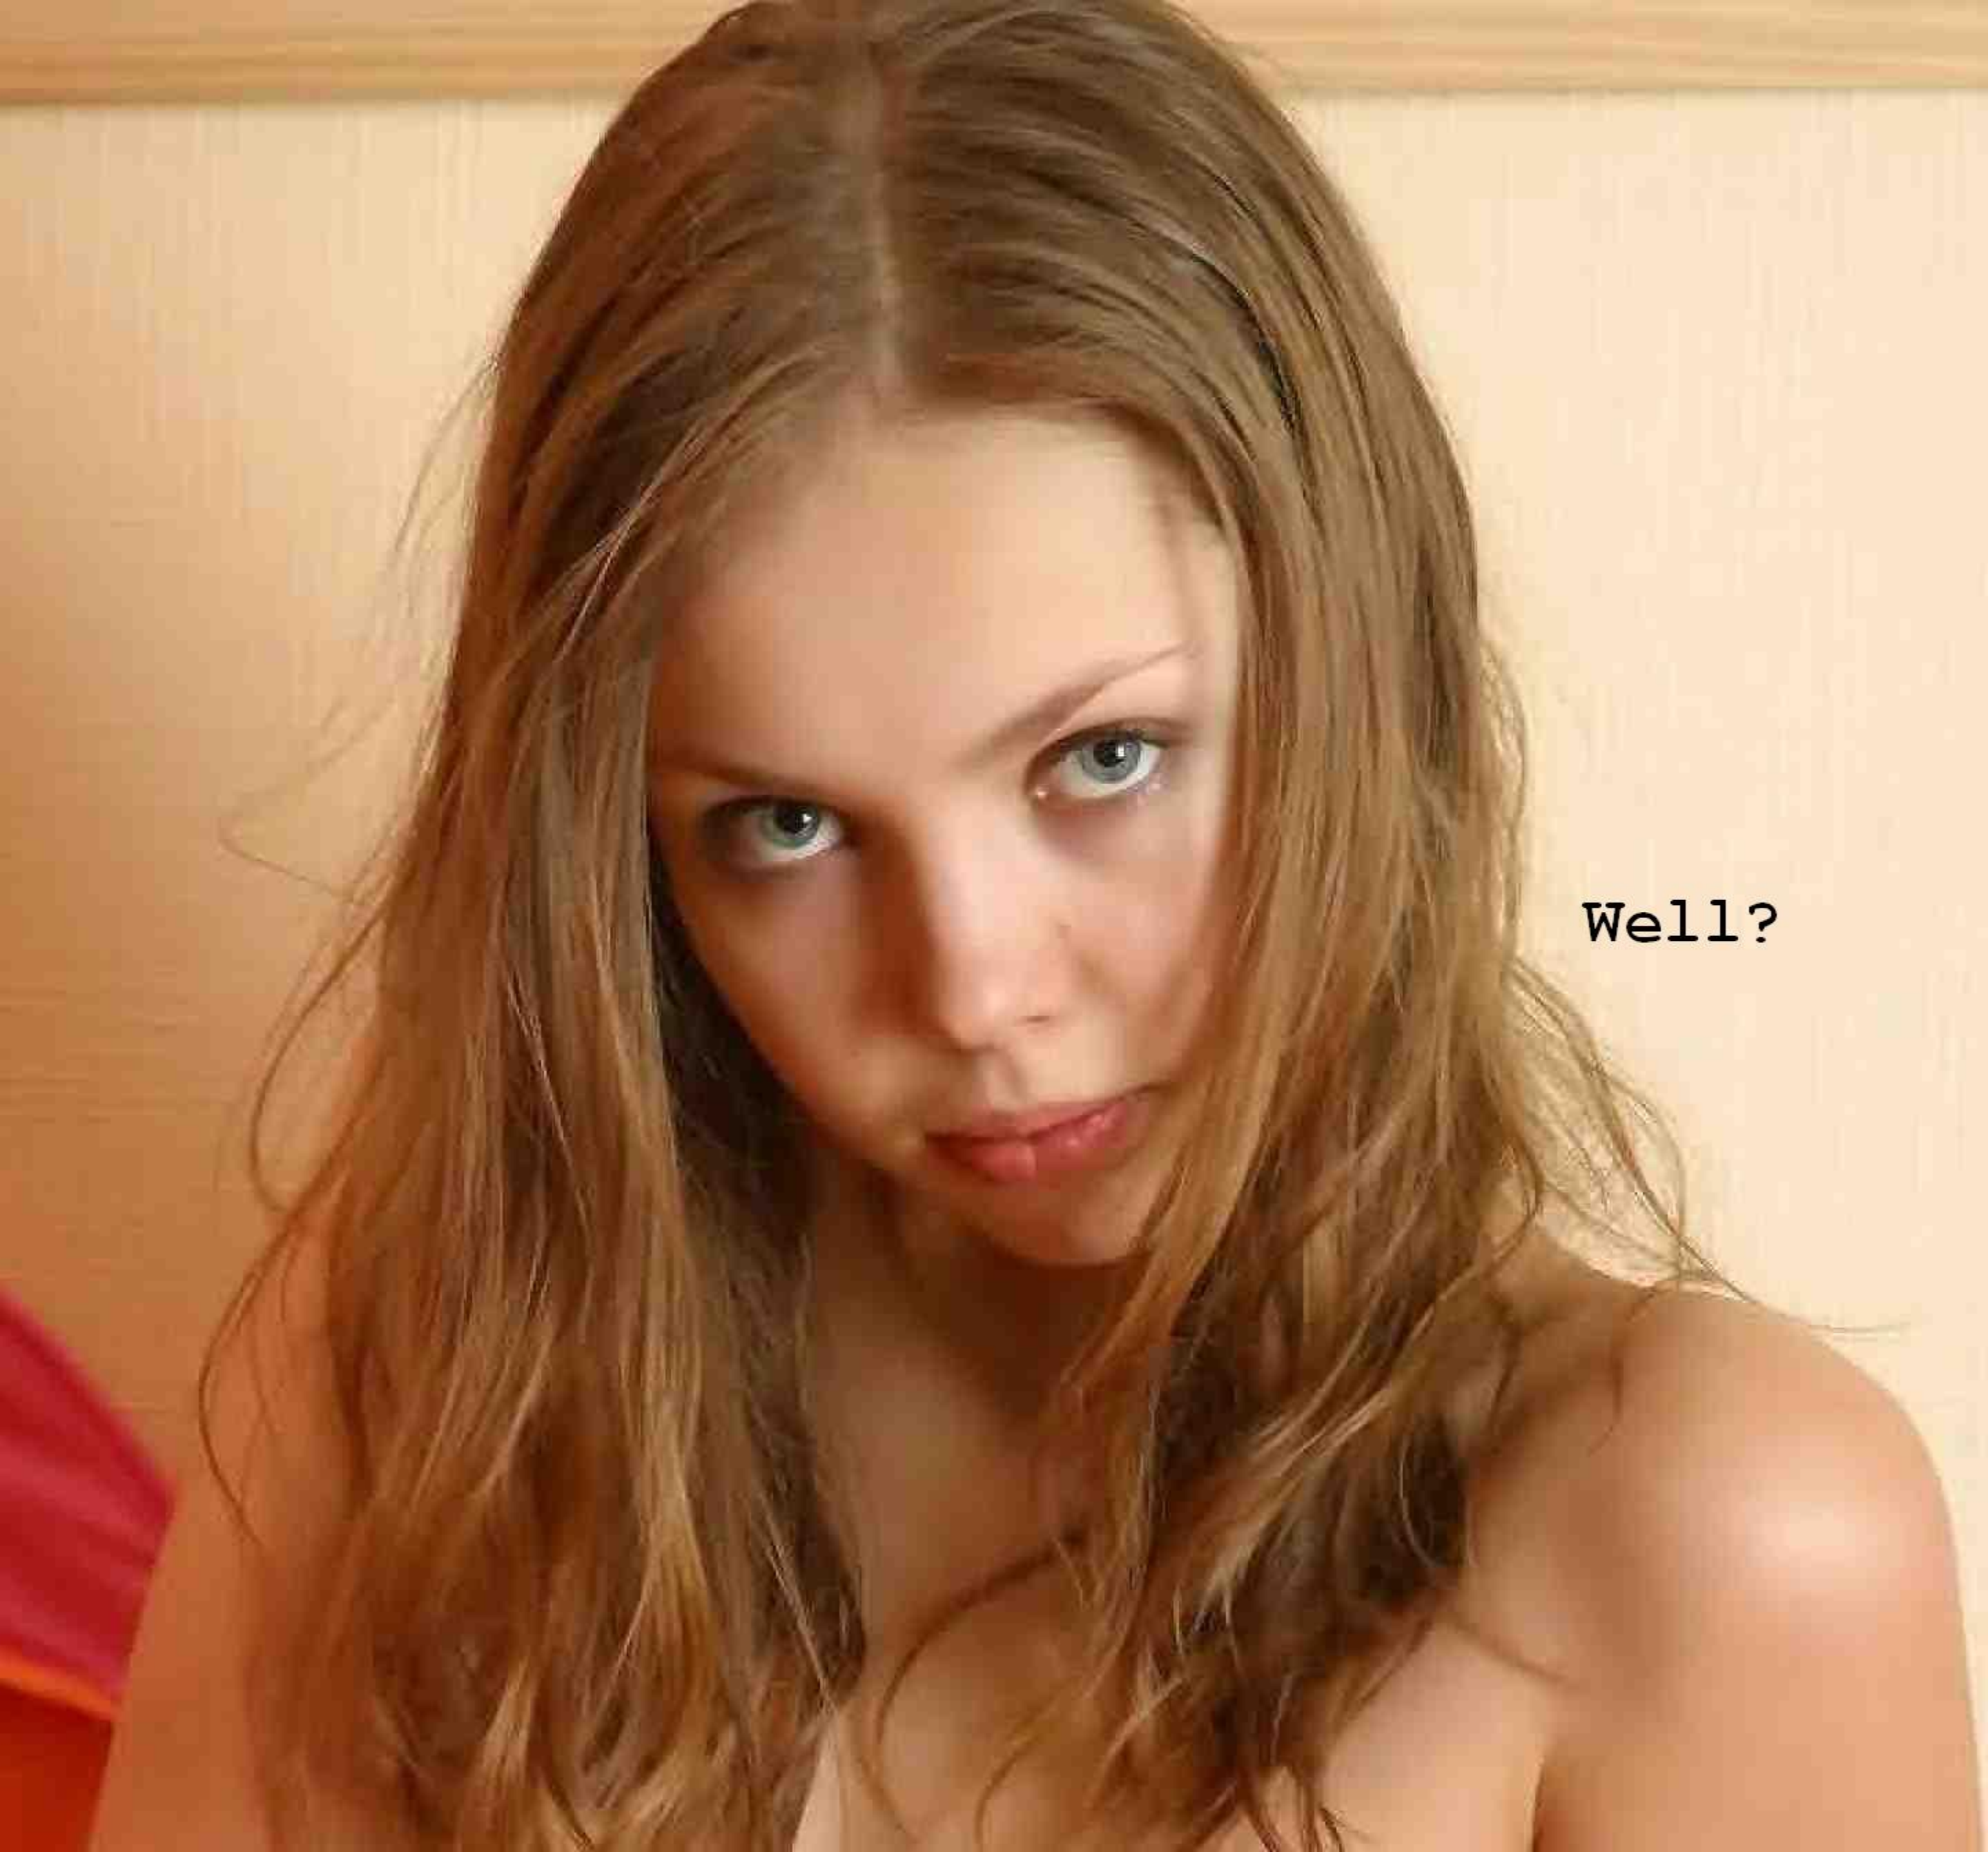

she's got a
smile on
her face,
HAPPILY
ever
after!

The End

Well?

Did you
LIKE that
Fairy tale
Honey?

"YES
MISTRESS!"

