

One day your Girlfriend or your wife  
even might

about female domination just might  
see the light

and it'll  
make her  
feel like  
a queen

and so  
damned  
ALIVE,

that  
she'll  
come at  
least  
ONCE

before  
she gets  
up to

**"Five!"**

There  
once  
were two  
slaves

named  
Harry  
and  
Bruce

whos  
Mistress  
decided

to put  
them  
both  
to  
good  
use! ~

And  
they lit  
up her  
life

in  
more  
ways  
than  
one

while  
providing  
their  
Mistress

with  
hours  
■ of fun!

**The End**

And now YOU'LL  
provide ME with  
hours of fun!

A woman with long, vibrant red hair and a black and grey striped tank top stands in a room, looking down at the back of a shirtless man. She has a tattoo on her right arm and is wearing blue jeans. The man is leaning forward, showing his muscular back and buttocks. The background features a white paneled door and a white radiator.

WON'T you  
my Dear?

OH GOD  
YES MISTRESS!

**ONE !**

**TWO !**

**THREE !**

**FOUR!**

**FIVE!**