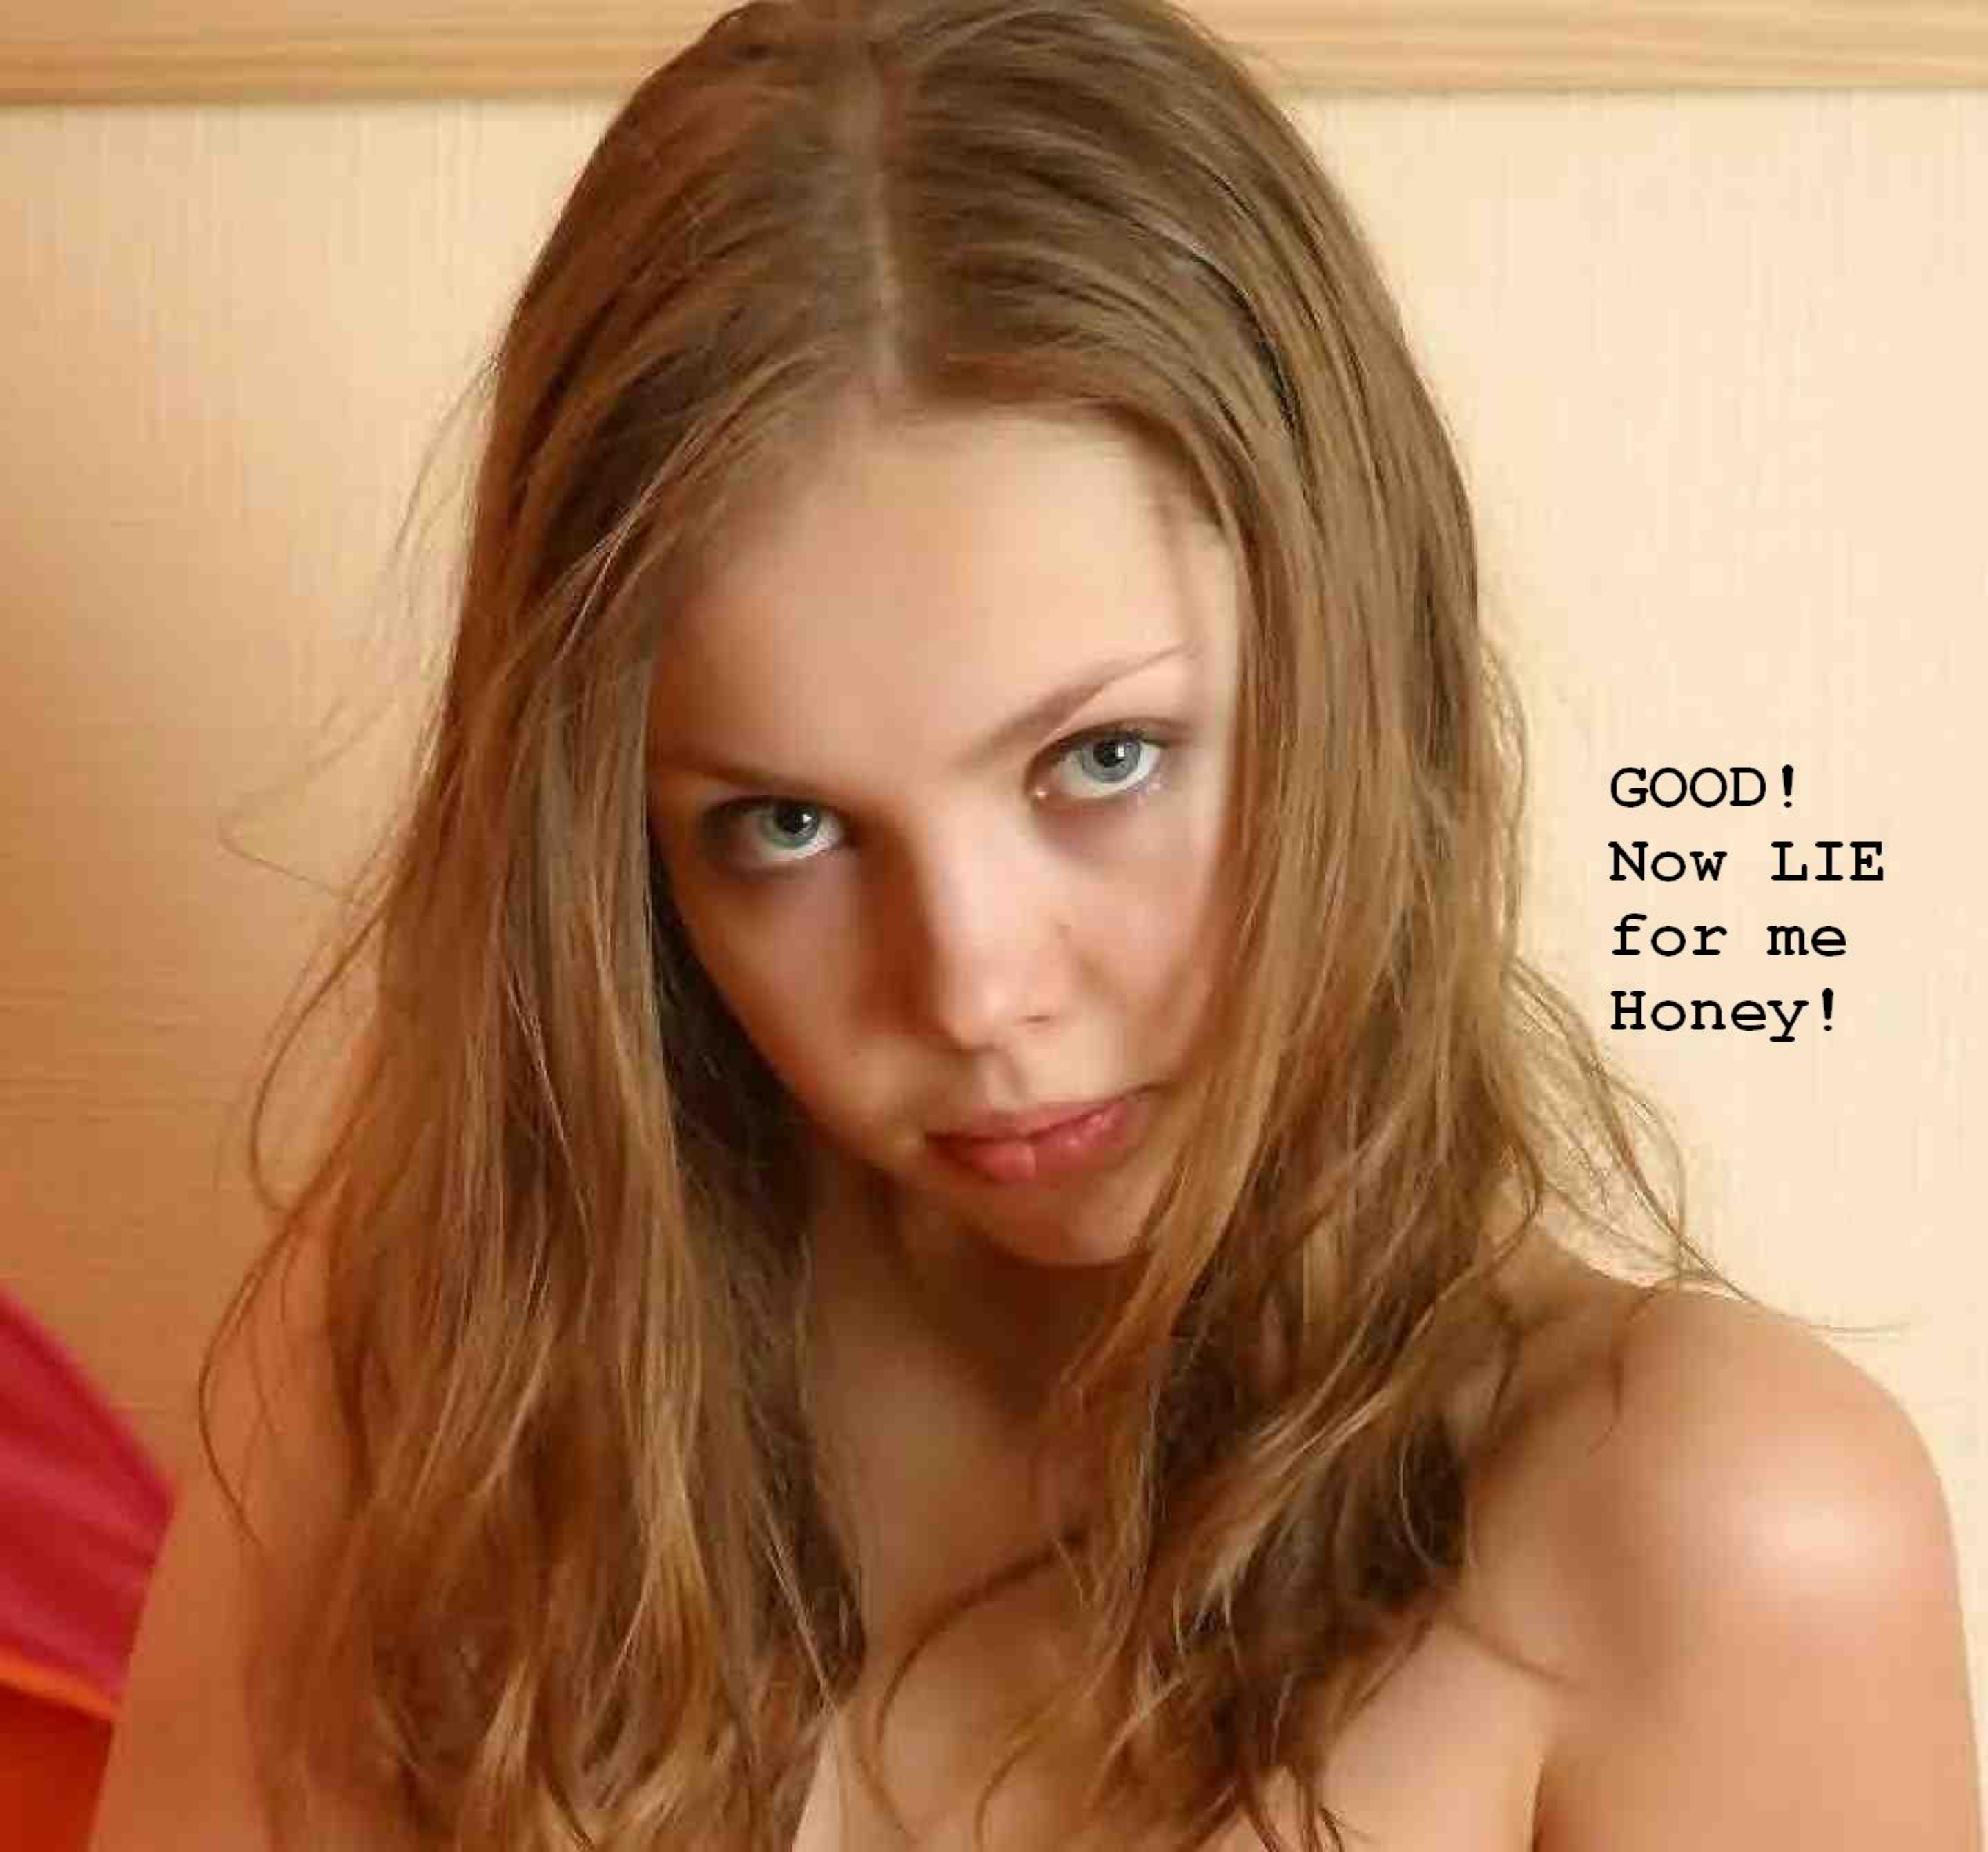

Me TOO!

We'll get
DEEP into
that one when
we're ALL
done
playing
"Pinocchio",
OK Honey?

"YES MISTRESS!"

GOOD!
Now LIE
for me
Honey!

**"YES
MISTRESS!"**
